INTRODUCTION

This Official Statement (including the cover page and all appendices) is being furnished by the Illinois Housing Development Authority (the “Authority”) in order to furnish information in connection with its issuance of \$349,250,000 aggregate principal amount of Revenue Bonds, 2024 Series B Bonds (the “Series 2024B Bonds”). Proceeds of the Series 2024B Bonds will be used as described under the caption “PLAN OF FINANCE.”

The Series 2024B Bonds are to be designated by the Authority as “Social Bonds” as described in “DESIGNATION OF THE SERIES 2024B BONDS AS SOCIAL BONDS” herein.

In addition to the issuance of the Series 2024B Bonds, the Authority is also issuing \$145,000,000 aggregate principal amount of Revenue Bonds, 2024 Series A Bonds (Non-AMT) (Social Bonds) (the “Series 2024A Bonds”). The Series 2024A Bonds are being marketed and sold via a separate official statement and are not being offered under this Official Statement.

The Series 2024B Bonds and the Series 2024A Bonds are being issued by the Authority pursuant to the Illinois Housing Development Act, as amended (the “Act”), in furtherance of its single-family housing mortgage loan program, a resolution adopted by the Authority on January 19, 2024, a Revenue Bonds General Indenture dated as of March 1, 2016 (the “General Indenture”), between the Authority and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”), and a Series Indenture, dated as of March 1, 2024, between the Authority and the Trustee (the “Series 2024A/B Indenture”; together with the General Indenture, the “Indenture”). Prior to the issuance of the Series 2024B Bonds and the Series 2024A Bonds, the Authority had issued \$3,305,660,562.00 of Bonds under the General Indenture. As of December 31, 2023, \$2,627,532,405.38 in principal amount was Outstanding. See APPENDIX A – “CERTAIN INFORMATION CONCERNING THE GENERAL INDENTURE PROGRAM.” The Authority may issue additional Bonds under the General Indenture pursuant to Series Indentures. See information under the caption “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Additional Bonds.” The Series 2024A Bonds, the Series 2024B Bonds and all other bonds subsequently issued under the General Indenture are referred to in this Official Statement as the “Bonds.” Only the Series 2024B Bonds are being offered pursuant to this Official Statement.

The Authority has been involved in the financing of low-and-moderate income housing in the State for more than 40 years. The Authority established the Program under the General Indenture (the “General Indenture Program”) to provide funds to purchase residential mortgage loans originated throughout the State of Illinois (the “State”) (or participation interests in such loans) (“Mortgage Loans”) and mortgage-backed securities that are backed by Mortgage Loans and guaranteed by the Government National Mortgage Association (“GNMA”), the Federal National Mortgage Association (“Fannie Mae”) or the Federal Home Loan Mortgage Corporation (“Freddie Mac” or “FHLMC”) (or participation interests in such securities) (“Mortgage-Backed Securities”), in each case in accordance with the requirements of State and

federal law and the General Indenture. The Authority is authorized by the Act to have up to \$7,200,000,000 aggregate principal amount of bonds outstanding, excluding those issued to refund its outstanding bonds and notes. See “THE AUTHORITY – Powers and Duties.” For more information about the General Indenture Program, see information under the caption “THE GENERAL INDENTURE PROGRAM – General” and APPENDIX A – “CERTAIN INFORMATION CONCERNING THE GENERAL INDENTURE PROGRAM.”

On June 3, 2019, Fannie Mae and Freddie Mac (each an “Enterprise” and together, the “Enterprises”) began issuing common, single mortgage-backed securities, formally known as the Uniform Mortgage-Backed Securities (“UMBS”). The UMBS issued by the Enterprises finance the same types of fixed-rate mortgages that back Fannie Mae Securities and FHLMC Securities and are guaranteed by either Fannie Mae or Freddie Mac depending upon which Enterprise issues the UMBS. As a first-level security, the UMBS are backed by fixed-rate mortgage loans purchased entirely by one of the Enterprises; thus, there is no commingling of collateral. The UMBS have characteristics similar to Fannie Mae Securities and FHLMC Securities and Freddie Mac has modified its security structure to more closely align with Fannie Mae Securities. The Enterprises may be required to consult with each other to ensure specific Enterprise programs or policies do not cause or have the potential to cause cash flows to investors of mortgage-backed securities to misalign. A portion of the proceeds of the Series 2024B Bonds will be used to acquire Mortgage-Backed Securities, which include UMBS. For purposes of this Official Statement, the term “Mortgage-Backed Securities” includes UMBS.

The Series 2024B Bonds are subject to redemption, including redemption at par without premium, as described under the caption “THE SERIES 2024B BONDS – Redemption.”

The Series 2024B Bonds are special limited obligations of the Authority. The Bonds, including the Series 2024B Bonds, are secured under the General Indenture by “Pledged Property,” including Revenues derived from the Mortgage Loans and Mortgage-Backed Securities and certain Funds and Accounts held by the Trustee. See APPENDIX A – “CERTAIN INFORMATION CONCERNING THE GENERAL INDENTURE PROGRAM,” APPENDIX C – “SUMMARY OF CERTAIN PROVISIONS OF THE GENERAL INDENTURE – Certain Definitions” and “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS” below. The General Indenture provides that the details of Mortgage Loans or the Mortgage-Backed Securities eligible to be purchased with the proceeds of a Series of Bonds must conform to any Series Program Determinations (as defined herein) set forth in the related Series Indenture. Mortgage-Backed Securities and Mortgage Loans may include participation interests as described under the caption “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Mortgage Loans and Mortgage-Backed Securities – Participation Agreements” below.

The Series 2024B Bonds: (i) are not general obligations of the Authority; (ii) do not constitute a debt of, and are not guaranteed by, the State of Illinois or the United States or any agency or instrumentality thereof; and (iii) are not secured by a pledge of the full faith and credit of the State of Illinois or the United States or any agency or instrumentality thereof. Further, Section 26.1 of the Act, which requires the Governor to submit to the General Assembly the amount certified by the Authority as being required to pay debt service on certain bonds of the Authority because of insufficient moneys available for such payments, will not apply to the Bonds (including the Series 2024B Bonds).

The descriptions and summaries of various documents set forth in this Official Statement do not purport to be comprehensive or definitive, and reference is made to each document for the complete details of all terms and conditions. All statements in this Official Statement are qualified in their entirety by reference to each document. See APPENDIX C – “SUMMARY OF CERTAIN PROVISIONS OF THE GENERAL INDENTURE – Certain Definitions” for definitions of certain capitalized words and terms used in this Official Statement.

DESIGNATION OF THE SERIES 2024B BONDS AS SOCIAL BONDS

Overview

The Authority's mission is to finance the creation and preservation of affordable housing in the State. Affordable housing is a fundamental component of strong communities and serves as the foundation of personal and economic well-being. Where a family lives determines access to schools, jobs, transportation, healthcare and more. For these reasons, expanding the availability and access to quality housing is one of the most essential actions that the Authority takes on behalf of Illinois families. Through the Authority's homebuyer programs, the Authority's purpose is to achieve the following objectives: (i) the provision of funds to finance, at affordable interest rates and/or other terms more favorable than those otherwise available, residential mortgage loans for low and moderate income persons and families; (ii) the provision of housing to alleviate the shortage of adequate housing in the State for persons and families that are residents of the State; and (iii) the effective participation by mortgage lenders in the Authority's homebuyer programs.

The Authority's homebuyer programs, down payment assistance programs, and pre-purchase homebuyer education and counseling requirements are discussed in detail in the Authority's Impact Framework, which is attached hereto as APPENDIX G.

Social Bonds Designation

The Authority is designating the Series 2024B Bonds as Social Bonds based on the intended use of proceeds: to finance affordable housing through IHDA's homebuyer programs and down payment assistance programs, in furtherance of the Authority's mission. Specifically, the Series 2024B Bonds will finance Mortgage Loans generally made to first-time homebuyers of low and moderate income throughout the State. The Series 2024B Bond proceeds will be utilized to purchase Mortgage-Backed Securities backed by pools of such Mortgage Loans.

The Authority believes the intended use of proceeds of the Series 2024B Bonds and the manner of expenditure of such funds are consistent with the four core components described by the International Capital Market Association ("ICMA") in its publication, Social Bond Principles. See "I. IHDA'S SINGLE FAMILY PROGRAM – Social Bonds" of the Authority's Impact Framework, located on the Authority's investor relations page, for a detailed discussion of the Single Family Program and alignment with the ICMA core components. The Authority also has determined that its homebuyer programs map to certain of the United Nations SDGs adopted September 25, 2015, as part of the United Nation's 2030 Agenda for Sustainable Development. For a detailed discussion of the ICMA core components as mapped to the SDGs, see APPENDIX G – "ILLINOIS HOUSING DEVELOPMENT AUTHORITY IMPACT FRAMEWORK."

Post-Issuance Reporting

The Authority expects to provide annual updates, as of the last day of each calendar year commencing with calendar year 2024, regarding the disbursement of the proceeds of the Series 2024B Bonds for the financing of Mortgage Loans or Mortgage-Backed Securities backed by pools of Mortgage Loans. The Authority expects that such annual updates will consist of the information outlined in APPENDIX H – "FORM OF SOCIAL BONDS ANNUAL REPORT"; the specific form and content of such updates are in the absolute discretion of the Authority. The Authority will cease to update such information when the applicable lendable proceeds have been fully expended. While the Authority expects to post such annual updates as voluntary filings on the Electronic Municipal Market Access system ("EMMA") of the Municipal Securities Rulemaking Board ("MSRB"), this reporting is separate from the

Authority's obligations described under "CONTINUING DISCLOSURE." Failure by the Authority to provide such updates is not a default or an event of default under the Indenture or the Continuing Disclosure Undertaking.

The term "Social Bonds" is neither defined in nor related to provisions in the Indenture. The use of such term herein is for identification purposes only and is not intended to provide or imply that an owner of Social Bonds is entitled to any additional security beyond that provided therefor in the Indenture. Holders of Social Bonds do not assume any specific risk with respect to any of the funded Mortgage Loans or Mortgage-Backed Securities by reason of the Series 2024B Bonds being designated as Social Bonds and such Series 2024B Bonds are secured on parity with all other Bonds issued and to be issued under the General Indenture.

THE SERIES 2024B BONDS

The Series 2024B Bonds will bear interest from their dated date at the rate or rates set forth on the inside cover page of this Official Statement, payable semiannually on each April 1 and October 1, with the first interest payment date being October 1, 2024. The Series 2024B Bonds are issuable only in fully registered form in denominations of \$5,000 or any integral multiple of \$5,000.

As long as the Series 2024B Bonds are registered in the name of a nominee of DTC, the principal of, interest on and redemption premium, if any, will be paid pursuant to the book-entry procedures as described under "THE SERIES 2024B BONDS – Book-Entry-Only System."

If at any time the book-entry procedures described under "THE SERIES 2024B BONDS – Book-Entry-Only System" do not apply to the Series 2024B Bonds and beneficial owners are delivered certificated Series 2024B Bonds pursuant to the Series 2024A/B Indenture, the principal of and redemption premium, if any, on the Series 2024B Bonds will be payable at the principal corporate trust office of the Trustee and interest due on the Series 2024B Bonds will be paid to the Owners by the Trustee by check (or, in the case of Owners of Series 2024B Bonds in a principal amount equal to or exceeding \$1 million upon request by wire transfer) to the person in whose name the Series 2024B Bond is registered as of the fifteenth day of the month preceding each Interest Payment Date.

Special Redemption of Series 2024B Bonds from Unexpended Proceeds of the Series 2024B Bonds

The Series 2024B Bonds shall also be subject to redemption prior to maturity, in whole or in part, at any time upon notice as required by the General Indenture from proceeds of the Series 2024B Bonds that are not spent to acquire Mortgage-Backed Securities at a redemption price equal to 100 percent of the outstanding principal amount thereof, plus accrued interest to the redemption date except for 2024 Series B PAC Bonds which shall be redeemed at a redemption price set forth below. Accrued interest, if any, to the redemption date will be paid upon redemption. Any such redemption shall be allocated among the maturities of Series 2024B Bonds being redeemed, as nearly as practicable, on a pro rata basis according to the respective principal amounts of each maturity then Outstanding. Any Series 2024B PAC Bonds redeemed pursuant to this paragraph shall be redeemed at the applicable redemption prices reflected during the time periods shown in the table for the 2024 Series B PAC Bonds set forth under “*Optional Redemption of Series 20243B Bonds*” above, plus accrued interest. The Series 2024B PAC Bond sinking fund amounts set forth above are to be reduced pro rata to the extent that amounts are applied to the redemption of the Series 2024B PAC Bonds from non-origination proceeds as described above. The Authority expects to expend proceeds of the Series 2024B Bonds to acquire Mortgage-Backed Securities by April 1, 2024.

Special Redemption of the Series 2024B Bonds from Recoveries of Principal

The Series 2024B Bonds will be subject to redemption prior to maturity at the option of the Authority, in whole or in part, on any date, at a redemption price equal to 100 percent of the principal amount thereof, from Recoveries of Principal (as defined herein) received by or on behalf of the Authority and allocable to any Series of Bonds under the General Indenture; provided, however, that the Authority’s right to so redeem Series 2024B PAC Bonds is limited as described under “*Series 2024B PAC Bonds*” below, and the Authority is required to redeem Series 2024B PAC Bonds from certain Recoveries of

Principal as described under “*Series 2024B PAC Bonds*” below. Accrued interest, if any, to the redemption date will be paid upon redemption.

Series 2024B PAC Bonds

The Series 2024B PAC Bonds will be subject to redemption as described below in an amount up to the cumulative amounts set forth in column (A) in the table below during the applicable redemption period beginning and ending on the dates as set forth in the table below. Such redemptions (i) will be made by the Authority at least once every six months commencing with the period ending October 1, 2024 from Taxable Prepayments (as defined below) not previously applied to redeem Series 2024B PAC Bonds (or used as described in “*Use of Excess Taxable Prepayments*” below), and (ii) at the option of the Authority, may be made more frequently or from any of the sources referred to in “*Special Redemption of the Series 2024B Bonds from Recoveries of Principal*” above and “*Special Redemption of Series 2024B Bonds from Revenues Available under the General Indenture*” below, but in each case only to the extent that redemptions described in the foregoing clauses (i) and (ii) in any period set forth in the following table do not cause the cumulative amounts of Series 2024B PAC Bonds redeemed to exceed the cumulative amounts for such period set forth in column (A) of the table below. If the amount available for a redemption described in clause (i) is less than \$100,000, the Authority may delay redemption of the Series 2024B PAC Bonds until the amount of Taxable Prepayments available totals \$100,000 or more. The cumulative amounts in column (A) in the table below are intended to be equal to 79.26% of the cumulative amounts of Taxable Prepayments that would be received by the end of the respective period if certain assumptions were realized, including the assumption that all of the prepayments on the Mortgage-Backed Securities allocable to the Series 2024B Bonds are received at a rate equal to 75% of the SIFMA Prepayment Model (as defined below). “Taxable Prepayments” as of any date means Recoveries of Principal with respect to the Unrestricted Mortgage-Backed Securities (as defined below) (other than proceeds of a sale or other disposition of such an Unrestricted Mortgage-Backed Security) received by the Trustee and not theretofore applied, or then required to be applied, pursuant to the General Indenture to eliminate a deficiency in the Debt Service Account. “Unrestricted Mortgage-Backed Securities” means Mortgage-Backed Securities purchased or deemed to have been purchased with proceeds of the Series 2024B Bonds or financed with a payment of principal or Recovery of Principal with respect to a Mortgage-Backed Security financed with the proceeds of the Series 2024B Bonds.

Notwithstanding the preceding paragraph, to the extent cumulative Taxable Prepayments since the date of issuance of the Series 2024B Bonds in any period exceed the amounts set forth in column (B) of the table below for such period, the Authority may use such excess Taxable Prepayments to redeem Series 2024B PAC Bonds in any amount in excess of the cumulative amount set forth in column (A) for such period. The cumulative amounts in column (B) of the table below are intended to be the cumulative amounts of Taxable Prepayments that would be received by the end of the respective period if certain assumptions were realized, including the assumption that all of the prepayments on the Mortgage-Backed Securities allocable to the Series 2024B Bonds are received at a rate equal to 400% of the SIFMA Prepayment Model (as defined below). In addition, notwithstanding the preceding paragraph, Series 2024B PAC Bonds may be redeemed as described below under “*Special Redemption of Series 2024B Bonds from Revenues Available under the General Indenture*” if no other Series 2024B Bonds are Outstanding.

Use of Excess Taxable Prepayments. During any period set forth in the table above, if Series 2024B PAC Bonds have been redeemed in a cumulative amount at least equal to the amounts set forth in column (A) of the above table for such period, Taxable Prepayments may then be applied to the redemption of Series 2024B Bonds other than the Series 2024B PAC Bonds, but limited as provided above, or the redemption of Bonds of other Series to the extent permitted by the General Indenture and the related Series Indenture, or may be transferred to the Program Fund to the extent permitted by the General Indenture. Taxable Prepayments in excess of the cumulative amounts for each redemption period set forth in column (B) of the above table may be applied as described in the preceding sentence, or may be applied to the redemption of the Series 2024B PAC Bonds.

Weighted Average Life of Series 2024B PAC Bonds. Weighted average life refers to the average amount of time that will elapse from the date of issuance of a bond until each dollar of principal of such bond will be repaid to the investor. The weighted average life of the Series 2024B PAC Bonds will be influenced by the rate at which the principal on the Unrestricted Mortgage-Backed Securities are paid (and may be influenced by the rate at which the principal of Mortgage-Backed Securities or Mortgage Loans financed with future Series of Bonds are paid). Principal payments on Mortgage-Backed Securities may be in the form of scheduled amortizations or prepayments including prepayments and liquidations due to default or other dispositions of Mortgage Loans underlying Mortgage-Backed Securities. Prepayments on Mortgage Loans are commonly measured by a prepayment standard or model.

The model used in the following discussion is the “SIFMA Prepayment Model.” The SIFMA Prepayment Model is based on an assumed rate of prepayment each month of the then unpaid principal balance of the Mortgage Loans. The SIFMA Prepayment Model assumes a prepayment rate of 0.2% in the first month, increasing by 0.2% in each succeeding month until the thirtieth month of the mortgages’ lives and then assumes a constant prepayment rate of six percent (6%) per annum of the unpaid principal balance

for the remaining lives of the mortgages. The SIFMA Prepayment Model is sometimes referred to by market participants as the PSA Prepayment Model.

As used in this Official Statement, “0% PSA” assumes no prepayments on the principal of the Mortgage Loans acquired with the proceeds of the Series 2024B Bonds. “25% PSA” assumes the principal of Mortgage Loans will prepay at a rate one-quarter times as fast as the prepayment rates for 100% of the SIFMA Prepayment Model. “50% PSA” assumes the principal of such Mortgage Loans will prepay at a rate one-half times as fast as the prepayment rates for 100% of the SIFMA Prepayment Model. “75% PSA” assumes the principal of such Mortgage Loans will prepay at a rate three-quarters times as fast as the prepayment rates for 100% of the SIFMA Prepayment Model. “100% PSA” assumes the principal of the Mortgage Loans will prepay at a rate equal to the prepayment rates for 100% of the SIFMA Prepayment Model. “150% PSA” assumes the principal of the Mortgage Loans will prepay at a rate one and one-half times as fast as the prepayment rates for 100% of the SIFMA Prepayment Model. “200% PSA” assumes the principal of such Mortgage Loans will prepay at a rate twice as fast as the prepayment rates for 100% of the SIFMA Prepayment Model. “300% PSA” assumes the principal of such Mortgage Loans will prepay at a rate three times as fast as the prepayment rates for 100% of the SIFMA Prepayment Model. “400% PSA” assumes the principal of such Mortgage Loans will prepay at a rate four times as fast as the prepayment rates for 100% of the SIFMA Prepayment Model. “500% PSA” assumes the principal of such Mortgage Loans will prepay at a rate five times as fast as the prepayment rates for 100% of the SIFMA Prepayment Model.

There is no assurance, however, that prepayment of the principal of such Mortgage Loans will conform to any level of the SIFMA Prepayment Model. The rate of principal payments of mortgage loans is influenced by a variety of economic, geographic, social and other factors, including the level of mortgage interest rates and the rate at which homeowners sell their homes or default on their mortgage loans. In general, if prevailing interest rates fall significantly, such Mortgage Loans are likely to be subject to higher prepayment rates than if prevailing rates remain at or above the interest rates on such Mortgage Loans. Conversely, if interest rates rise, the rate of prepayment would be expected to decrease. Other factors affecting prepayment of Mortgage Loans include, but are not limited to, changes in mortgagors’ housing needs, job transfers, unemployment and ‘mortgagors’ net equity in the mortgaged properties. In addition, as homeowners move or default on their Mortgage Loans, the houses are generally sold and the Mortgage Loans prepaid, although under certain circumstances the Mortgage Loans may be assumed by a new buyer. Because of the foregoing and since the rate of prepayment of principal of such Mortgage-Backed Securities will depend on the rate of repayment (including prepayments) of the Mortgage Loans, the actual maturity of any Series 2024B Bond is likely to occur earlier, and could occur significantly earlier than, its stated maturity.

The figures in the following table utilize the General Indenture Program assumptions as described under the heading “ASSUMPTIONS REGARDING REVENUES, DEBT SERVICE REQUIREMENTS AND PROGRAM EXPENSES” and various additional assumptions, including, but not limited to (1) all Unrestricted Mortgage-Backed Securities are purchased at the times currently anticipated, (2) Taxable Prepayments on such Mortgage-Backed Securities in amounts not exceeding a cumulative percentage of 400% of the SIFMA Prepayment Model are applied as described above under the captions “Series 2024B PAC Bonds” and “Use of Excess Taxable Prepayments”; (3) Taxable Prepayments in excess of 400% of the SIFMA Prepayment Model are applied proportionally to the redemption of the Series 2024B Bonds then Outstanding, including the Series 2024B PAC Bonds; and (4) the Series 2024B Bonds are not redeemed pursuant to optional redemption. However, Taxable Prepayments in excess of 400% of the SIFMA Prepayment Model are not required to be applied proportionally to the redemption of all the Series 2024B Bonds then Outstanding. The table assumes that Taxable Prepayments are received at the various rates listed in the following table. There can be no assurance that such assumptions will in fact prove to be accurate.

<u>PSA Prepayment Speed (%)</u>	<u>Average Life in Years</u>	<u>Last Date Outstanding</u>
0	27.5	4/1/2054

Special Redemption of Series 2024B Bonds from Revenues Available under the General Indenture

The Series 2024B Bonds will be subject to redemption prior to maturity, in whole or in part, on any date, at the option of the Authority, or as required by law, at a redemption price equal to 100 percent of the principal amount thereof, plus accrued interest to the redemption date from Revenues and amounts in excess of the Reserve Requirement transferred from the Reserve Fund to the Revenue Fund that are available under the General Indenture after making all payments required to be made therefrom pursuant to the General Indenture; provided, however, that the Authority's right to so redeem Series 2024B PAC Bonds is limited as described under "Series 2024B PAC Bonds" above; and, provided further, that the Series 2024B PAC Bonds may be redeemed pursuant to this paragraph, notwithstanding the limitations set forth under "Series 2024B PAC Bonds" above, if no other Series 2024B Bonds are outstanding. Accrued interest, if any, to the redemption date will be paid upon redemption.

In connection with any redemption from such Revenues, the Series 2024B Bonds will be selected for redemption as directed by the Authority provided that no Series 2024B PAC Bonds will be redeemed in amounts that would cause the outstanding principal amount of such bonds following such redemption to be less than the Series 2024B PAC Bond Outstanding Applicable Amount (set forth above), as of such date, unless no other Series 2024B Bonds remain outstanding.

Selection of Amounts and Maturities of Series 2024B Bonds for Redemption

The amounts and maturity dates of any Series 2024B Bonds to be redeemed pursuant to any redemption as provided above will be determined at the discretion of the Authority, as provided in a written direction to the Trustee (which shall be accompanied by a Compliance Certificate or Cash Flow Statement, as appropriate, giving effect to such redemption).

General Redemption Provisions

As long as the Series 2024B Bonds are held by Cede & Co., as nominee of DTC, notice of any redemption of Series 2024B Bonds will be mailed not less than 20 days and not more than 90 days prior to the date set for redemption. Such notices will be furnished to DTC. The Authority has been informed that DTC will in turn forward the information to the Participants (as defined below), which will then provide the appropriate notification to correspondents and Beneficial Owners (as defined below).

Failure of DTC or any Participant to provide notice to any Beneficial Owner will not affect the validity of the proceedings for the redemption of the applicable Series 2024B Bonds.

If the Series 2024B Bonds are not held by the nominee of DTC or the nominee of any successor securities depository, notice of any redemption will be mailed at least 20 days but no more than 90 days prior to the date established for the redemption of Series 2024B Bonds to the Bondowners of the Series 2024B Bonds, or portions thereof, to be redeemed at their addresses as they appear on the registry books of the Authority. Redemption notices shall be sent by first-class mail. Such notice will specify the redemption price, the redemption date, the place or places where amounts due upon redemption will be payable, the maturities and the distinctive numbers, if any, of the Series 2024B Bonds to be redeemed and, if less than all of the Series 2024B Bonds of a given maturity are to be redeemed, the portion of the principal amounts to be redeemed.

The notice of redemption may be conditional. If conditional, the notice shall set forth in summary terms the conditions precedent to such redemption and that if such conditions shall not have been satisfied on or prior to the redemption date, such notice shall be of no force and effect and such Series 2024B Bonds shall not be redeemed. Once notice of redemption is sent in accordance with the General Indenture, it will be effective whether or not the Bondowners actually receive such notice. Failure to send notice of redemption, or any defect in such notice, with respect to any Series 2024B Bond will not affect the validity of the proceedings for the redemption of any other Series 2024B Bond.

The Series 2024B Bonds selected for redemption and redeemed in part from time to time shall be redeemed in one or more units of \$5,000 or any integral multiple of \$5,000 of principal of such Series 2024B Bonds. If, on the redemption date, (i) the conditions precedent, if any, to such redemption have been satisfied, (ii) in the case of any redemption other than pursuant to Sinking Fund Requirements, money for the redemption of all the Series 2024B Bonds or portions thereof to be redeemed, together with interest to the redemption date, is held by the Trustee so as to be available therefor on such date (or, in the case of interest, has been mailed to the Bondowners), and (iii) notice of redemption has been given as aforesaid, then the Series 2024B Bonds or portions thereof so called for redemption will become due and payable at the applicable redemption price, plus accrued interest, if any, and from and after the date fixed for redemption, interest on the Series 2024B Bonds or portions thereof so called for redemption will cease to accrue.

Pursuant to the Indenture, the Trustee, upon receipt of an Authority Request, may purchase Series 2024B Bonds from amounts on deposit in the Redemption Account at the most advantageous price obtainable with reasonable diligence, such price not to exceed (except to the extent permitted by the Indenture and applicable law) the redemption price plus accrued interest that would be payable on (i) the next redemption date, if such Series 2024B Bonds are then redeemable, or (ii) on the date such Series 2024B Bonds are first redeemable. Such Authority Request shall be accompanied by a Cash Flow Statement if such purchase is not consistent with the assumptions set forth in the most recently filed Cash Flow Statement.

Any Series 2024B Bonds to be purchased or redeemed, other than pursuant to Sinking Fund Requirements, will be purchased or redeemed by the Trustee upon written direction of the Authority (which shall be accompanied by a Cash Flow Statement if such purchase or redemption is not consistent with the assumptions set forth in the most recently filed Cash Flow Statement).

So long as the Series 2024B Bonds are held by a nominee of DTC, DTC will determine the method of allocating the redemption among the Beneficial Owners of the maturity of such Series 2024B Bonds to be redeemed on a "Pro Rata Pass-Through Distribution of Principal" basis in accordance with DTC operational arrangements then in effect. If the DTC operational arrangements do not allow for redemption on a pro rata pass-through distribution of principal basis, such Bonds will be selected for redemption in accordance with DTC procedures, by lot. If Series 2024B Bonds are not held by a nominee of DTC and if less than all of the Series 2024B Bonds of one series and maturity are called for redemption, the particular

Series 2024B Bonds of such series and maturity to be redeemed will be selected on a pro rata basis not later than 25 days prior to the date fixed for redemption, or such lesser number of days as shall be acceptable to the Trustee; provided that (1) the portion of any Series 2024B Bonds to be redeemed is in the principal amount of \$5,000 or an integral multiple thereof, and (2) in selecting Series 2024B Bonds for purchase upon redemption, each Series 2024B Bond will be treated as representing that number of Series 2024B Bonds that is obtained by dividing the principal amount of such Series 2024B Bond by \$5,000.

If less than all of the Term Bonds Outstanding of any one maturity of a series of Series 2024B Bonds is purchased for cancellation or called for redemption (other than in satisfaction of Sinking Fund Requirements), the principal amount of such Term Bonds that are so purchased or redeemed shall be credited, to the extent practicable, except as otherwise directed by the Authority, against all remaining Sinking Fund Requirements for such Term Bonds in the proportion which the then-remaining balance of each such Sinking Fund Requirement bears to the total of all such series of Series 2024B Bonds of such maturity then Outstanding.

Book-Entry-Only System

The information in this section concerning DTC and DTC's book-entry-only system has been obtained from sources the Authority and the Underwriters believe to be reliable, but neither the Authority nor the Underwriters take any responsibility for the accuracy or completeness thereof.

DTC will act as securities depository for the Series 2024B Bonds. The Series 2024B Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2024B Bond certificate will be issued for each maturity of the Series 2024B Bonds in the aggregate principal amount of such maturity, and such Series 2024B Bond certificate will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's rating of "AA+." The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2024B Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024B Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024B Bond ("Beneficial Owner") is in turn to be recorded

on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in Series 2024B Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024B Bonds, except in the event that use of the book-entry system for the Series 2024B Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024B Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co, or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2024B Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024B Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024B Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notice and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Series 2024B Bonds may wish to take certain steps to augment transfers to them of notices of significant events with respect to Series 2024B Bonds, such as redemption, tenders, defaults and proposed amendments to the Series 2024B Bond documents. For example, Beneficial Owners of the Series 2024B Bonds may wish to ascertain that the nominee holding the Series 2024B Bonds has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024B Bonds within a maturity are being redeemed, DTC shall determine the amount of the interest of each Direct Participant in such maturity to be redeemed on a "Pro Rata Pass-Through Distribution of Principal" basis in accordance with DTC operational arrangements then in effect. If the DTC operational arrangements do not allow for redemption on a pro rata pass-through distribution of principal basis, such Bonds will be selected for redemption in accordance with DTC procedures, by lot according to the respective principal amounts of each maturity then outstanding.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024B Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2024B Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments (including redemption proceeds) on the Series 2024B Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Trustee or the Authority, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such

Participant and not of DTC, the Trustee or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest (including redemption proceeds) to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2024B Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, certificates for the affected Series 2024B Bonds are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, certificates for the affected Series 2024B Bonds will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Authority believes to be reliable, but the Authority takes no responsibility for the accuracy thereof.

NEITHER THE TRUSTEE NOR THE AUTHORITY WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY PARTICIPANT, ANY PERSON CLAIMING A BENEFICIAL OWNERSHIP INTEREST IN ANY SERIES 2024B BONDS UNDER OR THROUGH DTC OR ANY PARTICIPANT, OR ANY OTHER PERSON THAT IS NOT SHOWN ON THE REGISTRATION BOOKS OF THE TRUSTEE AS BEING A BONDOWNER, WITH RESPECT TO THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT, THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT IN RESPECT OF PRINCIPAL OF OR PREMIUM, IF ANY, OR INTEREST ON ANY SERIES 2024B BOND, ANY NOTICE THAT IS REQUIRED TO BE GIVEN TO BONDOWNERS UNDER THE INDENTURE, THE SELECTION BY DTC OR ANY PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE SERIES 2024B BONDS, OR ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC OR ITS NOMINEE AS THE REGISTERED OWNER OF THE SERIES 2024B BONDS.

Revision of Book-Entry-Only System

In the event that the Authority and the Trustee receive written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute depository can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Series 2024B Bonds will no longer be restricted to being registered in the register of the Authority kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Bondowners transferring or exchanging Series 2024B Bonds will designate, in accordance with the Indenture.

ASSUMPTIONS REGARDING REVENUES, DEBT SERVICE REQUIREMENTS AND PROGRAM EXPENSES

General

The Authority made certain assumptions, including those set forth under this caption, in establishing the principal amounts of and the maturities and Sinking Fund Requirements with respect to the Series 2024B Bonds.

The Authority expects scheduled payments under the Mortgage-Backed Securities, together with Recoveries of Principal, if any, and other moneys and securities held under the General Indenture and the income thereon, to be sufficient to pay, when due, Expenses of the General Indenture Program and the debt service attributable to the Series 2024B Bonds. In forming this expectation, the Authority has not considered the issuance of additional Bonds, other than the Series 2024A Bonds, or the application or investment of the proceeds thereof; however, a condition to issuing such additional Bonds is the filing of a Cash Flow Statement accompanied by a Rating Certificate. Because all Bonds issued under the General Indenture will rank equally and ratably with the Series 2024B Bonds with respect to the security afforded by the General Indenture, availability of money for repayment of the Series 2024B Bonds could be significantly affected by the issuance, application, and investment of proceeds of additional Bonds.

The Authority believes it is reasonable to make the assumptions set forth below, but can give no assurance that the actual receipt of moneys will correspond to estimated Revenues available to pay the debt service on and the Expenses incurred in connection with the Series 2024B Bonds.

Assumptions

In connection with the issuance of the Series 2024B Bonds, the Authority has made the following assumptions in determining the sufficiency of revenues available under the General Indenture for payment of debt service attributable to the Series 2024B Bonds:

- (a) Approximately \$349,250,000 of the proceeds of the Series 2024B Bonds will be used to acquire participation interests (see “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Mortgage Loans and Mortgage-Backed Securities” and “– Participation Agreements”) in Mortgage-Backed Securities that have a weighted average pass-through rate of approximately 6.69%, an approximate weighted average term of 356 months on the closing date.
- (b) Amounts on deposit in various Funds and Accounts under the General Indenture applicable to the Series 2024B Bonds will be invested at the minimum re-investment rate as required by the Rating Agency.
- (c) All Expenses with respect to the Series 2024B Bonds, including the expenses of the Trustee, will be paid in full on a timely basis from investment income on funds held by the Trustee and a portion of interest paid on Mortgage-Backed Securities.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

General

All Series 2024B Bonds are special limited obligations of the Authority with a claim for payment solely from Pledged Property, as defined in the General Indenture. The Series 2024B Bonds: (i) are not general obligations of the Authority; (ii) do not constitute a debt of, and are not guaranteed by, the State of Illinois or the United States or any agency or instrumentality thereof; and (iii) are not secured by a pledge of the full faith and credit of the State of Illinois or the United States or any agency or instrumentality thereof.

All Series 2024B Bonds are secured by a pledge and assignment and grant of a lien on and security interest in the Pledged Property. Pledged Property includes all Revenues, as defined in the General Indenture, including money received by or on behalf of the Authority or the Trustee representing:

- (i) principal and interest payments on Mortgage Loans, including, without limitation, Recoveries of Principal;
- (ii) payments on the Mortgage-Backed Securities and the documents evidencing and securing the Mortgage-Backed Securities, including any guaranty of such Mortgage-Backed Securities;
- (iii) interest earnings on Funds and Accounts held by the Trustee (other than the Rebate Fund); and
- (iv) all Funds and Accounts held by the Trustee (other than the Rebate Fund).

Pledged Property does not include amounts required to be paid as rebate to the United States. The pledge of Funds and Accounts established in a Series Indenture may be limited in purpose and time, as set forth in the Series Indenture.

SECTION 26.1 OF THE ACT, WHICH REQUIRES THE GOVERNOR TO SUBMIT TO THE GENERAL ASSEMBLY THE AMOUNT CERTIFIED BY THE AUTHORITY AS BEING REQUIRED TO PAY DEBT SERVICE ON CERTAIN OF ITS BONDS BECAUSE OF INSUFFICIENT MONEYS AVAILABLE FOR SUCH PAYMENT, SHALL NOT APPLY TO THE BONDS (INCLUDING THE SERIES 2024B BONDS).

Mortgage Loans and Mortgage-Backed Securities

Pursuant to the General Indenture, the Authority is permitted to issue Bonds to finance Mortgage Loans or Mortgage-Backed Securities, in addition to the other purposes described in “Additional Bonds” below (which may include the financing of other types of loans or securities). Pools of Mortgage Loans underlying Mortgage-Backed Securities are not Pledged Property under the General Indenture. The terms of the Mortgage Loans, the Mortgage Loans underlying Mortgage-Backed Securities and the type of Mortgage-Backed Securities which may be purchased from the proceeds of a particular Series of Bonds must conform to any restrictions set forth in the respective Series Indenture relating to that Series of Bonds.

For information regarding the requirements of Mortgage Loans purchased by the Authority under the General Indenture Program and Mortgage Loans underlying Mortgage-Backed Securities purchased by the Authority under the General Indenture Program, see information under the captions “THE GENERAL INDENTURE PROGRAM – Mortgage Loans” and “– Mortgage-Backed Securities.”

Mortgage Loans

Each Mortgage Loan must be evidenced by a note and secured by a mortgage or equivalent security on an owner-occupied residence in the State or a participation interest in such a loan pursuant to a Participation Agreement. The Series Indenture for each Series of Bonds may include Series Program Determinations establishing additional requirements of the Mortgage Loans eligible to be purchased with proceeds of such Bonds.

Mortgage-Backed Securities

Each Mortgage-Backed Security must be a GNMA Security, a UMBS, or a participation interest in any of the foregoing pursuant to a Participation Agreement. The terms of the GNMA, Fannie Mae and FHLMC single-family mortgage-backed securities programs require that all Mortgage Loans: (i) if underlying a GNMA Security, be insured by FHA or guaranteed by the Department of Veteran's Affairs ("VA") or the United States Department of Agriculture Rural Development ("USDA/RD"), or guaranteed by HUD and administered by the Office of Public and Indian Housing ("PIH") or (ii) if underlying a UMBS, be insured by a private mortgage insurance policy (if in an amount in excess of certain loan-to-value ratios).

GNMA Securities

The Government National Mortgage Association ("GNMA") is a wholly-owned corporate instrumentality of the United States of America within the Department of Housing and Urban Development ("HUD"). GNMA's powers are prescribed generally by Title III of the National Housing Act, as amended (12 U.S.C. § 1716 et seq.).

GNMA is authorized to guarantee the timely payment of the principal of and interest on securities ("GNMA Securities" or "GNMA Certificates") that are based on and backed by trusts or pools composed of mortgages that are insured or guaranteed by (i) the FHA; (ii) the VA; (iii) the USDA/RD; or (iv) guaranteed by HUD under Section 184 of the Housing and Community Development Act of 1992, as amended and administered by the Office of Public and Indian Housing ("PIH"). The GNMA Certificates are issued by approved servicers. GNMA guarantees the timely payment of principal of and interest on the GNMA Certificates. The full faith and credit of the United States is pledged to the payment of all amounts required to be paid under each such guaranty. To the extent necessary, GNMA will borrow from the United States Treasury any amounts necessary to enable GNMA to honor its guaranty of the GNMA Securities. GNMA is required to honor its guaranty only if the Master Servicer is unable to make the full payment on any GNMA Certificate, when due. GNMA Certificates constitute GNMA Securities under the Indenture.

GNMA administers two mortgage-backed securities programs, the "Ginnie Mae I MBS Program" and the "Ginnie Mae II MBS Program." The principal differences between the two programs relate to the interest rate structure of the mortgage loans backing the GNMA Certificates, maximum maturities of such mortgage loans and the means by which principal and interest payments are made. These differences are not expected to affect adversely the availability of Revenues to pay principal of and interest on the Bonds.

See APPENDIX D for more information regarding GNMA and its mortgage-backed security program.

Fannie Mae Securities

The Federal National Mortgage Association ("Fannie Mae") is a federally-chartered, private, stockholder-owned corporation organized and existing under the Federal National Mortgage Association Charter Act (12 U.S.C. § 1716 et seq.). Fannie Mae is subject to the supervision and regulation of the Federal Housing Finance Agency, an independent agency of the federal government, to the extent provided in the Housing and Economic Recovery Act of 2008 ("HERA"). The Authority cannot predict the long-term consequences of the conservatorship of this entity and the corresponding impact on the participants and the Program. The Secretary of HUD also exercises regulatory power over Fannie Mae. Among other things, Fannie Mae issues mortgage-backed securities primarily in exchange for pools of mortgage loans from lenders.

Fannie Mae operates a mortgage-backed securities program pursuant to which Fannie Mae issues UMBS backed by pools of mortgage loans (“Fannie Mae Certificates” or “Fannie Mae Securities”). Each Fannie Mae Certificate represents an undivided ownership interest in a specified pool of mortgage loans purchased by Fannie Mae. Generally, Fannie Mae Certificates are issued in book-entry form, representing a minimum of \$1,000 unpaid principal amount of mortgage loans. As of June 3, 2019, each Fannie Mae Certificate is a UMBS.

Fannie Mae guarantees to the registered holders of Fannie Mae Certificates that it will distribute amounts representing (i) scheduled principal and interest at the applicable pass-through rate on the mortgage loans in the pools represented by such Fannie Mae Certificates, whether or not received, and (ii) the full principal balance of any foreclosed or other finally liquidated mortgage loans, whether or not such principal balance is actually received. FANNIE MAE’S OBLIGATIONS UNDER THE FANNIE MAE CERTIFICATES, INCLUDING ANY UMBS ISSUED BY FANNIE MAE, ARE OBLIGATIONS SOLELY OF FANNIE MAE AND ARE NOT BACKED BY, OR ENTITLED TO, THE FULL FAITH AND CREDIT OF THE UNITED STATES OR ANY OF ITS AGENCIES OR INSTRUMENTALITIES OTHER THAN FANNIE MAE. If Fannie Mae is unable to satisfy such obligation, distributions on the Fannie Mae Certificates would consist solely of payments and other recoveries on the underlying mortgage loans. Accordingly, such monthly distributions after a Fannie Mae default could be adversely affected by delinquent payments and defaults on such mortgage loans and could adversely affect payments on the Series 2024B Bonds. Fannie Mae Certificates constitute Fannie Mae Securities under the Indenture.

See the information in APPENDIX D for more information regarding Fannie Mae and its mortgage-backed security program and actions taken in 2008 by the federal government regarding its supervision and regulation of Fannie Mae.

FHLMC Securities

Freddie Mac is a shareholder-owned, government-sponsored enterprise created on July 24, 1970, pursuant to the Federal Home Loan Mortgage Corporation Act (Title III of the Emergency Home Finance Act of 1970, as amended (12 U.S.C. §§ 1451-1459)) (the “Freddie Mac Act”). Freddie Mac is also subject to the supervision and regulation of the Federal Housing Finance Authority to the extent provided in HERA. Furthermore, Freddie Mac has operated under conservatorship with the FHFA as Conservator since September 6, 2008. Upon its appointment, FHFA, as Conservator, immediately succeeded to all rights, titles, powers and privileges of Freddie Mac and of any stockholder, officer or director of Freddie Mac with respect to Freddie Mac and its assets. The Authority cannot predict the long-term consequences of the conservatorship of this entity and the corresponding impact on the participants and the Program.

Freddie Mac issues UMBS guaranteed by Freddie Mac (“Freddie Mac Certificates”) under its Guarantor Program (as defined in Appendix D hereto). Freddie Mac Certificates are issued only in book-entry form through the Federal Reserve Banks’ book-entry system. Each Freddie Mac Certificate represents an undivided interest in a pool of mortgages. Payments by borrowers on the mortgages in the pool are passed through monthly by Freddie Mac to record holders of the Freddie Mac Certificates representing interests in that pool. All of the mortgages are either conventional mortgages or mortgages guaranteed or insured by FHA, the Department of Veterans Affairs, the U.S. Department of Agriculture Rural Development, or HUD (“FHA/VA Mortgages”). Conventional mortgages are pooled separately from FHA/VA mortgages. Freddie Mac issues two types of Freddie Mac Certificates — Gold PCs and ARM PCs. Gold PCs are backed by (i) fixed-rate, level payment, fully amortizing mortgages, (ii) fixed-rate Initial Interest Mortgages, or (iii) Modified Mortgages with or without Step Rate Increases. ARM PCs are backed by adjustable rate mortgages. In connection with its single security initiative, Freddie Mac has ceased issuing new Gold PCs as of June 3, 2019. As of June 3, 2019, the Freddie Mac Certificates are UMBS.

See the information in APPENDIX D for more information regarding FHLMC and its mortgage-backed security program.

Participation Agreements

Under the General Indenture, a Mortgage-Backed Security or Mortgage Loan purchased with proceeds of Bonds may be a participation interest in a GNMA Security, Fannie Mae Security or FHLMC Security, or a participation interest in a loan described under “Mortgage Loans” above, financed in part with funds under the General Indenture and in part with funds under another bond resolution or indenture of the Authority. In such cases, the underlying security or loan, and the participation interest therein financed by such other bond resolution or indenture, is not Pledged Property under the General Indenture. Pursuant to a Participation Agreement, principal payments and prepayments on such a security or loan would be allocated between the General Indenture and such other bond resolution or indenture according to a specified ratio, generally expected to be in proportion to the respective amount financed, but interest payments may be allocated in different proportion, such that the effective interest rate, or yield, to the General Indenture on the principal amount of the participation financed with funds under the General Indenture may be higher or lower than the interest rate of the underlying security or loan. A portion of the Mortgage-Backed Securities to be purchased with amounts deposited to the 2024 Series B Program Account are expected to be such participation interests in GNMA Securities, Fannie Mae Securities, and FHLMC Securities, as described under the caption “PLAN OF FINANCE” below.

Series Program Determinations

The Series Indenture for each Series of Bonds may include Series Program Determinations establishing additional requirements of the Mortgage Loans eligible to be purchased with proceeds of such Bonds. Series Program Determinations may vary between Series of Bonds under the General Indenture.

Master Servicer

Acting pursuant to a Mortgage Servicing Agreement, dated as of December 27, 2018 (the “Master Servicing Agreement”), between U.S. Bank National Association (the “Master Servicer”) and the Authority, as amended from time to time, the Master Servicer will purchase Mortgage Loans from those qualified mortgage lending institutions participating in the General Indenture Program (each a “Mortgage Lender”). The Master Servicer will issue the GNMA Securities or acquire the Fannie Mae Securities and Freddie Mac Certificates with respect to such Mortgage Loans. The Master Servicer is required to be, and is, an FHA-, VA- and USDA/RD-approved mortgagee, an approved issuer of GNMA Securities, a Fannie Mae-approved seller and servicer of Fannie Mae Securities and a Freddie Mac-approved seller and servicer of Freddie Mac Certificates.

Servicing of Mortgage Loans

Mortgage Loans supporting or represented by the Mortgage-Backed Securities held and pledged under the General Indenture will be serviced by the Master Servicer in accordance with the Master Servicing Agreement and the GNMA Guide, the Fannie Mae Guide or the FHLMC Guide, as applicable.

The Master Servicer is required to remit to the Trustee all scheduled payments of principal, interest and any principal prepayments that are payable with respect to the applicable GNMA Security, Fannie Mae Security or FHLMC Security when any of the same shall be due and payable (excluding the payments on a GNMA Security, Fannie Mae Security or FHLMC Security received in the month such GNMA Security, Fannie Mae Security or FHLMC Security is purchased) and to meet all of its obligations under the GNMA Guide, the GNMA Guaranty Agreements, the Fannie Mae Guide and the Fannie Mae Pool Purchase

Contract, the FHLMC Guide and the FHLMC Pool Purchase Contract or contractual agreements entered into between the Master Servicer and GNMA, Fannie Mae or FHLMC.

As of December 31, 2023, the following Program Securities (comprised of GNMA Securities, FHLMC Securities, and Fannie Mae Securities) were pledged to secure Outstanding Bonds under the Indenture:

SEE APPENDIX A – “CERTAIN INFORMATION CONCERNING THE GENERAL INDENTURE PROGRAM.”

Reserve Fund

The General Indenture establishes a Reserve Fund to be used to pay debt service on Bonds to the extent amounts available in the Revenue Fund are insufficient. The General Indenture establishes a Reserve Requirement, as of any particular date of calculation, equal to the sum of all amounts established as Series Reserve Requirements in the respective Series Indentures for the Bonds Outstanding. The Series Reserve Requirement for the Series 2024B Bonds is zero dollars (\$0).

On each debt service payment date, after paying debt service on Bonds, any Hedge Payments payable from the Revenue Fund, various credit or liquidity fees and Expenses, amounts in the Revenue Fund are required to be transferred to the Reserve Fund until the amount on deposit in the Reserve Fund equals the Reserve Requirement.

Cash Flow Statements and Rating Certificates

General. The General Indenture allows the Authority to take various actions subject to filing with the Trustee a Cash Flow Statement (or Cash Flow Certificate) and a Rating Certificate. A Cash Flow Statement is a certificate of an Authorized Representative stating that each set of cash flow projections included in the certificate demonstrates that there will at all times be available sufficient amounts in the Funds and Accounts to pay timely all principal of and interest on the Bonds, and to make when due all Hedge Payments that are payable from the Revenue Fund (as provided in a Series Indenture or in a Supplemental Indenture pursuant the General Indenture), and to fund the Reserve Fund to the Reserve Fund Requirement, and to pay Expenses described in clause (i) of the definition thereof in the General Indenture, under the assumptions set forth in the Cash Flow Statement. A Rating Certificate is a Certificate stating that the Authority has been advised by each Rating Agency (including by means of published rating criteria) that the then Rating of the Bonds by the Rating Agency will not be reduced as a result of the actions to be taken by the Authority. A Cash Flow Statement must be filed with the Trustee in connection with the issuance of the Series 2024B Bonds.

A Cash Flow Statement may include a single set of cash flow projections or more than one set of cash flow projections, and each set of projections shall set forth the assumptions, which shall be consistent

with the Authority's reasonable expectations at the time such Cash Flow Statement is filed, as to actions to be taken pursuant to the Indenture and as to the characteristics and behavior of Pledged Property and of the Authority's payment obligations under the Indenture, upon which such projections are based. Amounts credited to the Special Program Fund (other than amounts restricted to the payment of debt service on the Bonds) shall not be taken into account when preparing a Cash Flow Statement.

A Cash Flow Certificate or a Cash Flow Statement, as appropriate, and a Rating Certificate are required prior to the Authority taking any of the following actions:

1. issuing any Series of Bonds;
2. making certain supplements or amendments to a Series Indenture including, without limitation, Series Program Determinations;
3. entering into any Hedge Agreement;
4. remarketing any Bonds in connection with a change in tender period except as required at the time of their issuance; or
5. causing amounts to be transferred from the Authority Program Accounts to the Authority.

In addition to the above requirements, prior to taking certain other actions, the General Indenture requires the Authority to file with the Trustee a Cash Flow Certificate or a Cash Flow Statement. A Cash Flow Certificate with respect to any action is a Certificate stating that the action is consistent with the assumptions set forth in the most recently filed Cash Flow Statement. The actions for which either a Cash Flow Certificate or a Cash Flow Statement must be filed are:

1. any purchase or redemption of Bonds (other than mandatory redemption pursuant to Sinking Fund Requirements, other mandatory redemptions as provided in a Series Indenture, certain other purchases of Bonds as provided in the General Indenture, and any purchase or redemption of Bonds that is consistent with the assumptions set forth in the most recently filed Cash Flow Statement);
2. withdrawals of amounts from the Revenue Fund to pay Expenses in excess of (or other than) those specified in a Series Indenture, or to a Series Program Account or Authority Program Account, or to the Authority free and clear of the pledge and lien of the Indenture;
3. any amendment or sale or other disposition of any Mortgage Loan not in default or Mortgage-Backed Securities not in default that would cause the aggregate principal amount of the Mortgage Loans and Mortgage-Backed Securities amended or sold or disposed of since filing of the last Cash Flow Statement to exceed five percent (5%) of the aggregate principal amount of all Mortgage Loans and Mortgage-Backed Securities;
4. any use of Recoveries of Principal with respect to Mortgage Loans or Mortgage-Backed Securities (other than Mortgage Loans or Mortgage-Backed Securities acquired solely with amounts in any Authority Program Account) for any use other than purchase or redemption of Bonds or payment of scheduled debt service;
5. any transfer of amounts from the Redemption Account to an Account of the Program Fund pursuant to the General Indenture;

6. any payment of Expenses described in clause (ii) of the definition thereof in the General Indenture; or
7. making any material change not consistent with the assumptions set forth in the most recently filed Cash Flow Statement.

For information concerning assumptions made by the Authority in connection with its delivery of the Cash Flow Certificate for the issuance of the Series 2024B Bonds, see information under the caption “ASSUMPTIONS REGARDING REVENUES, DEBT SERVICE REQUIREMENTS AND PROGRAM EXPENSES.”

Additional Bonds

Under the General Indenture, the Authority may issue additional Bonds on parity with Outstanding Bonds for the purpose of financing Mortgage Loans, financing Mortgage-Backed Securities, making deposits in Funds and Accounts under the General Indenture, refunding Bonds or other Authority obligations, or any other lawful purposes of the Authority as specified in a Series Indenture. Additional Series of Bonds may be issued only upon filing a Cash Flow Certificate or a Cash Flow Statement, as appropriate, and a Rating Certificate with the Trustee. See “Cash Flow Statements and Rating Certificates” above.

PLAN OF FINANCE

The Authority expects to use proceeds of the Series 2024B Bonds, together with other funds of the Authority, to: (a) finance qualifying mortgage loans through the purchase of, or reimbursement of the prior purchase of, Mortgage-Backed Securities (or participation interests in such Mortgage-Backed Securities); (b) pay or reimburse the Authority for certain costs incurred in connection with the issuance of the Series 2024B Bonds; (c) pay accrued interest on the Series 2024B Bonds, if required; (d) fund reserve funds, if required; and (e) finance servicing release premiums and payments to lenders.

THE GENERAL INDENTURE PROGRAM

The description of the General Indenture Program that follows reflects the current policies of the Authority and is subject to change, including in connection with the issuance of additional Bonds, which will be secured on a parity basis with the Series 2024B Bonds.

General

The purpose of the General Indenture Program is to provide funds to acquire Mortgage-Backed Securities with amounts available under the Series Program Accounts, which Mortgage-Backed Securities are backed by Mortgage Loans made to eligible borrowers (“Eligible Borrowers”) for owner-occupied, one-to four-unit residences (“Qualified Residences”). Under the General Indenture, the Authority may also purchase Mortgage Loans (which are not underlying Mortgage-Backed Securities) made to Eligible Borrowers for Qualified Residences in accordance with the requirements of State and federal law and the General Indenture, and may offer Eligible Borrowers down payment assistance or closing cost assistance.

Under the Authority’s current program, Eligible Borrowers may receive second-lien loans for such down payment assistance or closing cost assistance (“Assistance Loans”): (i) in the amount of \$10,000 with a term of 10 years, bearing interest at 0% per annum with equal monthly payments of principal to amortize the loan over its term; or (ii) in the amount of \$7,500 with a term of 5 years, bearing interest at 0% per annum with equal amounts of principal forgiven each month over its term; or (iii) in an amount of 4% of the purchase price, not to exceed \$6,000, with a term of 10 years, bearing interest at 0% per annum with equal amounts of principal forgiven each month over its term; or (iv) in an amount of 5% of the purchase price, not to exceed \$7,500 with a term of 30 years, unless repaid sooner in the event of a refinance or sale of the property, at which time the funds will be due bearing interest at 0% per annum. Any remaining balance of an Assistance Loan is due upon the refinancing of the borrower’s first-lien mortgage loan.

Mortgage-Backed Securities

Each Mortgage-Backed Security purchased by the Authority under the General Indenture must be a GNMA Security, a Fannie Mae Security or an FHLMC Security (or a participation interest in any of them pursuant to a Participation Agreement). Each Mortgage Loan underlying a Mortgage-Backed Security must meet the general conditions of the Authority’s General Indenture Program as well as all other conditions of GNMA, Fannie Mae or FHLMC, as the case may be, all as set forth in the Master Servicing Agreement, the Master Servicer Lender Guide and the GNMA Guide, the Fannie Mae Guide and the FHLMC Guide, as the case may be (the “Program Agreements”).

Under the Master Servicing Agreement, the Master Servicer determines the eligibility of Mortgage Loans prior to pooling them for the purpose of issuing a Mortgage-Backed Security for purchase by the Authority. Each Mortgage Loan that backs a GNMA Security must be FHA-insured or VA- or USDA/RD-guaranteed, and each Mortgage Loan that backs a Fannie Mae Security or an FHLMC Security must be insured by a private mortgage insurance policy (if in an amount in excess of certain loan-to-value ratios). Further, each Mortgage Loan that backs a Mortgage-Backed Security must (i) be made only to an Eligible Borrower for the purpose of providing financing for the purchase, or in certain circumstances set forth in a Series Indenture, the refinancing, of a Qualified Residence and (ii) meet the origination and loan-to-value standards set forth in the Program Agreements. The maximum loan-to-value ratio will be the FHA maximum with respect to the FHA-insured Mortgage Loans, the VA maximum with respect to VA-guaranteed Mortgage Loans, the USDA/RD maximum with respect to USDA/RD-guaranteed Mortgage Loans and the Fannie Mae and FHLMC maximums, as the case may be, with respect to conventional Mortgage Loans. Each Mortgage Loan underlying a Mortgage-Backed Security will provide for substantially level monthly payments of principal and interest on the first day of each month.

Program Eligibility

Under the Act, the Authority may acquire Mortgage-Backed Securities consisting of pools of Mortgage Loans secured by a lien on real property located within the State and improved by a residential structure, or unimproved if the Mortgage Loan proceeds are used for the erection of a residential structure.

The Authority has adopted rules and regulations for Mortgage Loans governing, among other things, the types of residences, the eligibility requirements for borrowers, the mortgage lenders and the Mortgage Loans.

The General Indenture provides that the details of the Mortgage Loans to be purchased with the proceeds of a Series of Bonds or to be pooled into Mortgage-Backed Securities to be purchased with the proceeds of a Series of Bonds must conform to any Series Program Determinations set forth in the related Series Indenture.

The Authority will adjust the limitations on Eligible Borrower household gross income and acquisition costs from time to time in accordance with requirements of the Code. There is no assurance that any such adjustments will not reduce the maximum Eligible Borrower household gross income or the maximum acquisition cost applicable to the General Indenture Program.

Origination and Purchase of Mortgage-Backed Securities

Historically, the Authority purchased Mortgage Loans from Mortgage Lenders which were approved by the Authority and which entered into mortgage purchase agreements with the Authority (each, a “Purchase Agreement”). The Purchase Agreement, together with the Master Servicing Agreement, allows Mortgage Lenders to originate and sell Mortgage Loans to U.S. Bank National Association, as master servicer (the “Master Servicer”) in order that the Master Servicer may pool such Mortgage Loans into Mortgage-Backed Securities and sell them to the Authority. The terms of the Purchase Agreements are subject to change so long as there is compliance with State and federal law and the Indenture.

Mortgage Lenders must process all Mortgage Loans in compliance with the requirements of the Purchase Agreements and the Master Servicing Agreement. The Mortgage Lender performs the initial underwriting of the Mortgage Loan. Credit underwriting must be in compliance with:

- (i) accepted mortgage industry underwriting standards;
- (ii) for Mortgage Loans required to have private mortgage insurance, standards approved by the qualified private mortgage insurer;
- (iii) for Mortgage Loans that are FHA-insured, VA-guaranteed or USDA/RD-guaranteed, standards specified by the applicable agency; and
- (iv) for Mortgage Loans that are to be pooled into Mortgage-Backed Securities, standards specified in the Program Agreements. The Authority’s procedure manual emphasizes use of FHA underwriting guidelines (other than with respect to VA-insured Mortgage Loans or USDA/RD-guaranteed Mortgage Loans, which shall be subject to VA or USDA/RD underwriting guidelines, respectively).

The Mortgage Lender must obtain an application package consisting of all required credit and employment information, appraisals, affidavits, certificates and other documents required by the Master Servicer Lender Guide and forward the application package to the Master Servicer. The Master Servicer, in accordance with the applicable procedures under the Master Servicing Agreement, reviews the compliance package and mortgage file for each Mortgage Loan to be pooled in order to back a Mortgage Security and determines its acceptability before pooling them into a related Mortgage-Backed Security.

The Authority purchases Mortgage-Backed Securities backed by pools of Mortgage Loans in accordance with the provisions of the Master Servicing Agreement. All Mortgage Loans financed through

the acquisition of Mortgage-Backed Securities must meet (i) any requirements outlined in the applicable Series Program Determination, (ii) the requirements of the GNMA Guide, the Fannie Mae Guide or the FHLMC Guide, as applicable, and (iii) the requirements of the Master Servicing Agreement. The purchase price for Mortgage Loans underlying Mortgage-Backed Securities will be the price set forth in the Master Servicing Agreement, as amended from time to time.

Loan Servicing

Pursuant to the Master Servicing Agreement with the Master Servicer, the Master Servicer is responsible for servicing the Mortgage Loans underlying the Mortgage-Backed Securities. Such Mortgage Loans must be in the form of a mortgage or other instrument approved by the FHA in the case of an FHA insured loan, USDA/RD in the case of a loan guaranteed by USDA/RD, Fannie Mae or FHLMC in the case of a conventional loan, or as approved by the Authority for other loans and which meets the requirements set forth in the Purchase Agreement.

Pursuant to the Master Servicing Agreement, the Master Servicer is expected to issue GNMA Securities, and acquire Fannie Mae Securities and FHLMC Securities, in each case backed by Mortgage Loans which the Master Servicer has purchased from the Mortgage Lenders, and sell such Mortgage-Backed Securities to the Authority. From time to time proceeds of Bonds will be used to reimburse the Authority for the purchase price of Mortgage-Backed Securities (which meet the requirements of the General Indenture Program and the applicable Series Program Determinations) previously purchased by the Authority. Upon such reimbursement, those Mortgage-Backed Securities are transferred to the General Indenture as Pledged Property.

Under the Master Servicing Agreement, the Master Servicer is primarily responsible for the purchase, pooling and servicing of Mortgage Loans that underlie Mortgage-Backed Securities that are to be purchased by the Authority under the General Indenture Program.

Under the terms of the Master Servicing Agreement, the Master Servicer must service the applicable Mortgage Loans in accordance with generally accepted practices of the mortgage lending industry, the Master Servicing Agreement and with the requirements of the GNMA Guide, Fannie Mae Guide or FHLMC Guide, as applicable, including maintenance of all accounts required thereby, cause monthly principal and interest payments under the GNMA Securities, Fannie Mae Securities and FHLMC Securities to be paid to the Trustee in accordance with the GNMA Guide, the Fannie Mae Guide or FHLMC Guide, and perform all loan servicing duties in accordance and in compliance with the applicable mortgage loan guarantors, mortgage loan insurer's (FHA-HUD), private mortgage loan insurers', and mortgage loan security agencies' (GNMA, Fannie Mae, Freddie Mac) published guidelines.

The Master Servicer has agreed not to consent to any changes in the terms and conditions of any Mortgage Loan, the release of specified property from the lien of a Mortgage or the grant of an easement or right of way upon property securing a Mortgage Loan, except any such amendment, release or grant which is not inconsistent with or prejudicial to the rights and interests of GNMA, Fannie Mae or FHLMC, the Authority, the Trustee or the owners of the Bonds; provided that no such change may affect the time or amounts of payment of principal and interest on any Mortgage Loan or the obligation to pay taxes and maintain insurance on the property securing any Mortgage Loan at the times and in the manner specified in the Purchase Agreements.

The Master Servicer must diligently enforce and take all reasonable steps, actions and the proceedings necessary for the enforcement of all terms, covenants and conditions of all Mortgage Loans, including the prompt payment of all Mortgage Loan principal and interest payments and all other amounts due thereunder and compliance with all provisions of the Purchase Agreements. Except as provided in the

Purchase Agreements, the Master Servicer has agreed not to release the obligations of any mortgagor under any Mortgage Loan.

The Master Servicer must undertake reasonable efforts to collect all payments required under the terms and provisions of the Mortgage Loans it is obligated to service. The Master Servicer shall, at a minimum, take the following actions in an effort to mitigate the potential for losses resulting from delinquent Mortgage Loans: (i) if a Mortgage Loan becomes delinquent for 17 days, contact the mortgagor via automated telephone call; (ii) if a Mortgage Loan is delinquent for more than 17 days but less than 30 days, contact the mortgagor via a second automated telephone call; (iii) if a Mortgage Loan is delinquent for more than 30 days, contact the mortgagor via personal telephone call; (iv) if a Mortgage Loan is delinquent for more than 30 days but less than 60 days, contact the mortgagor by written notice and personal telephone call; and (v) if a Mortgage Loan is delinquent for more than 60 days, send to the mortgagor any loss mitigation materials deemed appropriate by the Master Servicer and offer to the mortgagor extended delinquencies options, as permissible.

OTHER SINGLE-FAMILY PROGRAMS OF THE AUTHORITY

Single-Family Mortgage Loan Programs

In addition to the General Indenture Program (which is more fully described under the caption “THE GENERAL INDENTURE PROGRAM”), the Authority has issued bonds to fund its single-family mortgage loan purchase program under its: (a) Homeowner Mortgage Revenue Bonds General Resolution adopted on July 15, 1994, as amended and restated on September 19, 2008 (as subsequently supplemented and amended, the “Homeowner Resolution”); and (b) Residential Mortgage Revenue Bond General Indenture adopted on August 19, 1983 (as amended and supplemented, the “1983 Resolution”). Bonds issued under the Homeowner Resolution are used for the purpose of acquiring Mortgage Loan and Mortgage-Backed Securities. As of December 31, 2023 \$151,540,000.00 aggregate principal amount of Bonds were Outstanding under the Homeowner Resolution. As of December 31, 2023, Mortgage Loans outstanding in the program account under the Homeowner Resolution totaled \$90,658,995.80 and Mortgage-Backed Securities outstanding in the program account under the Homeowner Resolution totaled \$91,771,930.45. Bonds issued under the 1983 Resolution were used for the purpose of purchasing mortgage loans from approved lending institutions located throughout the State, on owner-occupied, one-to-four unit dwellings acquired by eligible buyers. From 1983 through 1993, the Authority issued 32 series of bonds (none of which remain outstanding) under the 1983 Resolution for an aggregate amount of approximately \$1.8 billion in lendable proceeds. The Authority does not expect to issue additional bonds under the 1983 Resolution.

Housing Revenue Bonds

In the years 2011, 2012 and 2013, the Authority issued (i) \$67,638,829 Housing Revenue Bonds, Series 2011 (Mortgage-Backed Securities), (ii) \$40,863,097 Federally Taxable Housing Revenue Bonds, Series 2012A (MBS Pass-Through Program), (iii) \$78,750,000 Housing Revenue Bonds, Series 2013A (MBS Pass-Through Program), (iv) \$21,250,000 Federally Taxable Housing Revenue Bonds, Series 2013B (MBS Pass-Through Program), and (v) \$16,926,210 Housing Revenue Bonds, Series 2013C (MBS Pass-Through Program) (collectively, the “MBS Series”) to acquire mortgage-backed securities relating to homeownership loans. Such bonds supplemented the Authority’s single-family program financing for the period between the issuance of the Authority’s Homeowner Mortgage Revenue Bonds, 2011 Series D and B, and the issuance of the Authority’s Homeowner Mortgage Revenue Bonds, 2014 Series E (Non-AMT) on July 24, 2014. The MBS Series were all issued under closed indentures and are not secured in any way by the General Indenture and, also, do not constitute a general obligation of the Authority.

The MBS Series are fully originated. The Authority reserves the right to issue further similar series of Bonds in the future, some of which might compete with the issuance of future series of Bonds under the General Indenture.

Other Programs

In addition to the General Indenture Program and other single-family programs of the Authority, the Authority has also established various multi-family mortgage loan programs to be used to finance new mortgage loans, and to make additional loans for, multi-family developments.

TAX MATTERS

In the opinion of Ice Miller LLP, Chicago, Illinois, Bond Counsel, under existing federal statutes, decisions, regulations and rulings, interest on the Series 2024B Bonds is not excludable from gross income under Section 103 of the Code for federal income tax purposes.

Bond Counsel is further of the opinion that under the Act, in its present form, the Series 2024B Bonds and all income from the Series 2024B Bonds are free from all taxation of the State of Illinois or its political subdivisions except for estate, transfer and inheritance taxes. Future legislation enacted in the State could alter the State tax status of bonds issued by the Authority prior to enactment. There is no way to predict the scope of future legislative proposals, and whether such proposals, if enacted, will alter the tax status of the Series 2024B Bonds. In addition, the Series 2024B Bonds and the income therefrom may be subject to taxation under the laws of states other than the State of Illinois. See APPENDIX E – “FORM OF OPINION OF BOND COUNSEL” attached hereto.

Although Bond Counsel will render an opinion that interest on the Series 2024B Bonds is not excludable from federal gross income and that interest on the Series 2024B Bonds is free from all taxation of the State of Illinois or its political subdivisions except for estate, transfer and inheritance taxes, the accrual or receipt of interest on the Series 2024B Bonds may otherwise affect a bondholder’s federal income tax or state tax liability. The nature and extent of these other tax consequences will depend upon the bondholder’s particular tax status and a bondholder’s other items of income or deduction. Taxpayers who may be affected by such other tax consequences include, without limitation, financial institutions, certain insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or railroad retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry the Series 2024B Bonds. Bond Counsel expresses no opinion regarding any other such tax consequences. Prospective purchasers of the Series 2024B Bonds should consult their tax advisors with regard to the tax consequences of owning the Series 2024B Bonds.

Tax Status of the Series 2024B Bonds

The following discussion summarizes the material United States federal income tax consequences generally applicable to the purchase, ownership and disposition of Series 2024B Bonds by a beneficial owner thereof (the “Owner”). The discussion is limited to the tax consequences to the initial investors of the Series 2024B Bonds who purchase the Series 2024B Bonds at the issue price within the meaning of Section 1273 of the Code and generally does not address the tax consequences to subsequent purchasers of Series 2024B Bonds. The discussion does not purport to be a complete analysis of all of the potential United States federal income tax consequences relating to the purchase, ownership and disposition of Series 2024B Bonds, nor does this discussion address any state, local, foreign taxes, or federal estate or gift tax consequences. Moreover, there can be no assurance that the IRS will not take a contrary view, and no ruling from the IRS has been, or is expected to be, sought on the issues discussed herein, potentially with retroactive effect. Legislative, judicial, or administrative changes or interpretations may occur that could alter or modify the statements and conclusions set forth herein. Any such changes or interpretations may or may not be retroactive and could adversely affect the tax consequences discussed below. **Interest on the Series 2024B Bonds is not excludable from gross income from federal income tax purposes.**

The following is a summary of certain material federal income tax consequences of holding and disposing of the Series 2024B Bonds. This summary is based upon laws, regulations, rulings and judicial decisions now in effect. Legislative, judicial and administrative changes may occur, possibly with retroactive effect, that could alter or modify the continued validity of the statements and conclusions set forth herein. This summary does not discuss all aspects of federal income taxation that may be relevant to investors. This summary is intended as a general explanatory discussion of the consequences of holding the Series 2024B Bonds generally and does not purport to furnish information in the level of detail or with the investor’s specific tax circumstances that would be provided by an investor’s own tax advisor. For example, except as explicitly provided below, it generally is addressed only to original purchasers of the Series 2024B Bonds that are “U.S. Holders” (as defined below), deals only with Series 2024B Bonds held as capital assets within the meaning of Section 1221 of the Code and does not address tax consequences to holders that may be relevant to investors subject to special rules, such as individuals, trusts, estates,

tax-exempt investors, cash method taxpayers, dealers in securities, currencies or commodities, banks, thrifts, insurance companies, electing large partnerships, mutual funds, regulated investment companies, real estate investment trusts, S corporations, persons that hold Series 2024B Bonds as part of a straddle, hedge, integrated or conversion transaction, and persons whose “functional currency” is not the U.S. dollar. In addition, this summary does not address alternative minimum tax issues or the indirect consequences to a holder of an equity interest in a holder of Series 2024B Bonds. This summary was prepared in connection with the offering of the Series 2024B Bonds. Each prospective investor should consult with its own tax advisor regarding the application of United States federal income tax laws, as well as any state, local, foreign or other tax laws, to such investor’s particular situation.

As used herein, a “U.S. Holder” is a “U.S. person” that is a beneficial owner of a Series 2024B Bond. A “Non-U.S. Holder” is a holder (or beneficial owner) of a Series 2024B Bond that is not a U.S. Person. For these purposes, a “U.S. person” is a citizen or resident of the United States, a corporation or partnership created or organized in or under the laws of the United States or any political subdivision thereof (except, in the case of a partnership, to the extent otherwise provided in Treasury regulations), an estate the income of which is subject to United States federal income taxation regardless of its source or a trust if (i) a United States court is able to exercise primary supervision over the trust’s administration and (ii) one or more United States persons have the authority to control all of the trust’s substantial decisions. If a partnership (or an entity taxable as a partnership) holds Series 2024B Bonds, the United States federal income tax treatment of a partner generally will depend upon the status of the partner and the tax status of the partnership. Partners of partnerships holding Series 2024B Bonds should consult their own tax advisors with regard to the U.S. federal income tax treatment of the purchase, ownership and disposition of the Series 2024B Bonds.

The Series 2024B Bonds will be treated, for federal income tax purposes, as a debt instrument. Accordingly, interest will be included in the income of the holder as it is paid (or, if the holder is an accrual method taxpayer, as it is accrued) as interest.

If the excess of the stated redemption price at maturity of a Series 2024B Bond over its “issue price” exceeds a specified de minimis amount (generally equal to 0.25% of the stated redemption price at maturity multiplied by the number of complete years to maturity), the excess is treated as original issue discount (“OID”). The issue price of the Series 2024B Bonds is the first price at which a substantial amount of the Series 2024B Bonds is sold to the public. The issue price of the Series 2024B Bonds is expected to be the amount set forth on the inside cover pages of this Official Statement but is subject to change based on actual sales.

With respect to a U.S. Holder that purchases in the initial offering a Series 2024B Bond issued with OID, the amount of OID that accrues during any accrual period equals (i) the “adjusted issue price” of the Bond at the beginning of the accrual period (which price equals the issue price of such Series 2024B Bond plus the amount of OID that has accrued on a constant-yield basis in all prior accrual periods minus the amount of any payments, other than “qualified stated interest,” received on the Series 2024B Bond in prior accrual periods) multiplied by (ii) the yield to maturity of such Series 2024B Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of each accrual period) less (iii) any qualified stated interest payable on the Series 2024B Bond during such accrual period. The amount of OID so accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period.

A U.S. Holder of a Series 2024B Bond issued with OID must include in gross income for federal income tax purposes the amount of OID accrued with respect to each day during the taxable year that the U.S. Holder owns a Series 2024B Bond. Such an inclusion in advance of receipt of the cash attributable to the income is required even if the U.S. Holder is on the cash method of accounting for United States federal

income tax purposes. The amount of OID that is includible in a U.S. Holder's gross income will increase the U.S. Holder's tax basis in a Series 2024B Bond. The adjusted tax basis in a Series 2024B Bond will be used to determine taxable gain or loss upon a disposition (for example, upon a sale or retirement) of the Series 2024B Bond.

A holder of a Series 2024B Bond who purchases such Series 2024B Bond at a cost that exceeds the stated principal amount of such Series 2024B Bond will have amortizable bond premium equal to such excess. If the holder elects to amortize the bond premium, such election will apply to all Series 2024B Bonds held by the holder on the first day of the taxable year to which the election applies, and to all Series 2024B Bonds thereafter acquired by the holder. The premium must be amortized using constant yield principles based on the purchaser's yield to maturity. Amortizable bond premium is generally treated as an offset to interest income, but a reduction in basis is required for amortizable bond premium even though such premium is applied to reduce interest payments. Bond premium on a Series 2024B Bond held by a holder that has not elected to amortize bond premium will decrease the gain or loss otherwise recognized on the disposition of the Series 2024B Bond.

If a holder purchases the Series 2024B Bonds after the initial offering for an amount that is less than the principal amount of the Series 2024B Bonds, and such difference is not considered to be de minimis, then such discount will represent market discount that ultimately will constitute ordinary income (and not capital gain). Further, absent an election to accrue market discount currently, upon a sale or exchange of a Series 2024B Bond, a portion of any gain will be ordinary income to the extent it represents the amount of any such market discount that was accrued through the date of sale. In addition, absent an election to accrue market discount currently, the portion of any interest expense incurred or continued to carry a market discount Bond that does not exceed the accrued market discount for any taxable year, will be deferred.

Medicare Tax

An additional 3.8% tax will be imposed on the net investment income (which includes interest, original issue discount and gains from a disposition of a Series 2024B Bond) of certain individuals, trusts and estates. Prospective investors in the Series 2024B Bonds should consult their tax advisors regarding the possible applicability of this tax to an investment in the Series 2024B Bonds.

Sale and Exchange of a Series 2024B Bond; Defeasance

Upon a sale or exchange of a Series 2024B Bond, a holder generally will recognize gain or loss on the Series 2024B Bonds equal to the difference between the amount realized on the sale and its adjusted tax basis in such Series 2024B Bond. Such gain or loss generally will be capital gain (although any gain attributable to accrued market discount of the Series 2024B Bond not yet taken into income will be ordinary) if the holder holds a Series 2024B Bond as a capital asset. The adjusted basis of the holder in a Series 2024B Bond (without OID) will (in general) equal its original purchase price and decreased by any payments received on the Series 2024B Bond. In general, if the Series 2024B Bond is held for longer than one year, any gain or loss would be long term capital gain or loss, and capital losses are subject to certain limitations.

If the Series 2024B Bonds are legally defeased, under current tax law a holder will be deemed to have sold or exchanged such Series 2024B Bond. In the event of such a legal defeasance, a holder generally will recognize gain or loss on the deemed exchange of the Series 2024B Bond. Ownership of the Series 2024B Bonds after a deemed sale or exchange as a result of a legal defeasance may have tax consequences different than those described in this "TAX MATTERS" section and each holder should consult its own tax advisor regarding the consequences to such holder of a legal defeasance of the Series 2024B Bonds.

Backup Withholding

The Trustee must report annually to the IRS and to each U.S. Holder any interest that is payable to the U.S. Holder, subject to certain exceptions. Backup withholding is not an additional tax. The amount of any backup withholding from a payment to a U.S. Holder will be allowed as a credit against the U.S. Holder's federal income tax liability and may entitle the owner to a refund, provided that the required information is timely furnished to the IRS. U.S. Holders should consult their tax advisors concerning the application of information reporting and backup withholding rules.

Certain U.S. Federal Income and Estate Tax Consequences to Non-U.S. Holders

This section describes certain U.S. federal income and estate tax consequences to Non-U.S. Holders.

Payments of interest (including OID) on a Series 2024B Bond to an owner that is not a United States Holder (a "*Non-U.S. Holder*") are generally not subject to United States federal income tax or nonresident withholding tax so long as the requirements under Code Section 871(h) are satisfied, including that:

- the Non-U.S. Holder is not actually or constructively a "10-percent shareholder" under Section 871(h) or 881(c)(3)(B) of the Code;
- the Non-U.S. Holder is not, for United States federal income tax purposes, a controlled foreign corporation with respect to which the Authority is a "related person" within the meaning of Section 881(c)(3)(C) of the Code;
- the Non-U.S. Holder is not a bank receiving interest described in Section 881(c)(3)(A) of the Code;
- the certification requirements under Section 871(h) or 881(c) of the Code and regulations (summarized below) are met; and
- the Series 2024B Bond interest is not effectively connected with the conduct by the Non-U.S. Holder of a trade or business in the United States under Section 871(b) or Section 882 of the Code.

In order to obtain the exemption from income and withholding tax, either (1) the Non-U.S. Holder must provide its name and address, and certify, under penalties of perjury on Internal Revenue Service Form W-8BEN, W-8BEN-E, W-8IMY or W-8EXP, as applicable, to the Authority, its paying agent, or other applicable withholding agent as the case may be, that such Owner is a Non-U.S. Holder or (2) a securities clearing organization, bank or other financial institution that holds customers' securities in the ordinary course of its trade or business ("Financial Institution") and holds a Series 2024B Bond on behalf of the Non-U.S. Holder, must certify, under penalties of perjury, to the Authority or its paying agent that such certificate has been received from the Owner by it or by any intermediary Financial Institution and must furnish the Authority or its paying agent with a copy of the certificate. A certificate is generally effective only with respect to payments of interest made to the certifying Non-U.S. Holder after issuance of the certificate in the calendar year of its issuance and the two immediately succeeding calendar years. A Non-U.S. Holder who does not satisfy the exemption requirements under Code Section 871(h) is generally subject to United States withholding tax on payments of interest (including OID).

Interest on a Series 2024B Bond (including OID) that is effectively connected with the conduct of a United States trade or business by the Non-U.S. Holder is generally subject to United States federal income tax in the same manner as with a United States Owner, except to the extent otherwise provided under an applicable tax treaty. Effectively connected interest income received by a corporate Non-U.S. Holder may also, under certain circumstances, be subject to an additional branch profits tax. Effectively connected interest income will not be subject to withholding tax if the Non-U.S. Holder delivers a properly completed Internal Revenue Service Form W-8ECI to the Trustee.

Foreign Account Tax Compliance Act

Pursuant to the Foreign Account Tax Compliance Act (commonly referred to as “FATCA”), foreign financial institutions (which term includes most foreign banks, hedge funds, private equity funds, mutual funds, securitization vehicles and other investment vehicles) and certain other foreign entities generally must comply with certain information reporting rules with respect to their U.S. account holders and investors or confront a withholding tax on U.S.-source payments made to them (whether received as a Beneficial Owner or as an intermediary for another party). A foreign financial institution or such other foreign entity that does not comply with the FATCA reporting requirements will generally be subject to a 30% withholding tax with respect to any “withholdable payments.” For this purpose, withholdable payments generally include U.S.-source payments otherwise subject to nonresident withholding tax (e.g., U.S.-source interest including OID) and also include the entire gross proceeds from the sale or other disposition of any debt instruments of U.S. issuers, even if the payment would otherwise not be subject to U.S. nonresident withholding tax (e.g., because it is capital gain). Under the applicable final Treasury regulations, withholding under FATCA, if required, generally will apply to payments of U.S.-source interest on the bonds and to payments of gross proceeds from dispositions (including redemptions) of the bonds. However, the IRS issued proposed Treasury regulations that eliminate withholding on payments of gross proceeds (but not on payments of interest). Pursuant to the proposed Treasury regulations, the Authority and any applicable withholding agent may (but are not required to) rely on this proposed change to FATCA withholding until the final regulations are issued or the proposed regulations are withdrawn. Foreign financial institutions located in jurisdictions that have an intergovernmental agreement with the United States pursuant to FATCA may be subject to different rules with respect to information reporting and related requirements.

The Authority will not pay any additional amounts in respect of any amounts withheld, including pursuant to FATCA. Under certain circumstances, a holder might be eligible for refunds or credits of such taxes. Holders are urged to consult with their own tax advisors regarding the effect, if any, of the FATCA provisions to them based on their particular circumstances.

LEGAL MATTERS

The legality of the Series 2024B Bonds will be approved by the legal opinion of Ice Miller LLP, Chicago, Illinois, Bond Counsel. to their issuance or sale or the pledge or application of any moneys or the security provided for the payment of the Bonds, including the Series 2024B Bonds, or that contests the existence of the Authority.

The Authority may from time to time be a party to litigation incident to the conduct of its programs. State laws governing specific types of investors may, however, impose restrictions on such investors with respect to the legality of purchases of the Series 2024B Bonds and may also contain limitations that permit purchases of the Series 2024B Bonds only with specified percentages of their assets.

There is no assurance that the rating that has been assigned to the Series 2024B Bonds will continue for any given period of time or that such rating will not be revised or withdrawn entirely by the Rating Agency if, in the judgment of the Rating Agency, circumstances so warrant. A downward revision or withdrawal of a rating may have an adverse effect on the market price of the Series 2024B Bonds.

The Honorable J.B. Pritzker
Office of the Governor
207 S. Spring St.
Springfield, Illinois 62704

Dear Governor Pritzker, Members of the IHDA Board, and citizens of Illinois:

It is our pleasure to present the Audited Comprehensive Financial Statement for the Illinois Housing Development Authority (“IHDA”, “the Authority”) for the fiscal year ended Friday, June 30, 2023, which provides an in-depth, detailed analysis of our financial transactions and standing for the fiscal year. Management assumes full responsibility for the completeness and reliability of the information contained in the report, based upon the design, implementation, and maintenance of a framework of internal control that it has established to ensure the Authority’s financial statements are free from material misstatement, whether due to fraud or error. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide a reasonable, rather than absolute, assurance that the financial statements are free of any misstatements.

The Authority is required to have an annual audit in accordance with the Governmental Account Audit Act (50 ILCS 310/2) and to file a complete audit, including annual financial statements, to the Illinois Office of the Comptroller. Information related to the single audit, including a schedule of expenditures of federal awards and the required independent auditors’ reports is included in the audit report.

This report has been prepared in accordance with Generally Accepted Accounting Principles (GAAP) and in conformance with the financial reporting principles and standards established by the Governmental Accounting Standards Board (GASB). Additionally, this report follows the guidelines recommended by the Government Finance Officers Association of the United States and Canada (GFOA) and will be submitted for its review and evaluation.

Reporting Entity

IHDA was created in 1967 by an act of the Illinois General Assembly for the purposes of assisting in the financing of decent, safe, and sanitary housing for persons and families of low- and moderate-income in the State and assisting in the financing of residential mortgages in the State. To accomplish its mission, the Authority is authorized to make mortgage or other loans to nonprofit corporations and limited profit entities for the acquisition, construction, or rehabilitation of affordable housing. IHDA is also authorized to issue bonds and notes to fulfill its corporate purposes, including making mortgage and construction loans to fund affordable rental housing and the financing of residential mortgage loans to encourage affordable homeownership.

Over the years, the Authority's scope has expanded to address the diverse housing challenges facing residents of Illinois. Today, IHDA administers a variety of state and federally funded programs focused on the following key areas:

1. Multifamily and Single-Family Housing Finance;
2. Community Revitalization;
3. Planning and Capacity Building;
4. Foreclosure and Eviction Prevention; and
5. Coordination with Other Public and Private Agencies.

The Authority implements an executive budget every fiscal year. The executive budget is reviewed and approved by the Executive Director, monitored for compliance monthly, and any use of the general fund beyond the approved executive budget must be approved by the Executive Director. This annual budget serves as the basis for the Authority's financial planning and control.

Economic Conditions and Outlook

According to estimates from U.S. Census Bureau, Illinois' population in 2022 was 12,582,032 a decrease of 89,437 from the population reported in the 2021. This represents a .01% year-over-year decrease compared to a national population increase of 0.004% in that same time.

Illinois' median household income was \$76,708 in 2022, 2.6% above the national median of \$74,755. The State's unemployment rate at the close of FY2023 was 4.5%, down from 4.7% at the end of FY2022 but .07% higher than the national unemployment rate of 3.8%. An estimated 11.9% of the State's population is below the federal poverty level compared to a national poverty rate of 12.6%.

Total housing production in Illinois increased in 2022 with permits issued for 20,550 residential units, up from 19,658 units in 2021 but still below 2019 and 2018 when 20,524 and 21,510 units were authorized respectively. Illinois' rate of homeownership, as reported by the U.S. Census Bureau, was 67.1% in 2022, compared to a national rate of 65.2%. The median monthly housing costs paid by Illinois homeowners with a mortgage was \$1,804 compared to the national median of \$1,775, while the median gross rent paid by Illinois tenants was \$1,170 compared to the national median of \$1,300. Recent studies have found that an estimated 23.1% of homeowners and 46.6% of renters in Illinois are considered housing cost-burdened.

Current Major Initiatives

It is IHDA's mission to finance the creation and preservation of affordable housing in Illinois. During these times of economic challenges, the Authority maintains a proactive and innovative approach to fulfilling this mission in service to low-income and moderate-income families, seniors, persons with disabilities, persons at risk of homelessness, and special needs populations in Illinois.

Affordable Rental Housing

IHDA made significant progress in multifamily finance in FY2023, leveraging state and federal resources with access to private capital to create affordable housing for families, seniors, and people with special needs. During the course of the year, IHDA allocated \$586.7 million in state and federal resources, awarded state and federal tax credits that generated \$594.6 million in private investment, and leveraged an additional \$357 million in non-Authority resources to finance the construction or preservation of 54 affordable rental developments in communities throughout the State. Located in 34 cities across 18 counties, these properties contain 4,748

ILLINOIS HOUSING DEVELOPMENT AUTHORITY

YEAR ENDED JUNE 30, 2023

affordable rental units, all of which are designated for income-eligible families, seniors, and special needs populations.

As the COVID-19 pandemic threatened the financial viability of the State's pipeline of new affordable housing, IHDA worked closely with project sponsors to find solutions for developments impacted by changing interest rates, labor shortages, increased construction costs, and supply chain disruptions. IHDA launched the COVID-19 Affordable Housing Grant Program (CAHGP) to offset losses incurred to Low Income Housing Tax Credit developments. Funded through the federal American Rescue Plan Act of 2021, in FY2022 IHDA approved \$73.5 million from CAHGP to fund 21 developments containing 1,104 total units that otherwise would not have been viable and would not have started construction due to rising construction costs and interest rates. In FY23, IHDA provided an additional \$69.5 million in CAHGP funds to 19 developments with 979 affordable units.

In addition to creating and preserving affordable rental housing, the Authority takes an active approach to oversee its rental portfolio, which includes 107,739 units in 1,948 developments. To ensure Authority-financed properties remain financially viable and well-maintained over the long term, IHDA works directly with our property owners and management partners to provide comprehensive trainings, streamlined reporting processes, and subsidy programs designed to meet the housing needs of severely and extremely low-income households.

To assist developments that tapped into their reserves to keep the buildings running and put off any much-needed capital repairs due to the COVID-19 pandemic, IHDA created the Capital Bill Preservation Program: Limited Rehabilitation (Preservation Program) in 2022. The program utilized \$28 million in Rebuild Illinois capital bill dollars to provide subordinate financing to developments with existing income and occupancy restrictions that have outstanding capital improvement needs that cannot be met using existing reserves. IHDA received funding requests totaling more than \$37.45 million and approved 63 Preservation Program grants totaling \$27.61 million to provide vital and necessary repairs ensuring the health and safety of those residing in IHDA-financed developments.

Affordable Homeownership

Helping more Illinoisans achieve affordable and sustainable homeownership is a priority for the Authority. Owning a home is one of the most common strategies for working families to build household wealth and achieve financial security, but homeownership has been falling further out of reach for an entire generation due to rising costs, student debt and an inadequate supply of affordable homes. While Illinois' homeownership rate of 67.1% is marginally higher than the national rate, younger buyers and BIPOC households remain underrepresented among homeowners. Towards this end, the Authority continues to create financing tools and outreach strategies that make homeownership accessible to a broader range of households with a goal of closing these disparities in homeownership rates by race and age.

In FY2023, IHDA originated \$1.08 billion in first mortgage loans and \$40.8 million in down payment assistance to help 6,438 Illinois families purchase their first home in 93 of Illinois' 102 counties. This assistance was provided through the Authority's Access Mortgage, Opening Doors, and the Illinois HFA1 down payment assistance programs, each of which provide free financial education and pre-purchase counseling to ensure new buyers not only have the financial resources, but the education and support they need to make sustainable homeownership possible. The Opening Doors program is designed to help borrowers of color, including Deferred Action for Childhood Arrivals recipients, who have historically faced steeper barriers to homeownership. In addition to providing financial assistance for down payments and closing costs, the program utilizes a robust marketing and outreach campaign that engages HUD-approved housing counseling

agencies, realtors, mortgage lenders, and others who work with historically disinvested communities of color to increase awareness and promote homebuyer education among potential borrowers and industry professionals.

Emergency Foreclosure and Eviction Prevention

The economic fallout caused by the COVID-19 pandemic has highlighted the fundamental role of housing in keeping families safe, stable, and healthy, while also exposing the longstanding housing affordability crisis that existed throughout the nation. Though Illinois quickly enacted moratoriums on evictions and foreclosures, direct financial assistance was needed to assist those who were accruing considerable amounts of back rent or missed mortgage payments after a COVID-19-related job or income loss.

In FY2020, IHDA delivered \$230.6 million in rental assistance to 46,129 households and \$98.5 million in mortgage payment assistance to 10,071 households to prevent eviction or foreclosure after a COVID-19-related loss of income. Building on this effort, IHDA launched the Illinois Rental Payment Program in 2021 to further support renters facing eviction due to COVID-19. By the end of the year, IHDA had disbursed an additional \$584 million in emergency rental payments to help 63,964 renters pay overdue rent after a financial hardship caused by the pandemic.

In FY2022, the Illinois Rental Payment Program opened for a second round of applications and by the close of the fiscal year had delivered an additional \$204 million in federal assistance to 27,279 renters throughout the state.

FY2023 saw a surge of asylum seekers coming to Illinois from Texas and Colorado with no place to live once they arrived. Leveraging our extensive experience, knowledge, partnerships, and resources, IHDA and the Illinois Department of Human Services acted quickly to create the Asylum Seeker Emergency Rental Assistance Program to help these families find safe, stable housing while they establish a new life here in Illinois. In FY2023, IHDA assisted 1,049 asylum seekers with \$8.3 million in emergency rental assistance while they regained their financial footing in Illinois.

FY2023 also saw 10,870 homeowners assisted through the Illinois Homeowner Assistance Fund (ILHAF). ILHAF provides grants of up to \$60,000 to homeowners across Illinois who experienced financial hardship because of the pandemic. Overall, IHDA distributed \$198 million in FY2023 for an average grant of \$18,246.

Finally, IHDA continued to improve access to foreclosure prevention services and funded a network of counseling agencies that provided critical support and financial education to 8,596 families facing foreclosure, helping them explore their options to achieve the best possible outcome for their situation.

Home Rehabilitation and Repair

For many families, the high costs of repairs and maintenance can make homeownership unaffordable. The Census reports that 37.4% of housing units throughout Illinois are more than 60 years old, and many of these homes are in need of updates, renovations or repairs that can be out of reach for low-income households. In addition, the number of Illinois residents over the age of 65 is at 17.2%, and while they may have the financial means to stay in their homes, many low-income seniors or persons with disabilities are forced to relocate due to accessibility concerns. For these reasons, the Authority has been working diligently to help municipalities maintain affordability, improve accessibility, and preserve the quality of the State's single-family housing stock.

In FY2023 IHDA utilized funds from the Illinois Affordable Housing Trust Fund to offer two programs that help existing homeowners make costly improvements and repairs. Through the Home Accessibility Program, IHDA

ILLINOIS HOUSING DEVELOPMENT AUTHORITY
A COMPONENT UNIT OF THE STATE OF ILLINOIS
LETTER OF TRANSMITTAL
YEAR ENDED JUNE 30, 2023

partnered with local governments and non-profit organizations to help seniors and persons with disabilities make their homes safer and more accessible by installing interior chair lifts, platform lifts, exterior ramps, bathroom modifications and other improvements. For homeowners struggling with the high costs of maintenance on their aging properties, IHDA's Single-Family Rehabilitation Program helped eligible households afford work that corrected code violations, eliminated health and safety hazards, and lowered energy consumption. In FY2023, these programs awarded \$2.5 million in funding to municipalities and non-profit agencies to help 213 families, seniors, and persons with disabilities remain comfortable and safe in their homes.

In FY2023, IHDA combined the previous two programs and launched the Home Repair and Accessibility Program (HRAP). Through HRAP, IHDA granted funds to 36 local government and nonprofit organizations to assist homeowners and renters with documented health and safety issues or concerns, such as mechanical, electrical, structural, or plumbing that undermine the integrity of the home. Launched in April 2023, IHDA announced it had allocated \$15.3 million and two properties were completed prior to the close of FY2023. HRAP will continue helping low-income Illinois households improve their housing stock in FY2024.

Community Revitalization

The Authority continued to administer the Strong Communities Program in FY2023 that provided \$3.9 million to local units of government for the purpose of acquiring 504 vacant or abandoned properties and returning them to productive and taxable use. In cases where the properties are beyond repair and negatively impacting neighboring residences, the program also provide funds for demolition. To further empower local and regional revitalization efforts in communities outside the Chicago Metropolitan Area, IHDA's Land Bank Capacity Program provided funds to help local governments create and operate land banks to acquire, develop, or otherwise repurpose vacant properties within their jurisdictions.

Housing Planning and Coordination Efforts

The Authority continues to form partnerships and build the capacity of the affordable housing community.

The Authority's team of Community Revitalization Specialists continued their work with communities throughout Illinois and formed partnerships to expand local planning capacity via a community revitalization strategy process in FY2023. Notably, the Authority made it a priority to reach out to smaller, rural communities that do not have the capacity to create and implement long-term housing plans. Under this effort, partnerships have increased local capacity to see affordable housing as an important element of local economic and community development goals and resulted in several tailored community revitalization strategies adopted by local jurisdictions to guide future development initiatives.

Also, IHDA launched another round of the Supportive Housing Institute, a capacity-building effort designed to increase the production of supportive housing for vulnerable populations. Intended for both new and experienced developers and service providers outside of the Chicago metro area, the Institute helps the state's supportive housing partners navigate the complex process of developing housing with supportive services by improving the planning, development, and initial project implementation processes. IHDA saw double the number of applications compared to FY2022.

Finally, the Authority continued its collaboration with the Illinois Department of Healthcare and Family Services, Illinois Department of Human Services, and Illinois Department on Aging in support of [ILHousingSearch.org](https://www.ilhousingsearch.org). This free housing locator service provides real-time, detailed information about available rental housing,

Report on the Audit of the Financial Statements

Opinions

As Special Assistant Auditors for the Auditor General, we have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Illinois Housing Development Authority (the Authority), a component unit of the State of Illinois, as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Authority, as of June 30, 2023, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Honorable Frank J. Mautino, Auditor General of the State of Illinois,
and Board of Directors
Illinois Housing Development Authority

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Honorable Frank J. Mautino, Auditor General of the State of Illinois,
and Board of Directors
Illinois Housing Development Authority

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The supplementary information, such as the combining and individual nonmajor governmental funds, mortgage loan program fund, and single family program fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditors' report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

MANAGEMENT'S DISCUSSION AND ANALYSIS
YEAR ENDED JUNE 30, 2023

This Section of the Illinois Housing Development Authority's (the Authority) annual financial report presents management's discussion and analysis of the Authority's financial performance during the fiscal year ended June 30, 2023. Please read it in conjunction with the Authority's financial statements, which follow this section.

Financial Highlights

- The Authority's overall net position increased by \$22.5 million, to \$1,289.0 million as of June 30, 2023, from an increase in the Authority's governmental activities of \$40.3 million and a decrease in business-type activities \$17.7 million.
- The Authority's net position from governmental activities increased by \$40.3 million to \$460.2 million during the year. The increase is primarily due to state and federal program revenues of \$69.7 million for Build Illinois Bond Program Fund (BIBP) and \$21.6 million for HOME Program Fund offset by \$36.1 million and \$15.9 million of grant disbursements and general and administrative expenses, respectively. In fiscal year 2023, the Authority drew down an appropriation of \$67.9 million from the Build Illinois Bond Program and received \$19.4 million in federal and state assistance from Housing Urban Development for the HOME Program.
- The Authority's net position from business-type activities decreased by \$17.7 million to \$828.8 million during the current year primarily due to a net decrease in fair value of investments from Single Family Program Fund of \$67.9 million, offset by an increase in interest and other investment income of \$50.5 million due to higher short-term interest rates resulting in higher earnings. Continued increase of bond issuance also resulted in higher investments and related earnings offset by interest expense.
- The Authority's gross debt issuances during the fiscal year ended June 30, 2023, totaled \$939.9 million. The Authority's debt outstanding (net of discounts and premiums) totaled \$2.7 billion as of June 30, 2023, which was \$788.2 million more than the amount outstanding as of June 30, 2022.
- The Authority issued six (6) new series of fixed rate, tax-exempt Revenue Bonds, totaling \$630.0 million, to fund its homeownership loan program. The bonds are secured by Government National Mortgage Association (GNMA) certificates, Fannie Mae (FNMA) mortgage-backed securities, and Freddie Mac (FHLMC) mortgage-backed securities.
- The Authority issued two (2) new series of fixed rate, taxable Revenue Bonds, totaling \$124.1 million, to fund its homeownership loan program. The bonds are secured by GNMA certificates, FNMA mortgage-backed securities, and FHLMC mortgage-backed securities.
- The Authority issued one (1) new series of variable rate, tax-exempt Revenue Bonds, totaling \$50.0 million, to fund its homeownership loan program. The bonds are secured by GNMA certificates, FNMA mortgage-backed securities, and FHLMC mortgage-backed securities.
- The Authority issued two (2) new series of variable rate, taxable Revenue Bonds, totaling \$80.8 million, to fund its homeownership loan program. The bonds are secured by GNMA certificates, FNMA mortgage-backed securities, and FHLMC mortgage-backed securities.
- The Authority issued one (1) series of fixed rate, tax-exempt Multi-Family Revenue Bonds and one (1) series of variable rate, tax-exempt Multi-Family Revenue Bonds totaling \$17.1 million and \$11.7 million respectively, to finance a portion of the acquisition, rehabilitation, and equipping by the Series 2023 B

and 2023 C borrower of a 210-unit multi-family residential housing development known as "Autumn Ridge" located in Carol Stream.

- The Authority issued one (1) series of fixed rate, tax-exempt Multi-Family Revenue Bonds totaling \$8.6 million, to finance the refunding of one (1) prior series of Conduit Bonds which previously financed the rehabilitation of a 156-unit multi-family development known as "Major Jenkins," located in Chicago, Illinois.
- During the majority of fiscal year 2023, tax-exempt bond rates were favorable for new issuance, which provided the Authority an opportunity to issue tax-exempt fixed/variable rate long-term bonds in the amount of \$680.0 million, and taxable fixed rate/variable rate long-term bonds in the amount of \$204.9 million in the Single Family Program. The Authority correspondingly issued tax-exempt fixed rate/variable rate long-term bonds in support of its Multi-Family Program in the amount of \$37.4 million.
- Program loan originations for fiscal year 2023 totaled \$19.3 million and \$93.4 million in the Authority's governmental and business-type activities, respectively, compared to fiscal year 2022 loan originations of \$68.2 million and \$116.5 million, respectively.
- During the fiscal year, the Authority continued to offer its ACCESS down payment assistance (DPA) programs. The ACCESS Program is available statewide, and offers an affordable, fixed interest rate, and up to \$10,000 to assist eligible borrowers with their down payment and closing costs for the purchase of a new or existing home. Based on program structure and anticipated demand, the Authority's Administrative Fund and excess revenues held under various Authority bond funds are used to fund the ACCESS program. There are 3 Access DPA programs available that are 1) either forgiven monthly over 10 years, 2) repayable with zero percent interest due at maturity when the mortgage is paid in full, the property is sold or refinanced, whichever occurs first, and 3) repayable over 10 years with zero percent interest. The Opening Doors program, funded by BIBP also provides \$6,000 in assistance for down payment and/or closing costs for first-time and non first-time homebuyers. The Opening Doors DPA program is forgiven monthly over 5 years. The Authority also launched the Illinois HFA1 down payment assistance program which provides \$10,000 for down payment assistance and/or closing costs. Illinois HFA1 DPA is repaid with zero percent interest due at maturity, when the mortgage is paid in full, the property is sold or refinanced, whichever occurs first, and repayable over 10 years with zero percent interest. All down payment assistance programs are in the 2nd lien position.
- The Consolidated Appropriations Act (2021) appropriated Emergency Rental Assistance (ERA-1) to the State of Illinois to assist households that are unable to pay rent and utilities due to the COVID-19 pandemic. The Illinois Department of Commerce and Economic Opportunity (DCEO) granted the Authority \$493.4 million to administer and manage the ERA-1 program. The Authority expended \$2.8 million through grants and \$2.1 million in general and administrative expenses.
- The American Rescue Plan Act (2021) appropriated funding to the State of Illinois for COVID-19 Emergency Rental Assistance (ERA-2), COVID-19 Homeowner Assistance Fund (HAF), and COVID-19 State and Local Fiscal Recovery Program Fund (SLFRF) which includes COVID-19 Affordable Housing Grant Program (CAHGP), a nonmajor fund in fiscal year 2022. ERA-2 assists households that are unable to pay rent and utilities. HAF assists homeowners who are unable to pay mortgages, utilities, and real estate taxes due to the COVID-19 pandemic. CAHGP provides vital funding for housing

developments that have been awarded federal Low-Income Housing Tax Credits to overcome increased costs related to the pandemic. In partnership with the Illinois Emergency Management Agency (IEMA) and the Illinois Department of Human Services (IDHS), the Authority administers and manages the ERA-2 program. The Authority was appropriated \$368.7 million (ERA-2), \$387.0 million (HAF), and \$171.4 million (CAHGP), with \$42.1 million, \$212.1 million, and \$69.5 million expended through grants, and \$7.0 million, \$21.5 million and \$1.3 million in general and administrative expenses, respectively.

- The Authority also partnered with DuPage, Will, Kane and Cook counties to administer and manage their ERA-1 & ERA-2 Programs and SLFRF, which includes Cook County Mortgage Foreclosure Medication Program (CCMFMP), Funds. The Authority expended a combined total \$3.5 million in grants and \$2.2 million and \$0.3 million in general and administrative expenses, respectively.

Overview of the Financial Statements

The financial statements consist of three parts – management's discussion and analysis (this section), the basic financial statements, and supplementary information. The basic financial statements include two types of statements that present different views of the Authority:

- The first two statements are government-wide financial statements that provide information about the Authority's overall financial position and operations. These statements, which are presented on the accrual basis, consist of the statement of net position and the statement of activities.
- The remaining statements are fund financial statements of the Authority's twenty governmental funds, for which activities are funded from State appropriation (grants), U.S. Department of Housing & Urban Development (HUD), and U.S. Treasury Programs, and for which the Authority follows the modified accrual basis of accounting, and three proprietary funds, which operate similar to business activities and for which the Authority follows the accrual basis of accounting.
- The basic financial statements include notes to the financial statements that explain some of the information in the government-wide and fund financial statements, and provide more detailed data.

The remainder of this overview section of the management's discussion and analysis explains the structure and contents of each of these statements. The prior year results referred to throughout this section for comparison purposes are as previously reported.

The government-wide statements report information about the Authority as a whole using accounting methods similar to those used by private sector companies. The statement of net position includes all of the Authority's assets, deferred outflows of resources, liabilities, and deferred inflows of resources. All of the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash is received or paid. Most of the Authority's activities are business-type and are reported in its proprietary funds. The fund financial statements provide more detailed information about the Authority's most significant funds but not the Authority as a whole.

The Authority manages two types of funds:

Governmental funds – The Authority is the administrator of twenty governmental funds, of which the revenues are appropriated annually to the Illinois Department of Revenue (IDOR) or received directly from HUD. The Authority also received funding directly from DCEO and the following counties: Will County, DuPage County, and Kane County. These fund statements focus on how cash and other assets flowing into the funds have been used.

Proprietary funds – The Authority's primary activities are in its three enterprise funds for which activities are accounted in a manner similar to businesses operating in the private sector. Funding has primarily arisen through the issuances of both tax-exempt and taxable bonds, the proceeds of which are primarily used to provide various types of loans to finance low and moderate-income housing. The net position of these funds represents accumulated earnings since their inception and is generally restricted for program purposes.

Land Bank Capacity Fund was transferred to Nonmajor Governmental Funds from Administrative Fund in FY 2023 – see Note 4 Interfund Balances and Transfers for further details.

Governmental Activities

Net position of the Authority's governmental activities increased by \$40.3 million, or 9.6%, to \$460.2 million, primarily due to state and federal program revenues of \$67.9 million for BIBP and \$19.4 million for HOME Program Fund offset by \$36.1 million and \$9.0 million of grant disbursements for BIBP and HOME and \$3.7 million of general and administrative expenses for HOME. The increase from fiscal year 2022 activity was due to an increase in federal and state assistance in the HOME Program and a draw down of funds from the Build Illinois Bond Program. There is no net position for five of the Authority's major governmental funds. The net position of the Illinois Affordable Housing Trust Fund is recorded as Due to the State of Illinois. Revenues from the Rental Housing Support Program Fund, COVID-19 Emergency Rental Assistance Fund, COVID-19 Homeowner Assistance Fund and COVID-19 State and Local Fiscal Recovery Fund are disbursed as grant or administrative expenses, and therefore have no net position.

Total net program loans receivable (current and noncurrent), increased by \$27.2 million, or 4.1%, to \$715.3 million, mainly attributable to increased developments closing in fiscal year 2023 in the HOME and Illinois Affordable Housing Trust Fund programs. Development activity had been stalled during the pandemic, creating a backlog; therefore, picked up in late 2022 into 2023. Cash and Investments increased by \$176.3 million mainly attributable to BIBP draw downs of \$67.9 million of appropriations, higher funding received for COVID-19 Emergency Rental Assistance Program Fund, COVID-19 State and Local Fiscal Recovery Program Fund and decreased grant activity in Rental Housing Support Program Fund and Nonmajor Governmental Funds.

The Authority's liabilities (current and noncurrent) increased by \$162.8 million, mainly due to increased unearned revenue & other liabilities for the COVID-19 Emergency Rental Assistance Fund, COVID-19 State and Local Fiscal Recovery Fund, and Nonmajor Governmental Funds by \$173.4 million, offset by a decrease in the COVID-19 Homeowner Assistance Fund of \$54.3 million. Amounts due to the State of Illinois (current and noncurrent) increased by \$44.1 million. This item reflects a liability for the State of Illinois interest in the net position of the Affordable Housing Trust Fund as the Authority acts only as the administrator of the Housing Program and accounts for the interest in the net position to be that of the State of Illinois.

YEAR ENDED JUNE 30, 2023

Business-Type Activities

The Authority's net position from business-type activities decreased by \$17.7 million, or 2.1%, to \$828.8 million.

Net program loans receivable (current and noncurrent) increased by \$32.8 million, or 6.1%, to \$573.8 million, mainly from the increase in the Mortgage Loan Program Fund \$31.6 million due to loan originations exceeding loan repayments, and the increase in the Administrative Fund \$9.1 million, offset by a decrease in the Single Family Program Fund \$7.9 million.

Cash and investments (current and noncurrent) increased by \$768.8 million, or 32.6%, mainly due to increases in Administrative Fund (\$11.1 million) and the Single Family Program Fund (\$764.2 million) offset by the decrease in Mortgage Loan Program Fund (\$6.4 million). The increase in Single Family Program Fund is primarily due to bond proceeds net of related issuance costs.

Total bonds and notes payable (current and noncurrent) increased by \$788.2 million, or 40.5%, due to increases in the Mortgage Loan Program Fund \$20.3 million and in the Single Family Program Fund \$769.7 million due to continued bond issuances net of principal payments, offset by a decrease in the Administrative Fund of \$1.9 million.

The restricted net position of the Authority's business-type activities increased by \$18.9 million, or 3.5%, mostly due to the increase in the Mortgage Loan Program Fund \$19.3 million, and the Administrative Fund \$0.3 million, offset by a decrease in the Single Family Program Fund \$0.7 million. The net position of the Authority's Bond Funds (Mortgage Loan Program Fund and the Single Family Program Fund) is classified as restricted, except for \$9.7 million net position invested in capital assets within the Mortgage Loan Program Fund. The negative unrestricted net position for Single Family Program Fund is primarily due to (\$67.9) million net decrease in fair value of investments in the current fiscal year.

Statement of Activities

The statement of activities shows the sources and uses of the Authority's changes in net position as they arise through its various programs and functions.

The governmental activities consist of programs recorded in seven major governmental funds: Illinois Affordable Housing Trust Fund, HOME Program Fund, Rental Housing Support Program Fund, Build Illinois Bond Program Fund, COVID-19 Emergency Rental Assistance Program Fund, COVID-19 Homeowner Assistance Fund, and COVID-19 State and Local Fiscal Recovery Program Fund. Other programs are recorded in Nonmajor Governmental Funds.

The business-type activities consist of two housing lending programs, the results of which are primarily recorded within the funds comprising the two major bond funds (the Mortgage Loan Program Fund and the Single Family Program Fund). Federal assistance activities, which involve the allocation of various federal subsidy funds directly to certain of the Authority's borrowers, the tax credit authorization and monitoring, and Financial Adjustment Factor (FAF) lending programs, both of which activities are recorded in the Authority Administrative Fund.

Governmental Activities

Revenues of the Authority's governmental activities, decreased by \$279.4 million from the prior year, due to decreases in the COVID-19 Emergency Rental Assistance Fund (ERA) \$643.4 million and the Rental Housing Support Program (RHSP) \$6.2 million in grant activities. The decrease was partially offset by increases in grant activities in the COVID-19 Homeowner Assistance Fund (HAF) \$232.4 million, Build Illinois Bond Program (BIBP) \$65.6 million, COVID-19 State and Local Fiscal Recovery Fund (CAHGP) \$50.9 million and Illinois Affordable Housing Trust Fund (IAHTF) \$20.4 million. The key driver of the increases is that the HAF and CAHGP programs were started in fiscal year 2022 and were fully active all of fiscal year 2023. The revenue increase is due to the Authority drawing down \$67.9 million of the BIBP appropriation and \$19.4 million of HUD assistance for HOME. The decrease in ERA is due to ERA1 closing in fiscal year 2023.

Direct expenses of the Authority's governmental activities decreased by \$367.8 million from the prior year, due to decreases in the COVID-19 Emergency Rental Assistance Fund from ERA1 and DuPage, Kane and Will counties ERA1 programs closing out in fiscal year 2023 which amounted to \$643.4 million and lower grants

issued for Build Illinois Bond Program \$10.0 million, offset by increases in the COVID-19 Homeowner Assistance Fund \$232.4 million, and COVID-19 State and Local Fiscal Recovery Fund \$50.9 million due to HAF and SLFRF fully active all fiscal year 2023.

Business-Type Activities

Revenues of the Authority's business-type activities increased by \$64.7 million from the prior year, due to increases in investment income \$69.7 million, and an increase in charges for services \$3.6 million, offset by a decrease in operating/grant/federal revenues \$8.6 million.

Direct expenses of the Authority's business-type activities increased by \$30.6 million, primarily due to an increase in interest expense of \$29.0 million on the Authority debt incurred to fund its various lending programs. There is an increase in program grants of \$6.1 million, an increase in salaries and benefits \$3.6 million, an increase in financing costs of \$3.4 million, and an increase in provision for estimated losses on real estate held for sale of \$0.3 million offset by decrease in other general and administrative of \$2.5 million, a decrease in provision for (reversal of) estimated losses on program loans receivable of \$6.4 million, a decrease in change in accrual for estimated losses on mortgage participation certificate program of \$0.4 million, and decrease in professional fees of \$3.7 million,

Program revenues of the Mortgage Loan Program exceeded direct expenses by \$22.0 million (see Statement of Revenue, Expenses and Change in Fund Net Position - Proprietary Funds). The Authority's business-type activities had \$30.7 million of restricted/unrestricted net investment gain (see the Statement of Activities).

Proprietary Fund Results

The net position of the Authority's proprietary funds decreased by \$17.7 million to \$828.8 million from June 30, 2022 to June 30, 2023. The following table summarizes the revenues, expenses, and changes in fund net position of the Authority's proprietary funds:

The net position of the Administrative Fund increased by \$20.4 million compared to prior year increase of \$42.3 million. Administrative Fund operating income was \$23.9 million, an increase of \$10.3 million compared to prior year operating income of \$13.6 million, and net transfers out were \$0.3 million, compared to \$12.9 million in the prior year. The increase in fiscal year 2023 operating income was primarily due to the increases in: service fees \$2.2 million, tax credit reservation and monitoring fees \$2.0 million, interest and other investment income \$4.6 million and lower professional fees \$3.7 million and other general and administrative \$1.0 million

offset by a decrease in development fees \$0.9 million, higher salaries and benefits of \$3.6 million, higher interest expense \$1.8 million, and higher financing cost \$1.2 million.

The net position of the Mortgage Loan Program Fund increased by \$21.5 million, compared to the prior year's increase of \$9.4 million. Operating income was \$22.0 million, an increase of \$10.7 million from prior year, mainly due to an increase in interest earned on program loans \$1.1 million, an increase in interest and other income \$10.6 million, other income \$1.0 million and lower other general and administrative \$1.5 million, offset by higher interest expense \$3.3 million.

The net position of the Single Family Program Fund decreased by \$59.4 million, compared to the prior year's decrease of \$112.9 million. The decrease in current year is primarily due to net decrease in fair value of investments \$67.9 million. Operating income was \$7.2 million, an increase of \$3.4 million compared to prior year operating income mainly due to an increase in interest and other income \$35.3 million, offset by a decrease in interest earned on program loans \$0.8 million, increase in financing cost \$2.3 million, program grants \$5.2 million and interest expense \$23.9 million.

The increase in interest and other income in the Proprietary Funds was due to higher short-term interest rates resulting in higher earnings. Continued increase of bond issuance in Mortgage Loan Program Fund and Single Family Program Fund also resulted in higher investments and related earnings offset by interest expense.

Non-operating Revenues and Expenses

Total fiscal year 2023 non-operating revenues and expenses increased by \$19.3 million to \$70.7 million, compared to fiscal year 2022 of \$90.0 million. The increase was primarily due to \$68.9 million improvement in fair value of investments, offset by a \$49.6 million decline in gain on investment sale revenue.

Authority Debt

Authority gross debt issuances during the fiscal year 2023 totaled \$3,087.3 million with the issuance of Revenue Bonds (\$884.9 million) and premium on Revenue Bonds (\$17.6 million) within the Single Family Program Fund, Multi-Family Revenue Bonds (\$37.4 million), and Federal Home Loan Bank Advances (\$2,147.4 million). Debt retirements within the Mortgage Loan Program, Single Family Program, and Administrative Funds were \$17.1 million, \$128.4 million, and \$2,149.3 million, respectively. Net premium and discount on debt retirements that were fully amortized amounted to \$4.4 million. Total bonds and notes payable increased by \$788.2 million. For additional information, see Note 8 – Bonds and Notes Payable in the Notes to the Financial Statements.

Pursuant to the IHDA Act, the Authority has the power to hold up to \$7.2 billion of general and special limited obligation bonds and notes outstanding, excluding those issued to refund outstanding bonds and notes. As of June 30, 2023, amounts outstanding against this limitation were approximately \$4.6 billion.

As of June 30, 2023, the Authority's Issuer Credit Ratings were A1 (Stable) by Moody's Investors Service, AA (Stable) by Standard and Poor's (S&P) and AA (Stable) by Fitch Ratings. The rating on all General Obligation ("GO") debt was upgraded by both S&P and Fitch to AA from AA-.

Economic Factors and Outlook

During the majority of fiscal year 2023, tax-exempt bond rates were favorable for new issuance, which provided the Authority an opportunity to issue tax-exempt fixed/variable rate long-term bonds in the amount of \$680.0 million, and taxable fixed/variable rate long-term bonds in the amount of \$204.9 million in the Single Family Program. The Authority correspondingly issued tax-exempt fixed rate/variable rate long-term bonds in support of its Multi-Family Program in the amount of \$37.4 million.

During fiscal year 2023, the Authority also financed a portion of its activity relating to homeownership in the State of Illinois through the sale of mortgage-backed securities to the secondary market. The Authority uses forward commitments to lock in the price of securities related to secondary market sales.

As a result of the global outbreak of COVID-19, the Authority administers new programs, with federal funds from the Coronavirus Aid, Relief, and Economic Security (CARES) Act (2020) which established the COVID-19 Coronavirus Relief Fund (CRF) program and may be asked to administer additional programs in the future in response to the pandemic.

The Consolidated Appropriations Act (2021) established the COVID-19 Emergency Rental Assistance (ERA1) to assist eligible households with financial assistance and housing stability services.

The American Rescue Plan Act (2021) established the COVID-19 Emergency Rental Assistance (ERA2), COVID-19 Homeowner Assistance Fund (HAF) and State and Local Fiscal Recovery Fund (SLFRF) programs. COVID-19 Affordable Housing Grant program (CAHGP) was appropriated as part of the State of Illinois' SLFRF program. ERA2 assists households that are unable to pay rent and utilities. HAF assists homeowners who are unable to pay mortgages, utilities, and real estate taxes due to the COVID-19 pandemic. CAHGP provides vital funding for housing developments that have been awarded federal Low-Income Housing Tax Credits to overcome increased costs related to the pandemic. In partnership with the Illinois Department of Human Services (IDHS), the Authority administers and manages the ERA2 program.

As the Authority moves into fiscal year 2024 and into the future, the Authority will continue to explore new methods to expand its Single Family and Multi-Family lending activities that are consistent with the State's housing needs. The Authority will collaboratively work with other housing entities and stakeholders to provide effective and efficient housing solutions. The Authority will continue to explore solutions to prevent foreclosures by providing assistance to eligible homeowners who have and may still be experiencing significant financial hardship.

At this time, the Authority is not aware of any other facts, decisions, or conditions that are expected to have a significant effect on financial position or results of operations.

Capital Asset Activity

The Authority had no significant capital asset activity in fiscal year 2023. More details on capital asset activity can be found in Note 7 – Capital Asset in the Notes to the Financial Statements.

The Illinois Housing Development Authority (the Authority) is a body politic and corporate of the State of Illinois (the State) created by the Illinois Housing Development Act, as amended (the Act), for the purposes of assisting in the financing of decent, safe, and sanitary housing for persons and families of low and moderate income in the State and assisting in the financing of residential mortgages in the State. To accomplish its purposes, the Authority is authorized by the Act to make mortgage or other loans to nonprofit corporations and limited profit entities for the acquisition, construction, or rehabilitation of dwelling accommodations and to acquire, and to contract and enter into advance commitments to acquire, residential mortgage loans from lending institutions. The Act also authorizes the Authority to issue its bonds and notes to fulfill corporate purposes, including the financing of mortgage and construction loans, the acquisition of residential mortgage loans, and the making of loans for housing related commercial facilities. The Authority has issued various bonds and notes to finance mortgage loans and construction loans, to purchase residential mortgage loans from lending institutions, and to make loans to private lending institutions for making new residential mortgage loans.

The bonds and notes outstanding as of June 30, 2023, as shown on the Authority's financial statements consist of both general and special limited obligations of the Authority (see note 8). The full faith and credit of the Authority are pledged for payment of general obligation bonds and notes. The Authority has the power under the Act (20 ILCS 3805/22) to have up to \$7.2 billion of general and special limited obligation bonds and notes outstanding, excluding those issued to refund outstanding bonds and notes. See reference footnote 8 F - Other Financings that impact the Authority debt authorization. At June 30, 2023, amounts outstanding against this limitation were approximately \$4.6 billion.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

As defined by U.S. generally accepted accounting principles established by the Governmental Accounting Standards Board (GASB), the financial reporting entity consists of the primary government, as well as its component units, which are legally separate organizations for which the elected officials of the primary government are financially accountable. Financial accountability is defined as:

- a. Appointment of a voting majority of the component unit's board, and either a) the ability of the primary government to impose its will, or b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government; or
- b. Fiscal dependency on the primary government.

For financial reporting purposes, the Authority is a component unit of the State of Illinois. The Authority has one component unit, the IHDA Dispositions LLC (the LLC). The LLC had no activity for fiscal year 2023.

B. Basis of Presentation

Government-Wide Statements – The government-wide statement of net position and statement of activities reports the overall financial activity of the Authority. Eliminations have been made to help minimize the double-counting of internal activities of the Authority. These statements distinguish between the governmental and business-type activities of the Authority. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange transactions. Business-type activities are financed in whole or in part by fees charged to external parties.

The statement of activities presents information showing how the Authority's net position has changed during the recent fiscal year. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include (a) charges paid by the recipients for goods or services offered by the programs, and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues are presented as general revenues.

Fund Financial Statements – The fund financial statements provide information about the Authority's funds. Separate statements for each fund category, governmental and proprietary, are presented. The emphasis on fund financial statements is on major and nonmajor governmental and proprietary (enterprise) funds, each displayed in a separate column.

As a quasi-governmental agency, the annual operating budget of the Authority is approved by the Board of Directors. Therefore, the Authority is not required to formally adopt budgets for each fund.

The Authority reports the following major governmental funds:

Illinois Affordable Housing Trust Fund

The Authority is designated administrator of the Illinois Affordable Housing Program (the Housing Program). The program is funded by the Illinois Affordable Housing Trust Fund with funds generated from a portion of the State real estate transfer tax collected by the Illinois Department of Revenue and held within the State Treasury. The funds are appropriated annually to the Illinois Department of Revenue by the General Assembly. In accordance with State statute, the Authority makes grants and low or no interest mortgages or other loans, some with deferred repayment terms, to acquire, construct, rehabilitate, develop, operate, insure, and retain affordable Single Family and Multi-Family housing for low and very low-income households.

As the administrator of the Housing Program, the Authority considers the interest in equity of the Housing Program to be that of the State of Illinois and the Authority records a liability to the State of Illinois for their equity share. Additionally, the Authority records amounts received to administer the Housing Program as grant revenue.

B. Basis of Presentation (Continued)

HOME Program Fund

The Authority is the designated program administrator and the Participating Jurisdiction for the federally funded HOME Investment Partnerships Program (the HOME Program) for the State of Illinois. HOME funds are utilized for a variety of housing activities, according to local housing needs. Eligible uses of funds include tenant-based rental assistance, housing rehabilitation; assistance to homebuyers; and new construction of housing. HOME funding may also be used for site acquisition, site improvements, demolition, relocation, and other necessary and reasonable activities related to the development of non-luxury housing.

Rental Housing Support Program Fund

The Authority is the designated administrator of the Rental Housing Support Program (RHSP). The program is funded by a surcharge for the recording of any real estate-related document. The funds are appropriated to the Illinois Department of Revenue by the General Assembly. The Authority awards funds to local administering agencies, which will contract with local landlords to make rental units affordable to households who earn less than 30% of the area median income.

Build Illinois Bond Program Fund

The Authority was appropriated a portion of the Build Illinois Bonds Program (BIBP). BIBP funds are utilized for a variety of housing activities, loans, and investments for low-income families, low-income senior citizens, low-income persons with disabilities and at-risk displaced veterans.

COVID-19 Emergency Rental Assistance Program Fund

The Authority administered the Emergency Rental Assistance (ERA) programs from funds received by the State, DuPage, Will, and Kane Counties, with funds received from Treasury's Emergency Rental Assistance Program, during fiscal year 2023. Eligible uses of funds include assisting households that were unable to pay rent and utilities due to the COVID-19 pandemic.

COVID-19 Homeowner Assistance Fund

The Authority administered the Homeowner Assistance Fund (HAF) Program. HAF funds were provided via State appropriation from U.S. Treasury's HAF program to prevent mortgage delinquencies and defaults, foreclosures, loss of utilities or home energy services, and displacement of homeowners experiencing financial hardship after January 21, 2020. Eligible uses of funds include assistance with mortgage payments, homeowner's insurance, utility payments, and other specified purposes.

COVID-19 State and Local Fiscal Recovery Fund

SLFRF funds were provided by the State and County of Cook from Treasury's SLFRF program. The Authority administered the COVID-19 Affordable Housing Grant Program (CAHGP) program. The Authority provides grants, forgivable loans and administrative expenses associated with affordable housing developments eligible for COVID-19 Affordable Housing Grant Program (CAHGP) and housing counseling, and foreclosure mediation services for residents in Cook County.

The Authority reports the following major proprietary funds:

Administrative Fund

Development and financing fee income related to Multi-Family mortgage loans, income from service fees, and operating expenses of the Authority are accounted for in the Administrative Fund.

In addition, the Administrative Fund has provided for supplemental financing of certain developments through residual income loans and below market financing for various developments through the Authority's Housing Partnership Program (see Note 5), and its lending program in conjunction with a debt service savings sharing agreement (the FAF Savings Program) with the U.S. Department of Housing and Urban Development (HUD) (see Note 14). The Administrative Fund also includes Section 8 New Construction and Section 8 Mod Rehab.

Mortgage Loan Program Fund

The Mortgage Loan Program Fund accounts for the financing of low- and moderate-income housing developments from the proceeds of Housing Bonds, Multi-Family Initiative Bonds, Multi-Family Revenue Bonds, and Affordable Housing Program Trust Fund Bonds, and for the retirement of such obligations.

The Authority holds first mortgage liens on such developments. Affordable Housing Program Trust Fund Bond accounts include a transfer of funds from the Illinois Affordable Housing Trust Fund.

Single Family Program Fund

The Single Family Program Fund accounts for the proceeds of Homeowner Mortgage Revenue Bonds, Housing Revenue Bonds, and Revenue Bonds, issued to provide funds for the purchase from lending institutions of mortgage loans on owner-occupied, one-to-four-unit dwellings acquired by eligible buyers. In most instances, it has been the Authority's

practice to pool loans into mortgage-backed securities and either sell them in the secondary market or retain and pledge them as collateral for bonds.

Unearned revenue includes fees earned from the buy down of homeowner mortgage interest rates to below market levels and amortized over the forgivable loan period of the down payment assistance provided.

The use of tax-exempt financing to provide eligible borrowers with affordable rate mortgage loans involves federal restrictions on expenses chargeable to the program. Unless described otherwise in the indenture, any expenses incurred in the program more than such maximum amounts are absorbed by the Administrative Fund.

C. Basis of Accounting

The government-wide and proprietary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues and expenses resulting from exchange and exchange-like transactions are recognized when the exchange takes place, regardless of when the related cash flow takes place. Nonexchange transactions, in which the Authority receives value without directly giving equal value in exchange, include federal and state grant revenue. Revenue from these sources is recognized in the fiscal year in which all eligibility requirements have been met.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Authority considers revenues to be available if they are collected within 60 days of the end of the current fiscal year.

Separate fund financial statements are provided for governmental and proprietary funds. Major governmental and proprietary funds are reported as separate columns in the fund financial statements.

The accounting policies and financial reporting practices of the Authority conform to GAAP, as promulgated in the pronouncements of the Governmental Accounting Standards Board (GASB).

D. Impact of Future Accounting Pronouncements

In 2022, GASB issued Statement No. 99 *Omnibus 2022*. The primary objective of this Statement is to enhance comparability in accounting and financial reporting. GASB Statement No. 99 "Omnibus 22", is providing clarification on several recent statements, including GASB Statement No. 87 "Leases", and GASB Statement No. 96 "Subscription Based Information Technology Arrangements". The requirements of this statement are effective for the Authority's fiscal year ended June 30, 2024. The Authority is currently evaluating the future impact of this statement.

In 2022, GASB issued Statement No. 101, *Compensated Absences*. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The requirements of this statement are effective for the Authority's fiscal year ended June 30, 2025. The Authority is currently evaluating the future impact of this statement.

E. Adoption of New Accounting Principles

As of July 1, 2022, the Authority implemented the requirements of GASB Statement No. 96, "*Subscription Based Information Technology Arrangements (SBITAs)*". GASB Statement No. 96 established uniform requirements for reporting SBITAs. Upon adoption of this Statement, the Authority recognized a subscription asset and subscription liability related to its right to use vendor software. The Authority is implementing Oracle as a subscription with a go-live date of July 1, 2024. The Authority paid \$1,042,616 related to implementation costs for the subscription as of June 30, 2023 which are included as a prepaid asset. The implementation had no effect on beginning net position.

In 2019, the GASB issued Statement No. 91 *Conduit Debt Obligations*. The objective of Statement No. 91 is to improve financial reporting by addressing issues related to the method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with (1) commitments extended by issuers, (2) arrangements associated with conduit debt obligations, and (3) related note disclosures. The provisions of this Statement became effective for the Authority during fiscal year 2023 with no impact. The Authority has no additional or voluntary monetary commitments to make payments on its conduit debt obligations as of June 30, 2023 – see Note 8 Bonds and Notes Payable for further details.

E. Adoption of New Accounting Principles (Continued)

In 2020, GASB issued Statement No. 94 *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*. The objectives of Statement No. 94 are to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements, and to provide guidance for accounting and financial reporting for availability payment arrangements. This statement is effective for the Authority's fiscal year ended June 30, 2023. The provisions of this Statement became effective for the Authority during fiscal year 2023 with no impact.

In 2022, GASB issued Statement No. 100, *Accounting Changes and Error Corrections*. The primary objective of this Statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. The provisions of this Statement became effective for the Authority during fiscal year 2023 with no material impact.

F. Fund Balances

In the fund financial statements, governmental funds report fund balances in the following categories:

Nonspendable – This consists of amounts that cannot be spent because they are either a) not in spendable form, or b) legally or contractually required to be maintained intact.

Restricted – This consists of amounts that are restricted to specific purposes, that is, when constraints placed on the use of resources are either: a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments, or b) imposed by law through constitutional provisions or enabling legislation.

Committed – This consists of amounts constrained by limitations that the Authority imposes upon itself through resolution by its board of directors. The commitment amount will be binding unless removed or amended in the same manner.

Assigned – This consists of net amounts that are constrained by the Authority's intent to be used for specific purposes, but that are neither restricted nor committed.

Unassigned – This consists of residual deficit fund balances.

In instances where restricted, committed, and assigned fund balances are available for use, the Authority's policy is to use restricted resources first, followed by committed resources, then assigned resources, as needed. Currently, all of the Authority's governmental funds fund balances are restricted.

G. Net Position

In the government-wide and proprietary fund financial statements, net position is displayed in the following components:

Net Investment in Capital Assets – This consists of capital assets, net of accumulated depreciation/amortization and related debt, lease liabilities, and subscription liabilities.

Restricted – This consists of net position that is legally restricted by outside parties or by law through constitutional provisions or enabling legislation.

All net position of the governmental activities column of the government-wide financial statements is restricted with respect to the use of cash, investments and loan amounts that are to be repaid to the Authority. (See note 5 for schedules of aging for the loans made under these programs).

The use of assets of each of the proprietary fund program funds is restricted by the related bond and note resolutions of the Authority. Certain amounts in the above program funds are considered subject to the restriction that they be applied to the financing of housing for the respective program purposes or to the retirement of obligations issued for such purposes; these amounts may include certain investment earnings attributable to the respective fund net position. When both restricted and unrestricted resources are available for use, generally it is the Authority's policy to use restricted resources first, then unrestricted resources when they are needed.

Unrestricted – This consists of net position that does not meet the criteria of the two preceding categories.

Designations of net position represent tentative plans by the Authority for financial resource utilization in a future period as documented in the minutes or budgeting process for a succeeding year. Such plans are subject to change from original authorizations and may never result in expenses.

A portion of the Authority's Administrative Fund unrestricted net position, as of the most recent fiscal year-end, is designated as follows, in thousands:

H. Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to use estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, and expenditures during the reporting period. Actual results could differ from the estimates.

I. Deferred Outflows/Inflows of Resources

A deferred inflow of resources is defined as an acquisition of net assets by the government that is applicable to a future reporting period and a deferred outflow of resources is defined as a consumption of net assets by the government that is applicable to a future reporting period. A deferred inflow of resources has a negative impact on net position like liabilities but is required to be reported within the statement of net position in a separate section following liabilities. A deferred outflow of resources has a positive effect on net position like assets but is required to be reported in the statement of net position in a separate section following assets.

Deferred outflows/inflows of resources include:

- i. Unamortized losses/gains on bond refundings, which are deferred and amortized over the shorter of the remaining life of the old debt or the life of the new debt.
- ii. Amounts reported as accumulated decrease/increase in fair value of hedging derivatives, which represent the anticipated future utilization of the net position of interest rate swap agreements deemed to be effective hedging derivatives.

J. Risks and Uncertainties

The Authority invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. Such changes could materially affect the amounts reported in the financial statements.

The allowances for estimated losses on loans are reported based on certain assumptions pertaining to the Authority's periodic review and evaluation of the loan portfolio, which is subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

K. Cash and Cash Equivalents

For purposes of the statement of cash flows, the Authority considers all cash, certificates of deposit, time deposits, and short-term repurchase agreements with original maturity dates of three months or less from date of purchase to be cash equivalents.

L. Investments

Investments of the Authority are reported at fair value. Fair value is determined by reference to public market prices and quotations from a securities pricing service.

The Authority records investment transactions based on trade date.

The investment of funds is restricted by various bond and note resolutions of the Authority and the Act, generally, to direct obligations of the United States government; specific bank obligations, certain of which are fully secured as required by the bond and note resolutions; and obligations of other governmental entities that meet defined standards. The type of collateral instruments that secure the demand repurchase agreements held by the Authority are subject to the same restrictions described above. Generally, collateral instruments are held by third-party institutions.

M. Program Loans Receivable

Program loans receivable include mortgage loans receivable, advances receivable, and residual income loans receivable. Mortgage loans receivable include certain amounts of interest and fees that have been charged by the Authority and added to the loan balance. The due dates for advances and residual income loans receivable are dependent upon future events as specified in the related loan or advance agreements.

N. Capital Assets

Capital assets in the Administrative Fund consist of investments in furniture, fixtures, leased space and equipment; computer hardware; computer software; and right to use building, and right to use subscriptions, and are defined by the Authority as assets with an initial, individual historical cost of \$5 thousand or more, except for computers, camera, and video equipment, which are capitalized at any cost. Depreciation and amortization are recorded on a straight-line basis over a period of three to five years, depending upon the nature of the asset. Right to use assets are amortized over the term of the lease or subscriptions.

The Authority records depreciation against Lakeshore Plaza on a straight-line basis over forty years. At June 30, 2023, the net carrying value was \$23.5 million which is net of accumulated depreciation of \$28.2 million. Depreciation expense for fiscal year 2023 was \$1.2 million. Although the Authority does not regularly own and operate properties as part of its normal business operations, for the benefit of furthering its affordable housing mission, it

N. Capital Assets (Continued)

is within its scope to do so. Since its acquisition Lakeshore Plaza has continued to be owned and operated by the Authority as part of its business operations and therefore is reported as a capital asset of the Mortgage Loan Program Fund. This property is collateral for Housing Bond 2008B. The Authority will continue to evaluate the operation of Lakeshore Plaza and its impact on operations accordingly.

O. Real Estate Held for Sale

Real estate held for sale arises from foreclosures or other mortgage default related actions on properties pledged as collateral on Administrative (\$75,000), and Single Family (\$27,000). See Note 6 for analysis of real estate for sale, net of allowance for estimated losses. Real estate held for sale is recorded at the unpaid principal balance plus accrued interest on the loans as of the date the loans become real estate owned, plus subsequent expenses incurred less any insurance or other loan related payments received. Since several loans covered by pool insurance have reached maximum reimbursements allowable for loss claims and other loans in the portfolio are uninsured, it is anticipated that proceeds arising from the sale of such property and certain insurance proceeds may not fully cover any losses experienced.

Therefore, the Authority has established a provision for estimated losses on real estate held for sale based on a periodic review of such conditions which considers factors such as interest costs, holding costs, sales proceeds, mortgage insurance, and pool insurance recoveries to estimate losses.

P. Bond Premium/Discount, Issuance Costs and Gain/Loss on Refunding

Premium/discount on bonds is netted with bonds payable and amortized using a method approximating the effective interest method over the life of the bonds. Debt issuance costs are recorded as an expense in the period incurred. Unamortized gains and losses on refunding are reported as deferred inflows and outflows of resources, respectively, and are amortized over the shorter of the life of the old or new debt as a component of interest expense.

Q. Operations

Proprietary funds loan origination fee, development fee, and financing fee income are recognized as revenue in the period received. Fees earned on loans, which the Authority does not directly originate, such as loans financed through other financings (see Note 8E), are recognized as revenue in the Administrative Fund generally at the time of initial closing.

Q. Operations (Continued)

Proprietary funds annual service fees charged by the Authority to loan recipients, which are deposited in the respective program funds or added to program loans receivable, are recognized as revenue in the Administrative Fund through interfund transfers.

Proprietary funds operating revenues and expenses are activities classified as core business activities of the fund. Proprietary funds operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund including interest income, service fees, development fees, interest, and other investment income. Proprietary funds operating expenses include grant program expenses, general and administrative expenses of the Authority; salaries and benefits; costs and expenses incurred in connection with the amortization, issuance, and sale of certain bonds and notes; fees and expenses of trustees and depository and paying agents; and costs related to analyses, surveys, appraisals, and other matters pertaining to maintenance and evaluation of program loans receivable. Operating costs and expenses are recognized as incurred.

Proprietary funds nonoperating revenues and expenses include the reporting of Section 8 Moderate Rehabilitation, and Section 8 New Construction. Also included in this section are activities not classified as core business activities to the Proprietary Fund.

A portion of the Authority's operating expenses of administering the Illinois Affordable Housing Trust Fund, HOME Program, Rental Housing Support Program, Build Illinois Bond Fund, COVID-19 Coronavirus Relief Fund, COVID-19 Emergency Rental Assistance Program Fund, and Nonmajor Governmental Funds are recorded within these governmental funds. Similarly, other related special assistance programs and resolutions of various bond programs allow for these program accounts to record a certain level of operating expenses. Expenses in excess of the allowable ceilings set forth in the resolutions are charged to the Administrative Fund.

Expenses are shown in the statement of activities by identifiable programs.

R. Compensated Absences

The Authority grants vacation and sick leave to all employees and accrues for unused compensated absences. Vacations are allotted on a calendar year basis and are intended to be taken during that year. Unused sick leave allowance is carried forward and accumulated. In the event of termination, employees are paid for all earned but unused vacation time, and of unused accumulated sick leave earned, to a maximum of 30 days at one-half of hourly pay rate. The Authority has no other post-employment benefits (OPEB).

S. Provision for Estimated Losses on Program Loans

The Authority provides for estimated losses on program loans in its proprietary and governmental funds based upon the periodic review and evaluation of the Multi-Family and developer loan portfolios and provides additional amounts, if it deems necessary, for estimated losses for individual loans in the funds. In making such a review and evaluation, the Authority considers current economic conditions, occupancy and rental level projections, financial statement analyses, on-site inspections, independent appraisals of certain developments, insurance coverage, and such other factors as it deems necessary. The estimated losses of the Single Family loan portfolio are based upon a periodic review and evaluation of the whole loan portfolio, including real estate owned properties and considers such factors as delinquencies, interest costs, holding costs, sales proceeds, mortgage insurance, and pool insurance recoveries for estimating losses. Although management uses the best available information to assess the adequacy of its provisions, adjustments may be required if the actual experience differs from the factors used in making those assessments.

T. Income Taxes

The Authority is a component unit of the State of Illinois and is generally exempt from federal, state, and local income taxes.

NOTE 3 CASH AND INVESTMENTS

The Authority's Financial Management Policy (the Policy) contains the following stated objectives:

- Safety of principal – Preservation and safety of principal is the foremost objective of the Authority's investments. Each investment transaction shall seek to ensure that capital losses within the investment portfolio are avoided, whether they are from securities defaults or erosion of fair value.
- Liquidity – The investments portfolio shall remain sufficiently flexible to enable the Authority to meet all operating requirements that may be reasonably anticipated in any fund. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demand.
- Maximum rate of return – The investment portfolio shall be designed with the purpose of regularly exceeding the average return of U.S. Treasury obligations of comparable maturities. The investment program shall seek to augment returns above this threshold, consistent with risk limitations identified herein and prudent investment principles.

A. Interest Rate Risk

Interest rate risk is the risk that the fair value of investments will decrease as a result of an increase in interest rates. The Authority's policy does not limit the maturity of investments as a means of managing its exposure to fair value losses arising from an increasing rate environment.

As of June 30, 2023, the Authority had cash and cash equivalent totaling \$1,312 million which consists of cash of \$146 million and cash equivalents of \$1,166 million.

The below table indicates the Authority's cash and cash equivalents held in investments as of June 30, 2023 (in thousands):

B. Credit Risk

Credit risk is the risk the Authority will not recover its investments due to the inability of the counterparty to fulfill its obligation. Statutes of the State and resolutions of the Authority authorize the Authority to invest in obligations of the U.S. Government, agencies, and instrumentalities of the U.S. Government, demand repurchase agreements, and other banking arrangements. The Authority may also invest its funds in such investments as may be lawful for fiduciaries in the State. All funds are held outside of the State Treasury in various banks and financial institutions.

The Authority's investments in U.S. Government and Agency Obligations are rated Aaa by Moody's and/or AA+ by Standard & Poor's.

C. Custodial Credit Risk

The custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the Authority will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party.

The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, the Authority will not be able to recover the value of investment or collateral securities that are in the possession of an outside party.

The Authority's cash carrying value balance totaled \$146 million at June 30, 2023. The June 30, 2023, cash bank balance for the Authority totaled \$149 million. Also, \$10.2 million was not covered by federal depository insurance or by collateral held by an agent in the Authority's name. The amount is further addressed in Note 15 – Subsequent Events. Additionally, the Authority's cash equivalents at June 30, 2023, consisted of sweep accounts, held in the Authority's name, with the funds in these accounts invested in money market funds that invest in U.S. Treasury securities, or were held in accounts that were either Federal Deposit Insurance Corporation FDIC insured or collateralized with U.S. government obligations. The Authority's investments at June 30, 2023, were held in the Authority's name in separate Authority custodial accounts. Collateral is pledged in the Authority's name and consists of U.S. Treasury obligations.

D. Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of investment in any one single issuer. The Authority's policy does not limit the amounts the Authority may invest in any one issuer. The Authority is considered to have a concentration of credit risk if its investments in any one single issuer (other than securities explicitly guaranteed by the U.S. government) are greater than 5% of total investments.

Investments which comprise more than 5% of the Authority's investments as of June 30, 2023, are as follows, in thousands:

E. Forward Commitments

The Authority sells forward commitments to deliver Government National Mortgage Association (GNMA) certificates, Fannie Mae (FNMA) and Freddie Mac (FHLMC) mortgage-backed securities (MBS). Commitments are sold as mortgage loan reservations, and are taken to hedge against market fluctuations prior to loan origination and securitization. The Authority is subject to fair value fluctuations in the event that mortgage loans are not originated as expected and the committed securities cannot be delivered. A net increase in fair value of \$4.8 million on these forward commitments, classified as investment derivative instruments, has been recorded in investment income in the Administrative Fund for the year ended June 30, 2023. In addition, \$3.5 million of forward commitments is recorded on the statement of net position as other current assets at June 30, 2023.

The Authority is subject to credit risk with respect to counterparties for the forward commitment contracts, summarized below with their credit ratings as of June 30, 2023, in thousands:

F. Fair Value Measurements

GASB Statement No. 72 explains that the government could determine the market price of an asset in one of three ways:

- 1) Actual market transactions for identical or similar items (market approach);
- 2) The current cost to replace the service capacity of an asset (cost approach); or
- 3) Discounting the current value of future cash flows (income approach).

It also establishes a three-tier hierarchy of input quality as follows:

- Level 1* – inputs are quoted prices in active markets for identical items;
- Level 2* – inputs are all inputs that are directly or indirectly observable, but not on Level 1; and
- Level 3* – inputs are all inputs that are unobservable.

The statement directs governments to maximize their use of observable inputs and to minimize the use of unobservable inputs.

Fair value is most frequently applied to investments which GASB Statement No. 72 defines as a security or other asset that: A government holds primarily for the purpose of income or profit and has a present service capacity based solely on its ability to generate cash or to be sold to generate cash.

The Authority categorizes its fair value measurements within the fair value hierarchy established by GAAP. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs.

The following is a description of the valuation methods and assumptions used by the Authority to estimate the fair value of its financial instruments. There have been no changes to the methods or assumptions used at June 30, 2023. The Authority management believes its valuation methods are appropriate and consistent with other market participants. The use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities. Agency securities classified in Level 2 of the fair value hierarchy are valued using prices quoted in active markets for similar securities.

Loans receivable in the Mortgage Loan Program Fund are secured by first mortgage liens on the related developments. Each development is subject to a regulatory agreement under which the Authority has certain powers relating to rents, profits, occupancy, management, and operations. Monies are required to be deposited in reserve accounts monthly by all mortgagors for real estate tax reserves and by substantially all mortgagors for insurance and replacement reserves. See note 9 regarding these reserves and other deposits held in escrow.

The ability of the mortgagors to make required payments on the mortgage loans receivable depends principally upon the related developments achieving and sustaining sufficient occupancy and rental levels to support such payments. With respect to most developments financed from proceeds of the Mortgage Loan Program Funds, the Authority, HUD, and the owners of the developments have entered into agreements whereby HUD will make, under its Section 8 Program, housing assistance payments for the developments. Such federal subsidies,

together with the rents to be paid by the tenants, are estimated by the Authority prior to its issuing an initial mortgage loan commitment, to provide sufficient funds to pay the costs of operation, maintenance, administration, mortgage payments, and Authority fees with respect to each of the developments.

For certain past delinquencies, the related developments have not been able to generate net rental income sufficient to pay scheduled debt service and reserve deposits in full. In the opinion of the Authority, these deficiencies of net rental income have arisen for various reasons including (i) the existence of physical defects in the development which have caused operational problems, (ii) higher than anticipated operating expenses of the development, and (iii) depressed rental market conditions in the development's local area.

In certain cases, cash deficiencies of developments, including certain developments as to which the related mortgage loans are not delinquent as to scheduled debt service payments or required reserve deposits, have been funded in part by advances from the owners of the respective developments. However, there generally can be no assurance that the owners will make additional advances for this purpose. For certain mortgage loans, the Authority holds reserve deposits and letters of credit that may be applied toward delinquencies.

At June 30, 2023, for loans financed under the Mortgage Loan Program Fund, one loan was in arrears in amounts equal to more than three months debt service payments or required deposits to tax and insurance and/or replacement reserves, totaling \$140.5 thousand and \$2.0 million, respectively.

The Authority has pursued actions available under the mortgage and regulatory agreements to cure certain delinquencies. With respect to some developments, the need for capital improvements, repairs, marketing campaigns and other expenditures may be indicated. Where necessary and appropriate, the Authority has committed and/or advanced residual income loans from the Administrative Fund or mortgage loan increases from the related program account to finance these expenditures. In certain instances, the Authority has initiated actions to effect necessary changes in the management of the developments. In addition, the Authority has, in some cases, filed suit against the applicable general contractors and/or bonding companies seeking corrections of the development's physical defects and has instituted foreclosure proceedings for certain developments.

The Authority's policy for converting mortgage loans, except for loans financed under the Single-Family Mortgage Loan Program, to non-accrual status is to discontinue the accrual of interest when a loan becomes 90 days past due. In addition, the Authority does not accrue interest income on loans in which payments are to be made from residual receipts of the development. Payments on such loans are recognized only as received. For loans receivable within the Single-Family Mortgage Loan Program, the Authority accrues interest income on all loans unless they become real estate owned properties, at which time the accrual is suspended.

YEAR ENDED JUNE 30, 2023

NOTE 5 PROGRAM LOANS RECEIVABLE (CONTINUED)

The Authority does not accrue interest income on approximately \$3.8 million of mortgage loans recorded in the Administrative Fund. Payments made on such loans, which generally are payable from residual receipts, if any, of the affected development funds, are recognized only as received. The annual amount of interest on these loans is approximately \$78.6 thousand.

In fiscal year 2016, the Authority entered into a new financing agreement with the Federal Financing Bank (FFB), an arm of the United States Department of Treasury, for selling beneficial ownership interests in mortgage loans originated by housing finance agencies and insured under the FHA-HFA Risk Sharing Program. The Authority sells beneficial ownership interest in its mortgages under this program to FFB. Beneficial ownership interest in mortgage loans that the Authority sells to the FFB will be evidenced by certificates of participation from the Authority. The monthly mortgage payments from the borrower will be used to repay the interest to the FFB and principal payments will reflect the scheduled mortgage principal payments. Through fiscal year 2023, the Authority sold beneficial ownership interests in loans for 17 affordable Multi-Family developments totaling \$117.9 million to the FFB.

The Authority, as of June 30, 2023, has 59 outstanding Risk Sharing Loans totaling \$535.7 million and elected that HUD assume 10% to 90% of the loss with respect to those loans as a result of the existing Risk Sharing agreement. Five of these loans totaling \$17.9 million were financed through the issuance of the Authority's Housing Bonds, one loan totaling \$14.7 million was financed through the issuance of the Authority's Multi-Family Initiative Bonds, one loan totaling \$2.0 million were financed through the issuance of the Administrative Fund, and 26 loans totaling \$336.4 million were financed through the issuance of the Authority's Multi-Family Revenue Bonds. The remaining 26 loans totaling \$164.7 million are not included in the Authority's financial statements as the Authority sold 10% to 90% participation interests in the loans to outside parties.

At June 30, 2023, for loans financed under the FHA-HFA Risk Sharing Program where the Authority sold 100% participation interest in the loans to outside parties, there were no amounts in arrears equal to more than two months debt service payments or required deposits to tax and insurance and/or replacement reserves.

At June 30, 2023, for loans financed under the Mortgage Participation Certificate Program, where the Authority has sold 100% participation interests in the loans to outside parties, there were no amounts in arrears equal to more than three months of debt service payments or required deposits to tax and insurance and/or replacement reserves. The loss reserve for loans financed under this program, totaling \$2.3 million as of June 30, 2023, is recorded in accrued liabilities (and other) in the Administrative Fund.

As of June 30, 2023, for mortgage loans insured with Ambac Assurance Corporation (Ambac) on Multi-Family housing developments under the Authority's Mortgage Participation Certificate Program, the Authority has outstanding three Ambac loans totaling \$5.3 million. These loans are not included in the Authority's financial statements as the Authority sold 100% participation interests in the loans to outside parties. Ambac has guaranteed repayment of principal and interest due on a timely or accelerated basis in accordance with the agreement between the

Authority and Ambac. The agreement allows (or provides) the Authority to share its risk with Ambac on the aggregate loan portfolio after the satisfaction of certain requirements and thresholds.

At June 30, 2023, for loans financed under Ambac Assurance Corporation (Ambac), one loan was in arrears an amount equals to more than three months debt service payments or required deposits to tax and insurance and/or replacement reserves, totaling \$23.2 thousand and \$1.0 million, respectively.

The provision for estimated losses for the Illinois Affordable Housing Trust Fund is recorded as a reduction to the amount due to the State of Illinois to reflect the State of Illinois net position interest in the program.

State statute (30 ILCS 205/2) requires that all uncollected receivables due that exceed \$1,000 be submitted to the Illinois Attorney General to be certified as uncollectible before the Authority can delete such receivables from its records. As of June 30, 2023, the Authority has 11 loans certifications outstanding, totaling \$213.7 thousand. Certification requests are anticipated to be filed as loss amounts are determined following the conclusion of foreclosure or other loss mitigation activities. The Authority has established provisions for estimated losses against such loans requested and to be requested for such certifications in amounts equal to the outstanding principal balances of the loans.

(1) In accordance with the indenture, interest rates on the bonds are determined weekly and are paid monthly at a rate established by the remarketing agents on each rate determination date. The variable rates paid on the subject bonds ranged from 3.95% to 5.08% at June 30, 2023. Pursuant to the liquidity agreements, the bonds are subject for purchase by liquidity providers in the event of a tender by bondholders (Bank Bonds). Subject to other provisions within the liquidity agreements, the Bank Bonds will bear interest at a rate specified within the agreements and continue to be subject for remarketing by remarketing agents. In the event the remarketing agents are unable to remarket the Bank Bonds over a certain period of time, the Bank Bonds are subject to a put whereby the Authority is required to purchase and redeem the Bank Bonds over a period stated within the agreements. The Authority has a take-out agreement with the liquidity providers to convert the bonds to an installment loan payable over a three-to-five-year period. The interest rate that is to be paid during the put periods is SOFR plus 175 basis points for all bonds issued prior to 2023; the interest rate that will be paid during the put periods on the Series 2023 C and Series 2023 F is SOFR plus 275 basis points. The liquidity agreement for 2019 Series B expires on March 7, 2024, the liquidity agreement for 2020 Series C expires on October 15, 2025, the liquidity agreement for 2022 Series D expires on May 18, 2027, the liquidity agreement for 2022 Series F expires on September 21, 2027, the liquidity agreement for 2023 C expires on March 29, 2028, and the liquidity agreement for 2023 F expires on June 1, 2028.

(1) Interest rate on the loan(s) may be fixed or variable, and is determined by type, length, and use of proceeds.

D. Current Refundings of Debt

On March 29, 2023, the Authority issued three (3) series of fixed rate and variable rate, tax-exempt and taxable Single Family Revenue Bonds designated as Revenue Bonds Series 2023 ABC (“Bonds”), totaling \$195 million to: (i) finance Mortgage-Backed Securities and down payment assistance loans or refinancing existing Mortgage Loans, (ii) refund at or in advance of maturity all or a portion of a number of series of the Authority’s outstanding bonds or other obligations, and (iii) various other purposes as described in the corresponding Series Indenture. Within ninety (90) days of issuance, \$35.76 million of proceeds from the Bonds were used to redeem and/or refund prior series of Revenue Bonds and or obligation(s) (“Refunded Obligations”). Following the refunding of the Refunded Obligations, an approximate amount of \$35.76 million currently allocated to the Refunded Obligations were reallocated to the Bonds to purchase participation interest in Mortgage-Backed Securities. Due to the nature of this replacement refunding there is no economic gain.

On September 22, 2022, the Authority issued two (2) series of fixed rate and variable rate, tax-exempt Single Family Revenue Bonds designated as Revenue Bonds Series 2022 EF (“Bonds”), totaling \$150 million to: (i) finance Mortgage-Backed Securities and down payment assistance loans or refinancing existing Mortgage Loans, (ii) refund at or in advance of maturity all or a portion of a number of series of the Authority’s outstanding bonds or other obligations, and (iii) various other purposes as described in the corresponding Series Indenture. Within ninety (90) days of issuance, \$16.39 million of proceeds from the Bonds were used to redeem and/or refund prior series of Revenue Bonds and or obligation(s) (“Refunded Obligations”).

D. Current Refundings of Debt (Continued)

Following the refunding of the Refunded Obligations, an approximate amount of \$16.39 million currently allocated to the Refunded Obligations will be reallocated to the Bonds to purchase participation interest in Mortgage-Backed Securities. Due to the nature of this replacement refunding there is no economic gain.

E. Other Financings

From time to time, the Authority has issued conduit obligations with a claim for repayment solely from payments received with respect to the mortgage loans. The bonds are not general obligations of the Authority, and they are not a debt of the State of Illinois; neither is liable to pay interest and principal on the bonds. Accordingly, the bonds and the related mortgage loans are not included in the Authority's financial statements. The bonds do, however, apply toward the Authority's authorized debt limitation.

As of June 30, 2023, there were 130 series of such bonds or notes outstanding, with an aggregate principal amount payable of \$1,892 million.

F. Assets Restricted for Capital and Debt Service Reserves

Pursuant to the Act and various resolutions of the Authority, certain assets (principally investments) are maintained in capital and debt service reserve funds and may be used only for the payment of principal and interest on certain bonds. The reserve funds must be maintained at an amount at least equal to the following:

Bonds	Requirement
Housing Bonds	The amount established by each series resolution, currently six months of maximum principal and interest payments.
Multifamily Initiative Bonds	The maximum amount of principal and interest due on any interest payment date excluding the final interest payment date.
Multifamily Revenue Bonds	One-half of the maximum amount of principal and interest due for the then-current or any future calendar year.
Homeowner Mortgage Revenue Bonds	The sum of all amounts established by each series resolution, but such amount cannot be less than 2% for the Homeowner Mortgage Revenue Bonds of the sum of (i) the outstanding principal balance of related mortgage loans, and (ii) the amount on deposit to the credit of series program accounts of the program fund.

The Authority's outstanding obligations from direct borrowing relating to business-type activities contain provisions declaring events of default based on nonpayment on monies owed, failure to meet certain conditions under the governing documents, the Authority ceasing to be eligible as a housing associate under the Act and other defined provisions within the applicable agreements. The lenders under each of the agreements have rights of principal acceleration under the governing documents based on aforementioned events of default. Subject to the provisions outlined within the respective agreements, additional remedies and enforcement exist.

The Authority has a line of credit in the Administrative Fund for cash advances with the Federal Home Loan Bank of Chicago up to \$250 million. The current undrawn portion of the Authority's authorized amount is \$228 million. The drawn amount of \$22 million is included in Bonds and Notes Payable.

H. Derivative Instruments

The incurring of obligations by the Authority involves a variety of interest rate payments and other risks, for which a variety of financial instruments are available to offset, hedge, or reduce these payments and risks. It is the policy of the Authority to utilize risk management agreements to better manage its assets and liabilities. The Authority may execute risk management agreements if the transaction can be expected to result in at least one of, but not limited to the following:

- a) The achievement of savings over alternative products existing in the capital markets;
- b) The management of the Authority's exposure to floating and fixed interest rates;
- c) Ability to access the capital markets more rapidly than may be possible with conventional debt instruments;
- d) The management of the Authority's exposure to the risk of changes in the legal and regulatory treatment of tax-exempt bonds; and
- e) The ability of the Authority to increase income, lower costs, or strengthen the Authority's financial position.

As of June 30, 2023, the Authority has active swap and interest rate cap contracts. Details are shown in the following tables, in thousands.

The fair value of the interest rate swaps was estimated using the zero-coupon method. This method calculates the future net settlement payments required by the swap, assuming that the current forward rates implied by the yield curve correctly anticipate future spot interest rates. These payments are then discounted using the spot rates implied by the current yield curve for hypothetical zero-coupon bonds due on the date of each future net settlement on the swaps. The fair value of the interest rate swap and rate caps were estimated by the Authority using data provided by the Authority's swap advisor.

NOTE 8 BONDS AND NOTES PAYABLE (CONTINUED)

H. Derivative Instruments (Continued)

To protect against the potential of rising interest rates, the Authority has entered into pay fixed, receive variable, interest rate swap agreements. The objective of these agreements is to achieve a synthetic fixed interest rate on the underlying bonds at a cost anticipated to be less than the amounts paid had the Authority issued fixed rate debt. In addition, the Authority has entered into interest rate caps agreement, the objective of which is to establish a maximum debt service which may be paid over the life of the underlying bonds.

The terms, fair values, and credit ratings of the outstanding agreements as of June 30, 2023, are shown in the above table. The notional amount of the swap and caps match the principal amount of the associated debt except in the case of Series 2008 A where early redemption of bonds has reduced the outstanding bond amount leaving the notional amount of the interest rate cap at its original scheduled value.

The Authority's swap and cap agreements in most cases contain scheduled reductions to outstanding notional amounts that are expected to approximately follow scheduled or an anticipated reduction in the associated bonds payable category.

Because interest rates have increased since the execution of the swap agreements in the Single-Family Program Fund, they have positive fair values as of June 30, 2023. The positive fair value may be countered by increases in total interest payments required under the variable-rate bonds, creating higher synthetic interest rates. Because the coupons on the Authority's variable rate bonds adjust to changing interest rates, the bonds do not have corresponding fair value changes.

As of June 30, 2023, the Authority was not exposed to credit risk for the swaps that had negative fair value of \$291 thousands. As interest rates change and the fair value becomes positive, the Authority is exposed to credit risk in the amount of the swap's or cap's fair value. The Authority is exposed to credit risk on the caps and swaps with positive fair value. The aggregate fair value of hedging derivative instruments with positive fair value on June 30, 2023, was \$21.2 million. This represents the maximum loss that would be recognized at the reporting date if all counter-parties failed to perform as contracted. Fair value is a factor only upon termination.

Basis risk on a swap occurs when the variable payment received is based on an index other than the index on the underlying bonds. The Authority believes its swap agreements have been structured to minimize or eliminate this risk.

H. Derivative Instruments (Continued)

The Authority or the counterparty may terminate the swap agreements if the other party fails to perform under the terms of the agreements. If a swap is insured, a termination event occurs if the insurer fails to meet its obligations under the agreement

The Authority is not exposed to rollover risk on its swap agreements. The Authority is exposed to rollover risk on hedging derivative instruments that are hedges of debt that mature or may be terminated prior to the maturity of the hedged debt. When these hedging derivative instruments terminate, the Authority will be re-exposed to the risks being hedged by the hedging derivative instrument. The Authority is exposed to rollover risk on the caps which have termination dates that occur prior to the final maturity of the related bonds.

As of June 30, 2023, debt service requirements of the Authority's outstanding variable-rate debt and net swap payments, assuming current interest rates remain the same, for their term are as follows, in thousands:

NOTE 12 RISK MANAGEMENT

The bonds issued by the Authority after 1980 are subject to a variety of Internal Revenue Service (IRS) regulations that limit the amount of income that may be earned with nonpurpose investments to an amount not greater than the amount that would have been earned had the

funds been invested at the yield on the bonds as defined by the IRS. Excess earnings must be rebated annually, or every five years, depending on the date and type of bond issue. It has been determined that there is an estimated rebate liability of \$1.0 million as of June 30, 2023. The rebate liability are included in Accrued Liabilities and Other in the Authority's financial statement in the Single Family Program Fund.

In connection with various federal and state grant programs, the Authority is obligated to administer related programs and spend the grant funding in accordance with regulatory restrictions and is subject to audits by the grantor agencies. In the opinion of Authority management, any grant expenditures that may be disallowed by the grantor agency, if any, would not result in a material liability to the Authority.

The Authority carries commercial insurance for directors and officer's liability, general liability, employee health, workers' compensation, cyber liability, crime, property, and automobile ownership and usage. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. Insurance coverage has not changed significantly since the prior year.

NOTE 13 RETIREMENT PLAN

The Authority provides a voluntary defined contribution retirement plan for the benefit of its employees through an agreement with Vanguard Investments. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. Full time employees are eligible to participate in and are fully vested in the plan from the date of employment. All plan assets and investments are administered by a trustee, which maintains an individual account for each participant. The Authority contributes 6% of its employees' salaries and employees, at their option, may contribute up to 100% (within a maximum dollar limit) of their salaries to the plan. In addition, the Authority, under the provisions of the Economic Growth and Tax Relief Act of 2001, permits additional contributions each calendar year for those employees who attain age 50 (or higher) during the calendar year. The plan may be amended or terminated by the Authority at any time and for any reason in the future, but no such action can deprive employees of their vested interests.

The Authority's total payroll for the fiscal year 2023 was \$32.9 million. The Authority's contributions were calculated using the base salary amount of \$32.6 million. The Authority contributed \$1.9 million, or 6.00% of the base salary amount, in fiscal year 2023. Employee contributions amounted to \$2.7 million, in fiscal year 2023, or approximately 8.36% of the base salary amount.

NOTE 14 COMMITMENTS AND CONTINGENCIES

A. Loans

At June 30, 2023, the Authority had authorized loans and grants totaling \$37.6 million for the Illinois Affordable Housing Trust Fund.

Under the HOME Program, \$582.0 million and \$18.6 million for federal fiscal years 1992 through 2022 and 2023, respectively, have been allocated to the State by HUD, to be administered by the Authority, under the HOME Program provisions of the 1990 National Affordable Housing Act. At June 30, 2023, the Authority had authorized loans and grants totaling \$11.4 million for the HOME Program.

In accordance with an agreement (the FAF Agreement) entered into by the Authority in 1982, annual Section 8 contributions payable to HUD with respect to the developments financed by certain of the Authority's Multi-Family Housing Bonds, would be reduced to the extent of the debt service savings resulting from the early redemption of these bonds. These redemptions were accomplished through subsequent issuance of Multi-Family Housing Bonds.

In November 2006, the Authority entered into a new agreement (the FAF Refunding Agreement) with HUD at the time of delivery of the Authority's Housing Bonds, 2006 Series G to refund the Multi-Family Housing Bond refunding bonds. Pursuant to federal legislation and a written agreement with the Authority, HUD has agreed to share a portion of such savings (the FAF Savings Program) with the Authority in order to create and maintain affordable housing opportunities for individuals of "very low income" (as such term is defined in the 1937 Housing Act) in the State. These savings, which are to be used solely for the purposes stated above, are recorded as other income of the Administrative Fund. At June 30, 2023, loans receivable under this program were approximately \$41.8 million.

Due to the ongoing COVID-19 pandemic the Authority has been appropriated further funds to assist with rental (ERA2) and mortgage (HAF) assistance grants in the approximate amount of \$150.0 million and \$241.0 million, respectively. Additionally, the Authority has been appropriated funds to provide grants and forgivable loans for development of affordable housing, permanent supportive housing, and down payment assistance (SLFRF) in the approximate amount of \$201.0 million.

The accrued interest shall be calculated at the rate per year set forth in the related Series Indenture, and shall be compounded on such dates set forth in that Series Indenture, with accrual between compounding dates in equal daily amounts.

For the purposes of actions, requests, notifications, consents or directions of Bondowners under the Indenture, the calculation of the Appreciated Amount shall be as of the interest payment date or compounding date preceding such date of calculation (unless such date of calculation shall be an interest payment date or compounding date, in which case it shall be as of the date of calculation).

All Bonds surrendered in any exchange or registration of transfer shall be cancelled by the Trustee. The Authority or, at the direction of the Authority, the Trustee may make a charge for the expense incurred in every such exchange or registration of transfer of Bonds,

including a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer.

Ownership of Bonds (Section 208 of the Indenture)

The person in whose name any Bond shall be registered shall be deemed and regarded as the Owner of such Bond for all purposes. Payment of or on account of the principal of and interest on any Bond of a Series shall be made only to its Owner or the Owner's legal representative. All such payments shall be valid and effective to satisfy and discharge the liability upon such Bond, including interest on it, to the extent of the sum or sums so paid.

Issuance of Bonds (Section 209 of the Indenture)

Each Series of Bonds shall be authorized and issued under and secured by the Indenture pursuant to the authorization contained in a Series Indenture. The Bonds of each Series shall be designated as provided by the Series Indenture. The Bonds shall be in such subseries (if any), shall be in such denominations, shall be dated, shall bear interest at a rate or rates not exceeding the maximum rate then permitted by law payable beginning on such date, shall be stated to mature on such dates, shall be made redeemable at such times and prices (subject to the provisions of Article III of the Indenture), shall have such interest payment dates, shall be numbered and the Term Bonds of such Series shall have such Sinking Fund Requirements, all as may be provided by or determined in accordance with the Series Indenture for such Bonds. Subject to Section 1001(j) of the Indenture, and except as to any differences in the maturities or the interest payment dates or the rate or rates of interest or the provisions for redemption, such Bonds shall be on a parity with and shall be entitled to the same benefits and security under the Indenture as all other Bonds issued under the Indenture; provided, however, that the Authority may issue a Series of Bonds or a portion of a Series of Bonds which may be further secured by a credit facility, a bond insurance policy or other further security securing only such Series of Bonds or such portion as determined by the applicable Series Indenture in addition to the security provided in the Indenture.

Each Series Indenture authorizing the issuance of a Series of Bonds shall specify and determine:

- (i) the authorized principal amount of such Series of Bonds;
- (ii) the purposes for which the Bonds of such Series are being issued, which shall be one or more of the following purposes: (a) the financing of Mortgage Loans, (b) the financing of Mortgage-Backed Securities, (c) the making of such deposits in amounts, if any, required by the Indenture or the Series Indenture to be paid into various Funds and Accounts, (d) the refunding of Bonds prior to their redemption or maturity dates, (e) the refunding of other Authority obligations or (f) other lawful purposes of the Authority as specified in the Series Indenture;
- (iii) the maturity date or dates, the amounts of each maturity, and the interest payment dates of the Bonds of such Series;
- (iv) the interest rate or rates of the Bonds of such Series or method of determining the rate or rates;
- (v) the denomination or denominations of, and the manner of dating, numbering and lettering the Bonds of such Series;
- (vi) in the case of Term Bonds, if any, provision for Sinking Fund Requirements;

(vii) the Redemption Price or Redemption Prices, if any, the time or times and the terms and conditions upon which the Bonds of such Series may be redeemed prior to their maturities, including without limitation the method of selection for redemption as among maturities;

(viii) the amounts to be deposited from the proceeds of such Series of Bonds in the Funds and Accounts created and established by the Indenture and the Series Indenture;

(ix) any Series Reserve Requirement, the extent to which the Reserve Requirement may be accumulated over time, the amounts, including proceeds of the Bonds of such Series, which shall be deposited in the Reserve Fund or used to acquire a Cash Equivalent for deposit in the Reserve Fund, and any limitation on investments of the Reserve Fund;

(x) the manner in which Bonds of such Series are to be sold and provisions for their sale;

(xi) the Series Program Determinations, if any;

(xii) whether there shall be any Hedge Agreement with respect to the Series of Bonds, any limitation of the inclusion of the related Hedge Payments by the counterparty in Revenues, and whether the related Hedge Payments by the Authority are to be payable from amounts in the Revenue Fund (and if so, the priority of their payment as set forth in Section 212 of the Indenture);

(xiii) in the case of a Series of Bond issued to finance Mortgage-Backed Securities, the Pass-Through Rate for and maturity of each Mortgage-Backed Security or the method by which the Pass-Through Rate and maturity are to be determined; and

(xiv) any other provisions deemed advisable by the Authority not in conflict with the provisions of the Indenture.

The Bonds shall be executed substantially in the form and manner set forth above and shall be deposited with the Trustee for authentication. Before the Bonds of the Series shall be authenticated and delivered by the Trustee, there shall be on file with the Trustee the following:

(i) a copy of the Indenture and the Series Indenture duly certified by an Authorized Representative;

(ii) a Bond Counsel's Opinion stating in the opinion of such counsel that (a) the Indenture and the applicable Series Indenture have been duly authorized, executed and delivered by, and are valid and binding obligations of, the Authority and (b) the Bonds being issued are valid and legally binding special limited obligations of the Authority secured in the manner and to the extent set forth in the Indenture and the applicable Series Indenture and are entitled to the benefit, protection and security of the provisions, covenants and agreements contained in the Indenture and the applicable Series Indenture;

(iii) a Cash Flow Statement conforming to the requirements of Section 607 of the Indenture (see "Cash Flow Certificates and Cash Flow Statements" below), accompanied, in the case of each Series other than the initial Series of Bonds, by a Rating Certificate; and

(iv) a request and authorization to the Trustee on behalf of the Authority, signed by an Authorized Representative, to authenticate and deliver the Bonds to the purchaser or purchasers

identified in such request upon payment to the Trustee for the account of the Authority of the purchase price of the Bonds.

When the documents mentioned in clauses (i) to (iv), inclusive, above in this paragraph have been filed with the Trustee and when the Bonds described in the Series Indenture mentioned in clause (i) above in this paragraph have been executed and authenticated as required by the Indenture, the Trustee shall deliver such Bonds at one time to or upon the order of the purchaser or purchasers named in the request and authorization mentioned in clause (iv) above in this paragraph, but only upon payment to the Trustee of the purchase price of those Bonds. The Trustee shall be entitled to rely upon such request and authorization as to the amount of such purchase price. Simultaneously with the delivery of such Bonds the Trustee shall deposit or credit the proceeds of those Bonds into the Funds and Accounts as specified by the Indenture and the applicable Series Indenture.

Mutilated, Destroyed or Lost Bonds (Section 210 of the Indenture)

If any Bond is mutilated, destroyed or lost, the Authority shall cause to be executed, and the Trustee shall authenticate and deliver, a new Bond of the same tenor in exchange and substitution for and upon cancellation of such mutilated Bond or in lieu of and in substitution for such destroyed or lost Bond, upon the Owner's paying the reasonable expenses and charges of the Authority and the Trustee in connection with such exchange. In the case of a destroyed or lost Bond, the Owner shall file with the Trustee evidence satisfactory to it and to the Authority that (i) such Bond was destroyed or lost and (ii) of the Owner's ownership of such Bond, and furnish the Authority and the Trustee indemnity reasonably satisfactory to them.

Hedge Agreements; Hedge Payments (Section 212 of the Indenture)

The Authority may from time to time enter into one or more Hedge Agreements with respect to one or more Series of Bonds, but only upon filing with the Trustee a Cash Flow Certificate or a Cash Flow Statement, as appropriate, accompanied by a Rating Certificate. Unless otherwise specified in the related Series Indenture, Hedge Payments payable by the Authority under any Hedge Agreement shall be payable from moneys on deposit in the Debt Service Account, on a parity with payments of interest on Bonds (see clause "first" in (i) and (ii) under "Pro Rata Application of Funds" below), or, if so provided in a Series Indenture, subordinate to payments of interest on Bonds (see clause "second" in (i) and (ii) under "Pro Rata Application of Funds" below). In no event shall any Hedge Payments be paid with any amounts drawn under a credit facility or bond insurance policy securing the related Bond or remarketing proceeds derived from the related Bonds. Hedge Payments may include premiums for insurance of the Authority's obligation to make such payments or reimbursement of payments under such insurance, as provided in the related Series Indenture.

Redemption of Bonds (Section 301 of the Indenture)

Except as otherwise stated in the related Series Indenture, money shall, upon an Authority Request to the Trustee, be applied by the Trustee to the purchase or the redemption of Bonds selected from among the Series (and subseries, if applicable), maturities and interest rates on the basis specified by the Authority in that Authority Request, which shall be accompanied by a Cash Flow Statement if such basis is not consistent with the assumptions set forth in the most recently filed Cash Flow Statement.

Except as otherwise provided in a Series Indenture, if less than all of the Term Bonds Outstanding of any one Series (or subseries, if applicable) and maturity bearing the same interest rate (and otherwise of like tenor) are purchased for cancellation or redeemed (other than in satisfaction of Sinking Fund

Requirements), the principal amount of such Term Bonds that are so purchased or redeemed shall be credited, to the extent practicable, except as otherwise provided in an Authority Request, against all remaining Sinking Fund Requirements for the Term Bonds of such Series (and subseries, if applicable) and maturity bearing the same interest rate (and otherwise of like tenor) in the proportion which the then remaining balance of each such Sinking Fund Requirement bears to the total of all Bonds of such Series (and subseries, if applicable) and maturity bearing the same interest rate (and otherwise of like tenor) then Outstanding.

Establishment of Funds and Accounts (Section 401 of the Indenture)

The Indenture establishes the following Funds and Accounts:

- Program Fund
- Series Program Accounts
- Authority Program Accounts

- Revenue Fund
- Debt Service Account
- Recovery of Principal Account
- Redemption Account

- Reserve Fund

- Special Program Fund

- Rebate Fund

Additional Funds and Accounts (including Series Rebate Accounts in the Rebate Fund for the purpose of depositing amounts required to be rebated to the United States) may be created and designated in Series Indentures, including as described under “Issuance of Bonds” above. The full designation of each such Fund and Account shall include the term “Illinois Housing Development Authority Revenue Bonds,” which term shall precede the designation as set forth above. Each such Fund and Account shall be held by the Trustee, in trust, separate and apart from all other funds of the Authority, for the purposes provided in the Indenture. In Series Indentures or in Supplemental Indentures establishing Authority Program Accounts, the Authority may provide for the deposit of amounts in Funds and Accounts, which amounts shall be subject to the lien of the Indenture for the purposes and period of time set forth in the applicable Series Indenture or Supplemental Indenture.

Program Fund (Section 402 of the Indenture)

For each Series of Bonds there shall be a Series Program Account. Amounts received upon the sale of a Series of Bonds shall be deposited in the Program Fund and credited to the related Series Program Account in the amount, if any, provided in the applicable Series Indenture. In addition, amounts shall be deposited in the Program Fund from the Revenue Fund as provided in Section 403 of the Indenture (see “Revenue Fund” below) and shall be credited to the Series Program Account as specified in the Authority Request directing the transfer.

Amounts in a Series Program Account shall be used to pay Costs of Issuance of the related Series of Bonds, or to reimburse the Authority for Costs of Issuance, in either case in the amount specified in or pursuant to the Series Indenture, upon a requisition stating generally the nature and amount of those Costs of Issuance signed by an Authorized Representative.

Amounts in Series Program Accounts other than amounts used or to be used to pay Costs of Issuance shall be applied by the Trustee to (i) finance Mortgage Loans (the characteristics of which conform to any Series Program Determinations applicable to that Series of Bonds), (ii) finance Mortgage-Backed Securities (the characteristics of which, and for which the characteristics of the Mortgage Loans in the pool underlying such Mortgage-Backed Security, conform to any Series Program Determinations applicable to that Series of Bonds), (iii) upon Authority Request consistent with Section 608 of the Indenture (see “Tax Covenants” below), to pay costs of Supplemental Mortgage Coverage with regard to those Mortgage Loans, or (iv) as otherwise provided in the applicable Series Indenture. As provided in a Series Indenture, the amount applied to finance a Mortgage Loan or Mortgage-Backed Security may exceed the sum of its outstanding principal amount and accrued interest. As provided in a Series Indenture, the Authority may use amounts in a related Series Program Account to acquire as Pledged Property Mortgage Loans and Mortgage-Backed Securities previously acquired by the Authority not as Pledged Property.

The Trustee shall transfer unexpended amounts in a Series Program Account to the Revenue Fund to the credit of the Redemption Account as specified by an Authority Request.

The Authority may establish an Authority Program Account by Series Indenture or Supplemental Indenture and in such Series Indenture or Supplemental Indenture may provide for the deposit of monies of the Authority (other than Pledged Property) into the Authority Program Account. Upon their deposit in an Authority Program Account, such monies will be Contributed Assets. Amounts in Authority Program Accounts shall be applied by the Trustee to finance Mortgage Loans (the characteristics of which conform to the related Authority Program Determination), to finance Mortgage-Backed Securities (for which the characteristics of the Mortgage Loans in the pool underlying such Mortgage-Backed Security or Mortgage-Backed Securities conform to the related Authority Program Determinations), or, upon Authority Request, to pay costs of Supplemental Mortgage Coverage with regard to those Mortgage Loans or as otherwise provided in the applicable Authority Program Determination.

The Trustee shall transfer unexpended amounts in an Authority Program Account to the Authority as specified in an Authority Request accompanied by a Ratings Certificate.

The Trustee shall transfer amounts from the Program Fund to the Revenue Fund to the credit of the Debt Service Account as provided in Section 408 of the Indenture (see “Deficiencies in Debt Service Account” below).

The Trustee shall transfer amounts in a Series Program Account for Bonds refunded in whole or in part by Bonds to the Series Program Account for the refunding Bonds, if so directed by the Series Indenture for the refunding Bonds.

Revenue Fund (Section 403 of the Indenture)

The Authority shall transfer all Revenues to the Trustee within three business days following receipt. All Revenues received by the Trustee shall be deposited in the Revenue Fund. Amounts received upon the sale of a Series of Bonds shall be deposited in the Revenue Fund in the amount, if any, provided in the applicable Series Indenture, for credit to the Debt Service Account to pay debt service as specified in the Series Indenture.

Except as provided in a Series Indenture, (i) the Authority shall identify and notify the Trustee in writing of the amount of any Revenues which are Recoveries of Principal and (ii) Recoveries of Principal shall be credited to the Recovery of Principal Account. Except as may be limited by a Series Indenture, amounts in the Recovery of Principal Account may be transferred at any time upon an Authority Request

to the Redemption Account or, upon filing with the Trustee a Cash Flow Certificate or Cash Flow Statement, as applicable, any Series Program Account or an Authority Program Account.

At any time, upon Authority Request, the Trustee shall apply amounts in the Revenue Fund not credited to any Account in the Fund to pay the accrued interest portion of the cost of acquiring any Mortgage Loan or Mortgage-Backed Security consistent with the related Series Indenture.

Upon their receipt, the Authority shall notify the Trustee as to any amounts which have been received for accrued interest with respect to Mortgage Loans or Mortgage-Backed Securities made or acquired from amounts which were expended from the Series Program Account or Authority Program Account (to the extent not so funded from a transfer from the Revenue Fund). The Trustee shall transfer those amounts to the credit of the applicable Series Program Account or Authority Program Account.

On or prior to each debt service payment date (including any date of redemption pursuant to Sinking Fund Requirements or other mandatory redemption requirements that are payable from the Debt Service Account as provided in a Series Indenture) for any Bonds and each due date of Hedge Payments by the Authority that are payable from the Revenue Fund (as provided in a Series Indenture or in a Supplemental Indenture as described in clause (ix) under “Bondowners’ Consent Not Required” below), the Trustee shall transfer all amounts in the Revenue Fund not in any Account in the Revenue Fund to the credit of Funds and Accounts in the following priority:

- (1) to the Debt Service Account, an amount sufficient, together with amounts on deposit in that Account, timely to pay interest and principal, at maturity or mandatory redemption (pursuant to Sinking Fund Requirements or such other redemption requirements), due on the Bonds on such debt service payment date or Hedge Payment due date, to pay any fees due on or prior to such debt service payment date or Hedge Payment due date in connection with tender option features, letters of credit, standby bond purchase agreements and other forms of credit or liquidity related to Bonds as set forth in the Series Indenture or a Supplemental Indenture, and to pay any Hedge Payments that are payable from the Revenue Fund (as provided in a Series Indenture or in a Supplemental Indenture as described in clause (ix) under “Bondowners’ Consent Not Required” below) and are due on such debt service payment date or Hedge Payment due date;
- (2) to the payment of (i) Expenses specified in a Series Indenture and (ii) such other Expenses as may be provided in an Authority Request accompanied by a Cash Flow Certificate or Cash Flow Statement, as applicable;
- (3) to the Reserve Fund, an amount sufficient to cause the amount on deposit in that Fund, including Cash Equivalents permitted by Section 407 of the Indenture (see “Reserve Fund” below), to equal the Reserve Requirement;
- (4) to the Redemption Account an amount as specified in an Authority Request;
- (5) to any Series Program Account or Authority Program Account in the Program Fund an amount as specified in an Authority Request accompanied by a Cash Flow Certificate or Cash Flow Statement, as appropriate; and
- (6) to the Authority, for any other purpose authorized or required under the Act free and clear of the pledge and lien of the Indenture. No such payment shall be made except upon filing of a Cash Flow Certificate or Cash Flow Statement, as appropriate.

At any time the Trustee shall, upon Authority Request, apply amounts in the Revenue Fund not credited to any Account in it or amounts in the Rebate Fund to make required rebates to the United States as required by the Code.

At any time the Trustee shall apply, upon an Authority Request, amounts in the Revenue Fund and not credited to any Account in it to the purchase of Bonds at the times, in the manner and for the purposes set forth in Section 405 of the Indenture (see “Purchase of Bonds from Revenue Fund” below).

At any time, upon Authority Request, amounts on deposit in the Revenue Fund may be applied to pay Expenses as specified in an Authority Request, accompanied by a Cash Flow Certificate or Cash Flow Statement.

Debt Service Account (Section 404 of the Indenture)

The Trustee shall, on each principal or interest payment date, date of redemption pursuant to Sinking Fund Requirements (or other mandatory redemption requirements that are payable from the Debt Service Account, as provided in a Series Indenture), and due date of Hedge Payments by the Authority that are payable from the Debt Service Account (as provided in a Series Indenture or Supplemental Indenture), apply amounts in the Debt Service Account to the payment of principal of and interest on the Bonds on that date and credit or liquidity fees and Hedge Payments as provided in Section 403 of the Indenture (see “Revenue Fund” above), as follows. The Trustee shall remit the interest due by mail (or other method of transfer acceptable to the Authority or as provided in a Series Indenture) to each Owner of Bonds the amounts required for paying the interest on such Bonds as such interest becomes due and payable. Amounts for paying principal shall be held in trust by the Trustee for paying that principal. The Trustee shall remit to any credit or liquidity provider, as described in Section 403 of the Indenture, its fees in connection with such credit or liquidity arrangement. The Trustee shall remit to the counterparty under a Hedge Agreement, as described in Section 403 of the Indenture, the Hedge Payments due to the counterparty under the Hedge Agreement. An Authorized Representative of the Authority shall advise the Trustee in writing regarding the amount of any such liquidity fees and Hedge Payments and when payment is due.

Purchase of Bonds from Revenue Fund (Section 405 of the Indenture)

Amounts on deposit in the Revenue Fund and not credited to any Account in it may be applied as applicable to the purchase of Term Bonds of each Series then Outstanding subject to Sinking Fund Requirements on the next date in such Fiscal Year such payments are scheduled as provided in this Section. The Trustee, upon an Authority Request, shall endeavor to purchase from such amounts to be transferred to it by the Trustee the Term Bonds or portions of Term Bonds of each Series stated to mature on the next maturity date or to be redeemed pursuant to Sinking Fund Requirements for Term Bonds of such Series then Outstanding at a price not to exceed the Redemption Price (plus accrued interest to the date of redemption) which would be payable on the next redemption date to the Owners of such Term Bonds under the provisions of the applicable Series Indenture if such Term Bonds or portions of Term Bonds should be selected for redemption on such date. However, subject to applicable law, notwithstanding the maximum purchase price set forth in the preceding sentence, if at any time the Trustee notifies the Trustee that the investment earnings on the money in the Revenue Fund and not credited to any Account in it available for such a purchase shall be less than the interest accruing on the Bonds to be redeemed on such date from such Sinking Fund Requirement, then the Trustee may pay a purchase price for any such Bond in excess of the Redemption Price which would be payable on the next redemption date to the Owner of such Bond under the provisions of the applicable Series Indenture if an Authorized Representative certifies to the Trustee that the amount paid in excess of such Redemption Price is expected to be less than the interest which is expected to accrue on the Bond less any investment earnings on such available money during the period from the settlement date of the proposed purchase to the redemption date. The Trustee shall pay the interest

accrued on such Term Bonds or portions of Term Bonds to the date of settlement for the Term Bonds from the Revenue Fund. No such purchase of a Bond shall be made by the Trustee after the giving of notice of redemption as to that Bond by the Trustee. Term Bonds so purchased shall be delivered to the Trustee for cancellation.

Use of Amounts in Redemption Account for Purchase or Redemption (Section 406 of the Indenture)

The Trustee may at any time apply money deposited in the Revenue Fund to the credit of the Redemption Account for the purchase or redemption of Bonds as follows:

The Trustee, upon Authority Request, shall endeavor to purchase, from such amounts, Bonds or portions of Bonds then Outstanding, whether or not such Bonds or portions of Bonds shall then be subject to redemption, at a price not to exceed the Redemption Price (plus accrued interest, if any, to the date of redemption) which would be payable on the next redemption date to the owners of such Bonds if such Bonds or portions of Bonds should be called for redemption. Such maximum purchase price may be exceeded, subject to applicable law, in accordance with the third sentence in Section 405 of the Indenture (see “Purchase of Bonds from Revenue Fund” above). Such Authority Request shall be accompanied by a Cash Flow Statement if such purchase is not consistent with the assumptions set forth in the most recently filed Cash Flow Statement. The interest accrued on such Bonds to the date of settlement shall be paid from the Debt Service Account or the Revenue Fund (not credited to any Account in it), but no such purchase shall be contracted for by the Trustee after the Trustee has given notice that such Bonds have been called for redemption except from money other than the money set aside in the Redemption Account or other Account established by Series Indenture for the redemption of such Bonds.

The Trustee, upon Authority Request, shall call Bonds for redemption, on the earliest practicable date on which those Bonds are subject to redemption, from money in the Redemption Account, and, with respect to interest on such Bonds payable upon redemption, the Debt Service Account or the Revenue Fund (not credited to any Account in it). Such Authority Request shall be accompanied by a Cash Flow Statement if such redemption is not consistent with the assumptions set forth in the most recently filed Cash Flow Statement.

Upon an Authority Request, amounts in the Redemption Account not required for redemption of Bonds for which notice of redemption has been given or for payment of a contract for purchase of Bonds shall be transferred to any Account of the Program Fund, upon filing with the Trustee either a Cash Flow Certificate or Cash Flow Statement, as appropriate, or to the Revenue Fund and not in an Account.

Reserve Fund (Section 407 of the Indenture)

The Authority shall deposit amounts in the Reserve Fund as provided in the Series Indentures and as provided in Section 403 of the Indenture (see “Revenue Fund” above). The Trustee shall transfer money held in the Reserve Fund to the Debt Service Account, pursuant to Section 408 of the Indenture (see “Deficiencies in Debt Service Account” below). The Reserve Fund may be funded in whole or in part through Cash Equivalents either (i) delivered upon issuance of a Series of Bonds or (ii) as to which a Rating Certificate is filed with the Trustee. Amounts held in the Reserve Fund as of any date in excess of the Reserve Requirement, taking into account any such Cash Equivalents in the Reserve Fund, shall upon an Authority Request, be transferred to the Revenue Fund.

Deficiencies in Debt Service Account (Section 408 of the Indenture)

In the event that amounts in the Debt Service Account are insufficient, on any interest payment date, principal payment date, date of redemption pursuant to Sinking Fund Requirements (or other

mandatory redemption requirements that are payable from the Debt Service Account, as provided in a Series Indenture), or due date of Hedge Payments that are payable from the Revenue Fund (as provided in a Series Indenture or in a Supplemental Indenture as described in clause (ix) under “Bondowners’ Consent Not Required” below), to pay the principal of and interest on the Bonds due and unpaid on such date, whether at the stated payment or maturity date or by the retirement of such Bonds in satisfaction of Sinking Fund Requirements or such other mandatory redemption requirements, and to pay such Hedge Payments due and unpaid on such date, the Trustee shall withdraw amounts from the following Funds and Accounts in the following order of priority to the extent necessary to eliminate such deficiency:

- (1) Revenue Fund (not credited to any Account);
- (2) Recovery of Principal Account;
- (3) Redemption Account;
- (4) Reserve Fund;
- (5) Program Fund; and
- (6) Special Program Fund (first from amounts restricted therein to the payment of debt service on Bonds and second from unrestricted amounts therein).

No amounts on deposit in the Revenue Fund being held to pay the Redemption Price of Bonds called for redemption or purchase shall be withdrawn as provided in this Section to the extent that such amounts have been set aside for the payment of Bonds which have been identified for purchase or selected for redemption, and no amounts on deposit in any Series Program Account shall be withdrawn as provided in this Section to the extent that the Authority is contractually obligated to finance identified Mortgage Loans or Mortgage-Backed Securities acceptable for financing with amounts on deposit in such Series Program Account.

Money Sufficient to Purchase or Redeem Bonds (Section 409 of the Indenture)

Whenever money and securities held for the credit of the Revenue Fund, the Reserve Fund and the Special Program Fund (excluding amounts in the Special Program Fund not restricted to payment of debt service on Bonds unless the Authority otherwise directs that such amounts be applied for such purpose) are sufficient to pay, purchase or redeem all Bonds in whole on the next succeeding interest payment date, the Trustee shall apply such money, upon receipt of an Authority Request requesting such application, to the payment, purchase or redemption of the Bonds in accordance with Section 1101 of the Indenture (see “Defeasance” below).

Money Held in Trust (Section 410 of the Indenture)

All money which the Trustee has withdrawn or set aside for the purpose of payment of principal, interest or Redemption Price of any of the Bonds secured by the Indenture, either at their maturity or upon redemption, shall be held in trust for the respective Owners of such Bonds and such money shall not be subject to lien or attachment by any creditor of the Authority or the Trustee. Any money that is so set aside by the Trustee and which shall remain unclaimed by the Owners of such Bonds for the period of two (2) years after the date on which such Bonds or the interest on such Bonds shall become due and payable shall upon written request be paid to the Authority or to such officer, board or body as may then be entitled by law to receive it. Thereafter the Owners of such Bonds shall look only to the Authority or to such officer, board or body, as the case may be, for payment and then only to the extent of the amounts so received

without any interest on such amounts, and the Trustee shall have no responsibility with respect to such money.

Purchase, Redemption and Cancellation of Bonds (Section 411 of the Indenture)

Upon the retirement of any Bonds by purchase for cancellation or by redemption, the Trustee shall file with the Authority a statement briefly describing such Bonds and setting forth the date of their purchase for cancellation or their redemption, the amount of the purchase price or the Redemption Price of such Bonds and the amount paid as interest on them. The expenses in connection with the purchase or redemption of any such Bonds shall be paid from the Revenue Fund as Expenses as permitted by Section 403 of the Indenture (see “Revenue Fund” above). Subject to the immediately succeeding paragraph, all Bonds paid, redeemed or purchased, either at or before maturity, shall be cancelled upon the payment, redemption or purchase of such Bonds and shall be delivered to the Trustee when such payment, redemption or purchase is made. All Bonds cancelled under any of the provisions of the Indenture shall be destroyed by the Trustee in accordance with its customary procedures. The Trustee shall execute a certificate in duplicate describing the Bonds so destroyed, and one executed certificate shall be filed with the Authority and the other executed certificate shall be retained by the Trustee.

Notwithstanding the immediately preceding paragraph, subject to applicable law, Bonds purchased with amounts in any Fund or Account under the Indenture or any Series Indenture or with other moneys of the Authority shall not be cancelled by reason of such purchase to the extent that upon such purchase the Authority shall have delivered to the Trustee (i) a Certificate of an Authorized Representative to the effect that such Bonds are being purchased with the intention that they will be resold rather than cancelled and (ii) if interest on such Bonds is intended to be excluded from the gross income of the recipient thereof for federal income tax purposes, a Bond Counsel Opinion to the effect that the failure to cancel such Bonds, in and of itself, will not adversely affect such exclusion.

Exchange of Money and Securities (Section 412 of the Indenture)

Upon Authority Request, the Trustee shall exchange money and/or Investment Obligations on deposit in any Fund or Account for an equal amount of money and/or Investment Obligations on deposit in any other Fund or Account or in any fund or account held under another bond resolution or indenture of the Authority.

Special Program Fund (Section 413 of the Indenture)

At the direction of an Authorized Representative, the Trustee shall deposit in the Special Program Fund any cash, securities, loans, investments or other property of the Authority provided by the Authority and not otherwise pledged under the Indenture. While on deposit in the Special Program Fund, such cash, securities, loans, investments or other property shall be held in trust pursuant to Section 501 of the Indenture (see “Security for Deposits” below) and pledged under the Indenture.

Notwithstanding the provisions of Section 502 of the Indenture (see “Investment of Money” below), any moneys held in the Special Program Fund may be invested or reinvested in such securities, loans or other investments as may be directed by an Authorized Representative, which may include Investment Obligations or securities (or participation interests) referred to in the definition of Mortgage-Backed Securities, but is not restricted thereto unless otherwise provided in a Series Indenture or Supplemental Indenture. Any interest or income earned with respect to any said securities, loans or other property shall likewise be retained in the Special Program Fund or upon the filing of an Authority Request released to the Authority, except as otherwise provided herein. Any such investment shall be in accordance with Illinois law, including without limitation the Public Funds Investment Act, 30 ILCS 235.

If on any date payments are required to be made from the Debt Service Account and there are not sufficient funds in the Debt Service Account to make such payments, the Trustee shall, after applying the prior sources as set forth in Section 408 (see “Deficiencies in Debt Service Account” above), withdraw (i) from the Special Program Fund amounts restricted for transfer to the Debt Service Account pursuant to this Section and (ii) to the extent necessary, from the unrestricted amounts in the Special Program Fund, and to the extent of such amounts transfer to the Debt Service Account such available amounts as are necessary to provide sufficient funds for the required transfers from the Debt Service Account.

At any time that no Event of Default exists, at the direction of an Authorized Representative, the Trustee shall withdraw from the Special Program Fund and pay to the Authority, free and clear of the lien of the Indenture, such amounts, securities, loans, investments or other property as shall be specified therein, including any interest or income earned thereon, unless otherwise restricted by a Series Indenture or Supplemental Indenture.

Upon the filing with the Trustee of an Authority Request, the Authority may create a lien on all or any part of the moneys, securities, loans, investments or other property held in the Special Program Fund, and not otherwise restricted by a Series Indenture or Supplemental Indenture or previous Authority Request, to secure any obligation of the Authority under the Indenture, including, without limitation, all Outstanding Bonds, a particular class of Outstanding Bonds or a particular series of Bonds, and, if so specified in such Authority Request, such lien shall be prior to the lien on the otherwise unrestricted moneys, securities, loans, investments or other property in the Special Program Fund granted by the Indenture to the Trustee in favor of the Outstanding Bonds.

Trustee Payment of Expenses (Section 414 of the Indenture)

The Authority grants to the Trustee, and the Trustee retains at all times, an ownership interest in the Pledged Property, sufficient to enable the Trustee to make any payments to be made by it as described under this heading. This ownership interest is not in limitation of the ability of the Authority to sell or otherwise dispose of Mortgage Loans and Mortgage-Backed Securities and to expend amounts in Funds and Accounts as provided in the Indenture. However, the right of the Trustee to use unexpended amounts in the Revenue Fund to make payments of Expenses, as described under this heading “Trustee Payment of Expenses,” shall have priority over any payment of amounts in the Revenue Fund to the Authority.

If the Trustee, in its sole discretion, shall conclude that the Authority for any reason, including without limitation, its inability to act, has failed timely to pay any of the Expenses described in clause (i) of the definition thereof in Section 101 of the Indenture (see “Certain Definitions” above) relating to the Trustee or the Program and that such failure, if not corrected, has resulted or may result in an Event of Default, the Trustee may at any time itself apply any amounts in the Revenue Fund (which are or would be available for payment of Expenses under Sections 403 of the Indenture as described under “Revenue Fund” above) to pay any such Expenses other than general administrative expenses of the Authority, including, without limitation, the following:

- (i) any costs of maintaining Supplemental Mortgage Coverage as provided by the Indenture or any Series Indenture;
- (ii) the fees or expenses of the Trustee;
- (iii) costs of servicing Mortgage Loans and of realizing on any Mortgage Loan upon any default;

- (iv) costs of maintaining all necessary records with respect to Pledged Property, preparing any necessary cash flow projections and complying with any covenant in the Indenture or any Series Indenture, including any tax covenant;
- (v) any payments required to comply with any tax covenants; and
- (vi) any other expenses determined by the Trustee, in its sole discretion, to be necessary or appropriate to maintain the value of the Pledged Property.

The Authority shall give the Trustee written notice if for any reason it fails or is unable timely to pay any Expenses. The Trustee shall give the Authority written notice of any payment of Expenses as described under this heading “Trustee Payment of Expenses.”

Any powers given the Trustee as described under this heading “Trustee Payment of Expenses” are in addition to and not in lieu of or in limitation on any other rights or remedies of the Trustee under the Indenture, except that to the extent Section 706 of the Indenture (see “Pro Rata Application of Funds” below) applies, payments received by the Trustee shall be applied as provided in Section 706 of the Indenture and not as described under this heading as described under this heading “Trustee Payment of Expenses.”

Security for Deposits (Section 501 of the Indenture)

Any and all money held by the Trustee under the Indenture, except as otherwise expressly provided in the Indenture, shall be held in trust, shall be applied only in accordance with provisions of the Indenture and shall not be subject to any lien, charge or attachment by any creditor of the Authority.

All money deposited with the Trustee in any Account or Fund created under the Indenture shall, until invested in Investment Obligations in accordance with Section 502 of the Indenture (see “Investment of Money” below), to the extent such deposits are in excess of the amount guaranteed by the Federal Deposit Insurance Corporation or other federal agency, be continuously secured for the benefit of the Authority and the Owners of the Bonds either (a) by lodging with a bank, trust company or national banking association selected by the Authority as custodian, or, if then permitted by law, by setting aside under control of the trust department of the bank, trust company or national banking association holding such deposit as collateral security, Government Obligations or, with the approval of the Trustee, other marketable securities eligible as security for the deposit of trust funds under regulations of the Comptroller of the Currency of the United States of America, having a market value at all times (exclusive of accrued interest) not less than the amount of such deposit or (b) if the furnishing of security as provided in clause (a) of this paragraph is not permitted by applicable law, then in such other manner as may then be required or permitted by applicable State or federal laws and regulations regarding the security for, or granting a preference in the case of, the deposit of trust funds. However, it shall not be necessary, except as otherwise provided in the Indenture, for the Trustee to give security for any money which shall be represented by obligations purchased under the provisions of the Indenture as an investment of such money.

All money deposited with the Trustee pursuant to the Indenture shall be credited to the particular Account or Fund to which such money belongs.

Investment of Money (Section 502 of the Indenture)

Other than money deposited in the Special Program Fund, which shall be invested as provided in Section 413 hereof (see “Special Program Fund” above), money deposited under the Indenture shall, as nearly as is practicable, be fully and continuously invested or reinvested by the Trustee upon the direction

of an Authorized Representative (promptly confirmed by delivery of an Authority Request) in Investment Obligations which shall be in such amounts and bear interest at such rates that sufficient money will be available to pay the principal and interest due on the Bonds and shall mature, or which shall be subject to redemption by the holder at the option of the holder, such that sufficient money will be available for the purposes intended. The Trustee may conclusively rely upon the Authorized Representative's written instructions as to the legality of the directed investments. In the absence of investment instructions from an Authorized Representative, the Trustee shall not be responsible or liable for keeping the moneys held by it under the Indenture fully invested in Investment Obligations.

Any Investment Obligations so purchased in any Account or Fund shall be deemed at all times to be part of such Account or Fund. Any interest paid on the investment in any Account or Fund (except the Rebate Fund) shall be credited to the Revenue Fund and shall be treated as Revenues. Any interest paid on the investment of the Rebate Fund shall be credited to the Rebate Fund. Any profit or loss resulting from an investment shall be credited to or charged against the applicable Account or Fund of which it is an investment. The Trustee shall sell or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide money to meet any payment or transfer from any such Account or Fund. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such transactions, including cash sweep account fees. Neither the Trustee nor the Authority shall be liable or responsible for any loss resulting from any such investment.

For the purposes of making any investment, the Trustee may consolidate money in any Fund or Account with money in any other Fund or Account and may transfer an interest in an investment from one Fund or Account to another without liquidating the investment.

Except as may be provided in a Series Indenture with respect to the Reserve Fund, in computing the amount on deposit to the credit of any Account or Fund, Investment Obligations in such Account or Fund shall be valued at Amortized Value plus the amount of interest on such obligations purchased with money in such Account or Fund.

Indenture to Constitute Contract (Section 601 of the Indenture)

The Indenture is a contract between the Authority and the Owners of the Bonds.

Security Interests (Section 602 of the Indenture)

The Authority pledges and assigns and grants a lien on and security interest in the Pledged Property as security for the payment of interest on and principal of and the redemption premium, if any, of the Bonds. The Pledged Property may be applied as provided in or pursuant to the Indenture.

Notwithstanding the assignment, pledge and grant in this Section, the Authority shall, if no Event of Default has occurred and is continuing, and except as may be provided in a Series Indenture, have the right to sell or dispose of Mortgage Loans and Mortgage-Backed Securities consistent with the provisions of the Indenture (including, but not limited to, Section 608 of the Indenture (see "Tax Covenants" below)) and shall have the right to restructure, enforce and forbear enforcement of Mortgage Loans in such manner as determined by the Authority in its discretion consistent with the provisions of the Indenture, including the ability to compromise, and release security for, Mortgage Loans.

Any pledge, assignment, lien and security interest made pursuant to the Indenture and any Series Indenture shall be valid and binding and effective upon its being made or granted, or upon property becoming subject to it, without any physical delivery, filing, recording or further act. The pledge,

assignment, lien and security interest shall be valid and binding as against, and shall be superior to any claims of all others having claims of any kind against the Authority or any other person, irrespective of whether such other parties have notice of the pledge, assignment, lien or security interest.

Except for the issuance of Bonds pursuant to the Indenture, the Authority shall not make or grant any pledge, assignment, lien or security interest in any Pledged Property which is senior to or on a parity with the security provided by the Indenture. Subject to the provisions of Section 1001 of the Indenture described in clause (x) under “Bondowners’ Consent Not Required” below, and except as expressly provided in or pursuant to the Indenture, all security for the Bonds under the Indenture shall be for the equal and proportionate benefit of the obligations of the Authority on all Bonds; provided, however, that a Series of Bonds may be further secured by a credit facility, bond insurance policy, or other further security not applicable to any one or more other Series of Bonds, as shall be provided by the applicable Series Indenture in addition to the security provided in the Indenture.

Payment of Principal, Interest and Premium (Section 603 of the Indenture)

The Authority covenants that it will promptly pay, but solely from Pledged Property, the principal of and interest, if any, on each and every Bond issued under the provisions of the Indenture at the places, on the dates and in the manner specified in the Indenture and those Bonds. The Authority covenants that it will pay, but solely from Pledged Property, any premium required for the retirement of Bonds by purchase or redemption according to their true intent and meaning. The Bonds are not general obligations of the Authority. The State is not liable on the Bonds and the Bonds are not a debt of the State.

Covenant to Perform Obligations Under the Indenture (Section 604 of the Indenture)

The Authority covenants that it will faithfully perform at all times all covenants, undertakings, stipulations, provisions and agreements contained in the Indenture, each Series Indenture and in each Bond.

Further Instruments and Actions (Section 605 of the Indenture)

The Authority covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such supplemental indentures and such further acts, instruments and transfers as may be necessary or desirable to confirm, make effective or otherwise implement the pledge, assignment, lien and security interest granted by the Indenture or any Series Indenture.

Maintenance of Security (Section 606 of the Indenture)

The Authority covenants that, except as otherwise expressly permitted by the Indenture or a Series Indenture, it will not sell, convey, mortgage, encumber or otherwise dispose of the money held for the credit of any Fund or Account created under the Indenture.

Cash Flow Certificates and Cash Flow Statements (Section 607 of the Indenture)

Prior to taking any of the following actions the Authority shall file with the Trustee a Cash Flow Certificate or a Cash Flow Statement, as appropriate, accompanied by a Rating Certificate:

- (i) issuing any Series of Bonds (except no Rating Certificate is required for the initial Series of Bonds);
- (ii) making any supplement or amendment to a Series Indenture as described in clause (ix) under “Bondowners’ Consent Not Required” below;

- (iii) entering into any Hedge Agreement;
- (iv) remarketing any Bonds in connection with a change in tender period except as required at the time of their issuance; or
- (v) causing amounts to be transferred from Authority Program Accounts to the Authority.

Prior to taking any of the following actions, the Authority shall file with the Trustee either a Cash Flow Certificate or a Cash Flow Statement, as appropriate:

- (i) any purchase or redemption of Bonds (other than mandatory redemption pursuant to Sinking Fund Requirements, other mandatory redemptions as provided in a Series Indenture, purchases of Bonds as provided in Section 405 of the Indenture, and any purchase or redemption of Bonds that is consistent with the assumptions set forth in the most recently filed Cash Flow Statement);
- (ii) any withdrawal of amounts from the Revenue Fund pursuant to Section 405 of the Indenture to pay Expenses as described in (2)(ii) under “Revenue Fund” above, or to a Series Program Account or Authority Program Account as described in (6) under “Revenue Fund” above, or to the Authority free and clear of the pledge and lien of the Indenture as described in (6) under “Revenue Fund” above;
- (iii) any amendment or sale or other disposition of Mortgage Loans not in default or Mortgage-Backed Securities not in default that would cause the aggregate principal amount of the Mortgage Loans and Mortgage-Backed Securities amended or sold or disposed of since filing of the last Cash Flow Statement to exceed five percent (5%) of the aggregate principal amount of all Mortgage Loans and Mortgage-Backed Securities;
- (iv) any use of Recoveries of Principal with respect to Mortgage Loans or Mortgage-Backed Securities (other than Mortgage Loans or Mortgage-Backed Securities acquired solely with amounts in any Authority Program Account) for any use other than purchase or redemption of Bonds or payment of scheduled debt service;
- (v) any transfer of amounts from the Redemption Account to an Account of the Program Fund pursuant to Section 406 of the Indenture as described in the last paragraph under “Use of Amounts in Redemption Account for Purchase or Redemption” above;
- (vi) any payment of Expenses described in clause (ii) of the definition thereof in Section 101 of the Indenture (see “Certain Definitions” above); or
- (vii) making any material change not consistent with the assumptions set forth in the most recently filed Cash Flow Statement.

A Cash Flow Certificate with respect to any action is a certificate of an Authorized Representative stating that the action is consistent with the assumptions set forth in the most recently filed Cash Flow Statement.

A Cash Flow Statement is a certificate of an Authorized Representative stating that each set of cash flow projections included in the certificate demonstrates that there will at all times be available sufficient amounts in the Funds and Accounts to pay timely all principal of and interest on the Bonds, and to make

when due all Hedge Payments that are payable from the Revenue Fund (as provided in a Series Indenture or in a Supplemental Indenture as described in clause (ix) under “Bondowners’ Consent Not Required” below), and to fund the Reserve Fund to the Reserve Fund Requirement, and to pay Expenses described in clause (i) of the definition thereof in Section 101 of the Indenture (see “Certain Definitions” above), under the assumptions set forth in the Cash Flow Statement. A Cash Flow Statement may include a single set of cash flow projections or more than one set of cash flow projections, and each set of projections shall set forth the assumptions, which shall be consistent with the Authority’s reasonable expectations at the time such Cash Flow Statement is filed, as to actions to be taken pursuant to the Indenture and as to the characteristics and behavior of Pledged Property and of the Authority’s payment obligations under the Indenture, upon which such projections are based. Amounts credited to the Special Program Fund (other than amounts restricted to the payment of debt service on the Bonds) shall not be taken into account when preparing a Cash Flow Statement.

Tax Covenants (Section 608 of the Indenture)

The Authority shall at all times perform the applicable tax covenants contained in any applicable Series Indenture and in any tax certificate of the Authority related to a Series of Bonds.

Enforcement of Rights Under Mortgage Loans (Section 609 of the Indenture)

The Authority covenants to enforce all its rights and obligations under and pursuant to the Mortgage Loans as determined by the Authority in its discretion to be necessary to obtain payment as due, subject to the rights of the Authority under Section 602 of the Indenture as described in the second paragraph under “Security Interests” above, and to comply with the Act and all covenants with regard to federal income taxation of interest on those Bonds. The Authority agrees that the Trustee, in the name of the Authority, may enforce all rights of the Authority under and pursuant to the Mortgage Loans for and on behalf of the Bondowners pursuant to Section 704 of the Indenture (see “Enforcement of Remedies” below), whether or not an Event of Default exists. The Trustee shall be under no obligation to service the Mortgage Loans itself, but shall use its best efforts to obtain servicing for the Mortgage Loans to the extent that the Authority informs the Trustee in writing, or the Trustee concludes upon an Event of Default, that the Authority is unable to perform or obtain such servicing. This Section does not apply to Mortgage Loans that are included in the pool of loans with respect to which a Mortgage-Backed Security is issued.

Maintenance of Corporate Existence of Authority (Section 610 of the Indenture)

The Authority shall at all times use its best efforts to maintain its corporate existence and to maintain, preserve and renew all its rights, powers, privileges and franchises, and it will comply with all valid acts, rules, regulations, orders and directions of any legislative, administrative or judicial body applicable to the Indenture and any Series Indenture.

Books and Records (Section 611 of the Indenture)

The Trustee shall keep proper books of record and account in which complete and correct entries shall be made of all transactions relating to the receipts, disbursements, allocations and applications of all money received by the Trustee under the Indenture, and such books shall be available for inspection by the Authority and any Bondowner during business hours, upon reasonable notice and under reasonable conditions.

On or before the tenth business day of each month the Trustee shall furnish to the Authority in accordance with Section 806 of the Indenture (see “Monthly Statements from Trustee” below) a written statement of the Funds and Accounts held pursuant to the Indenture and any Series Indenture.

The Authority shall keep proper books of records and account for all its transactions, other than those recorded in the books maintained by the Trustee pursuant to the first paragraph above, and such books shall be available for inspection by the Trustee and any Bondowner during business hours and upon reasonable notice.

Annual Audit (Section 612 of the Indenture)

The Authority shall annually, within 180 days of the end of each Fiscal Year, file with the Trustee and each Rating Agency a copy of its audited financial statements for its previous Fiscal Year, accompanied by the related report of an Accountant. The Trustee shall have no duty to review, analyze or verify such financial statements and shall hold such financial statements solely as a repository for the benefit of the Bondowners. The Trustee shall not be deemed to have notice of any information contained therein or event of default which may be disclosed therein in any manner.

Program Covenants (Section 613 of the Indenture)

The Authority covenants (a) that no Mortgage Loan shall be financed by the Authority under the Indenture unless the Mortgage Loan complies in all respects with the Act in effect on the date of financing and (b) to comply with the applicable Series Program Determinations and Authority Program Determinations.

Notice of an Event of Default (Section 614 of the Indenture)

The Authority shall promptly notify the Trustee in writing of the occurrence of an Event of Default.

Mortgage-Backed Securities (Section 615 of the Indenture)

Each Mortgage-Backed Security acquired by the Trustee on behalf of the Authority shall be held at all times by the Trustee or its designee in trust for the benefit of the Owners of the Bonds and shall be held in book-entry form as described in this paragraph. A Mortgage-Backed Security will be issued in book-entry form through the book-entry system of the Federal Reserve System, pursuant to which the Mortgage-Backed Security shall have been registered on the books of the New York or other branch of the Federal Reserve Bank in the name of the Trustee or a depository acting on its behalf (in either case, acting as a "Participant" as defined in 31 CFR §357.2, as made applicable to 24 CFR Part 81 and 24 CFR Part 350); and if held by a depository, the Trustee shall have received confirmation in writing that the Depository is holding such Mortgage-Backed Security on behalf of, and has identified such Mortgage-Backed Security on its records as belonging to, the Trustee. If the Trustee does not receive payment or advice of payment from the depository with respect to a Mortgage-Backed Security when due by the close of business on the day of the month specified in such Mortgage-Backed Security (or the next business day if the day so specified is not a business day), the Trustee shall make demand by telephone for payment in immediately available funds from the issuer of the Security (in the case of Fannie Mae Securities or FHLMC Securities) or from GNMA in the case of GNMA Securities in accordance with the terms of the Mortgage-Backed Security, the GNMA Guaranty Agreement (in the case of GNMA Securities) or the guaranties made by Fannie Mae or FHLMC (in the case of Fannie Mae Securities and FHLMC Securities, respectively). Notwithstanding the foregoing provisions of this paragraph, in the case of a Mortgage-Backed Security that is a participation interest in a Fannie Mae Security, an FHLMC Security or a GNMA Security pursuant to a Participation Agreement, such Fannie Mae Security, FHLMC Security or GNMA Security may be held in book-entry form as provided in this paragraph by a party to the Participation Agreement other than the Trustee and, if so held, the Participation Agreement shall require such other party to make the demand referred to in this paragraph.

The Authority will take whatever action is required by law from time to time to pledge the Mortgage-Backed Securities to the Trustee.

The Authority shall diligently enforce and shall take all reasonable steps, actions and proceedings necessary for the enforcement of all terms, covenants and conditions of all Mortgage-Backed Securities, including but not limited to the prompt payment of all amounts due to the Authority under the Mortgage-Backed Securities. The Authority shall at all times, to the extent permitted by law, defend, enforce, preserve and protect the rights and privileges of the Authority under or with respect to each Mortgage-Backed Security. This Section shall not be construed to prevent the Authority from settling a default on any Mortgage-Backed Security on such terms as the Authority shall determine to be in the best interest of the Authority and the Owners of the Bonds.

The Trustee shall diligently enforce all terms, covenants and conditions of the Mortgage-Backed Securities. The Trustee shall duly and punctually exercise its rights under the applicable GNMA Guaranty Agreements, guaranties by Fannie Mae of Fannie Mae Securities and guaranties by FHLMC of FHLMC Securities. The Trustee shall in a timely manner give all notices and take all actions necessary to preserve and protect the respective guaranties of the Mortgage-Backed Securities.

Extension of Maturities or Claims for Interest (Section 701 of the Indenture)

Neither the Trustee nor the Authority shall consent or agree directly or indirectly to extend the time for payment of any principal of or interest on any Bond. In case the time for the payment of the principal of or interest on any Bond shall be extended, whether or not such extension be by or with the consent of the Authority, such principal or interest so extended shall not be entitled in case of default under the Indenture to the benefit or security of the Indenture unless the principal of and interest on all Outstanding Bonds (the time for the payment of interest which has not been extended) is paid in full.

Events of Default (Section 702 of the Indenture)

An “Event of Default” occurs if:

- (i) payment of interest on or the principal or Redemption Price of any of the Bonds is not made when due and payable; or
- (ii) default in the due and punctual performance of any other covenants or agreements contained in the Bonds or in the Indenture or any Series Indenture and such default continues for ninety (90) days after written notice requiring the default to be remedied, has been given to the Authority by the Trustee. The Trustee may give such notice in its discretion and shall give such notice at the written request of the owners of not less than twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding. However, if such default can be remedied, so long as following such notice the Authority is diligently taking actions to remedy such default, such default shall not be an Event of Default.

Acceleration of Maturity (Section 703 of the Indenture)

Upon the happening and continuance of any Event of Default described in clause (i) under “Events of Default” above (except as may be limited in a Series Indenture, as described in the last paragraph under “Enforcement of Remedies” below), then and in every such case the Trustee may and, subject to Section 802 of the Indenture, upon the written direction of the Owners of not less than two-thirds (2/3) in aggregate principal amount of the Outstanding Bonds shall, by notice in writing to, the Authority, declare the principal of all the Outstanding Bonds (if not then due and payable) to be due and payable immediately.

Upon such declaration, the principal of all Outstanding Bonds shall become immediately due and payable, anything contained in the Bonds or in the Indenture to the contrary notwithstanding. However, if at any time after the principal of the Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such Event of Default, or before the completion of the enforcement of any other remedy under the Indenture, money shall have accumulated in the Debt Service Account sufficient to pay the principal of all matured Bonds and all arrears of interest, if any, upon all the Outstanding Bonds (except the principal and interest of any Bonds which have become due and payable by reason of such declaration and except the principal of any Bonds not then due and payable by their terms and the interest accrued on such Bonds since the last interest payment date), and the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee and the Authority and all other amounts then payable by the Authority under the Indenture have been paid or a sum sufficient to make that payment has been deposited with the Trustee, and every other default known to the Trustee in the observance or performance of any covenant, condition or agreement or provision contained in the Bonds or in the Indenture (except a default in the payment of the principal of such Bonds then due and payable only because of a declaration under this Section) has been remedied to the satisfaction of the Trustee, then and in every such case the Trustee may, and upon the written request of the Owners of not less than two-thirds (2/3) in aggregate principal amount of the Outstanding Bonds not then due and payable by their terms shall, by written notice to the Authority, rescind and annul such declaration and its consequences. No such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent to it.

Enforcement of Remedies (Section 704 of the Indenture)

Upon the happening and continuance of any Event of Default, then and in every such case the Trustee may, and upon the written direction of the Owners of not less than twenty-five percent (25%) in aggregate principal amount of the Outstanding Bonds shall proceed, subject to the provisions of Section 802 of the Indenture (see “Trustee Entitled to Indemnity” below), to protect and enforce its rights and the rights of the Bondowners under applicable laws or under the Indenture by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant or agreement contained in the Indenture or in aid or execution of any power granted in the Indenture or for the enforcement of any proper legal or equitable remedy, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights.

In the enforcement of any remedy under the Indenture the Trustee shall be entitled (1) to sue for, enforce payment of and recover judgment for, in its own name as Trustee of an express trust, any and all amounts then or after any default becoming, and at any time remaining, due from the Authority for unpaid principal, premium, if any, interest or otherwise under any of the provisions of the Indenture or the Bonds, with, to the extent permitted by the applicable law, interest on overdue payments of principal of and interest at the rate or rates of interest specified in the Bonds, together with any and all costs and expenses of collection and of all proceedings under the Indenture and under the Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondowners, and (2) to recover and enforce any judgment or decree against the Authority, but solely as provided in the Indenture, the Series Indenture, and in the Bonds, for any portion of such amounts remaining unpaid and interest, costs and expenses as above provided, and to collect, in any manner provided by law, the money adjudged or decreed to be payable.

Regardless of the happening of an Event of Default, the Trustee may, and, subject to Section 802 of the Indenture (see “Trustee Entitled to Indemnity” below), if requested in writing by the Owners of not less than twenty-five percent (25%) in aggregate principal amount of the Outstanding Bonds, shall institute and maintain such suits and proceedings as it may be advised are necessary or expedient (i) to prevent any impairment of the Pledged Property by any acts which may be unlawful or in violation of the Indenture or

of any Series Indenture or (ii) to preserve or protect the interest of the Bondowners, provided that such request is in accordance with law and the provisions of the Indenture and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of the Owners of Bonds not making such request.

If a covenant is set forth in a Series Indenture, limitations on the remedies available upon an Event of Default related to such covenant may be set forth in such Series Indenture.

Trustee May File Claim in Bankruptcy (Section 705 of the Indenture)

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other similar judicial proceeding relative to the Authority, its property or creditors, the Trustee (irrespective of whether the principal of the Bonds shall then be due and payable or by declaration or otherwise and irrespective of whether the Trustee has made any demand on the Authority for the payments equal to overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of the principal, and premium, if any, and interest in respect of the Bonds and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Bondowners allowed in such judicial proceeding; and

(ii) to collect and receive any money or other property payable or deliverable on any such claims and to distribute them;

and any receiver, assignee, trustee, liquidator, sequestrator (or other similar official) in any such judicial proceeding is authorized by each Bondowner to make such payments to the Trustee, and if the Trustee consents to the making of such payments directly to the Bondowners, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Sections 802 and 805 of the Indenture (see “Trustee Entitled to Indemnity” and “Compensation and Indemnification of Trustee” below).

Pro Rata Application of Funds (Section 706 of the Indenture)

Notwithstanding anything in the Indenture to the contrary, if at any time the money in the Funds and Accounts maintained under the Indenture is not sufficient to pay the principal of or interest on the Bonds as they become due and payable (either by the terms of the Bonds or by acceleration of maturities under the provisions of Section 703 of the Indenture as described under “Acceleration of Maturity” above) and Hedge Payments payable from the Revenue Fund (as provided in a Series Indenture or in a Supplemental Indenture as described in clause (ix) under “Bondowners’ Consent Not Required” below) that are then due and payable, such money, together with any money then or later available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied, following the satisfaction of any payments due to the Trustee under the provisions of Section 802 and 805 of the Indenture (see “Trustee Entitled to Indemnity” and “Compensation and Indemnification of Trustee”

below) and payment of such Expenses as the Trustee concludes shall enhance the value of the Pledged Property, as follows:

(i) if the principal of all the Bonds has not become or has not been declared due and payable, all such money shall be applied:

first: to the payment of all installments of interest (except interest on overdue principal) on Bonds, and Hedge Payments that are payable from the Revenue Fund on a parity with interest on Bonds (as provided in a Series Indenture or in a Supplemental Indenture as described in clause (ix) under “Bondowners’ Consent Not Required” below), then accrued and unpaid in the chronological order in which such installments of interest and such Hedge Payments accrued and, if the amount available is not sufficient to pay in full any particular installment of interest and all such Hedge Payments accruing on the same date as such installment, then to the payment, ratably, according to the amounts due on such installment and the amounts of such Hedge Payments accruing on the same date as such installment, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds and the Hedge Agreements under which such Hedge Payments are due;

second: to the payment of all Hedge Payments that are subordinate to payment of interest on Bonds (as provided in a Series Indenture or in a Supplemental Indenture as described in clause (ix) under “Bondowners’ Consent Not Required” below) and are then accrued and unpaid in the chronological order in which such Hedge Payments accrued and, if the amount available is not sufficient to pay in full all such Hedge Payments accruing on any date, then to the payment, ratably, according to the amounts of such Hedge Payments accruing on the such date, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Hedge Agreements under which such Hedge Payments are due;

third: to the payment of the unpaid principal of any of the Bonds which have become due and payable (except Bonds selected for redemption for the payment of which, money is held pursuant to the provisions of the Indenture) in the order of their stated payment dates (including dates of redemption pursuant to Sinking Fund Requirements or pursuant to other mandatory redemption requirements that are payable from the Debt Service Account as provided in a Series Indenture), with interest on the principal amount of such Bonds at the respective rates specified in such Bonds from the respective dates upon which such Bonds became due and payable, and, if the amount available is not sufficient to pay in full the principal of the Bonds by their stated terms due and payable (including by redemption pursuant to Sinking Fund Requirements or such other mandatory redemption requirements) on any particular date together with such interest, then (1) to the payment first of such interest, ratably, according to the amount of such interest due on such date, and (2) to the payment of such principal, ratably, according to the amount of such principal due on such date, of Bonds without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds;

fourth: to the payment of the interest on and the principal of the Bonds, to the purchase and retirement of Bonds and to the redemption of the Bonds, all in accordance with the provisions of Article III of the Indenture.

(ii) if the principal of all the Bonds has become or has been declared due and payable, all such money shall be applied:

first: to the payment of the principal and premium, if any, and interest then accrued and unpaid upon the Bonds and Hedge Payments that are payable from the Revenue Fund on a parity with interest on Bonds (as provided in a Series Indenture or in a Supplemental Indenture as described in clause (ix) under “Bondowners’ Consent Not Required” below) and are then accrued and unpaid, without preference or priority of principal over interest or of interest over principal, or of principal and interest over such Hedge Payments or of such Hedge Payments over principal and interest, or of any daily accrual of interest or Hedge Payments over any other daily accrual of interest or Hedge Payments, or of any Bond or Hedge Payment over any other Bond or Hedge Payment, ratably, according to the amounts due respectively for principal, interest and Hedge Payments, without any discrimination or preference except as to the respective rates of interest specified in the Bonds and the Hedge Agreements under which such Hedge Payments are due;

second: to the payment of all Hedge Payments that are subordinate to payment of interest on Bonds (as provided in a Series Indenture or in a Supplemental Indenture as described in clause (ix) under “Bondowners’ Consent Not Required” below) and are then accrued and unpaid, without preference or priority of any daily accrual Hedge Payments over any other daily accrual of Hedge Payments, or of Hedge Payment over any other Hedge Payment, ratably, according to the amounts due, without any discrimination or preference except as to the respective rates of interest specified in the Hedge Agreements under which such Hedge Payments are due.

(iii) if the principal of all the Bonds has been declared due and payable and if such declaration has been rescinded and annulled under the provisions of Section 703 of the Indenture (see “Acceleration of Maturity” above), then, subject to the provisions of paragraph (ii) above if the principal of all the Bonds later becomes or is declared to be due and payable, the money remaining in and later accruing to the Debt Service Account and the Reserve Fund, together with any other money held by the Trustee under the Indenture, shall be applied in accordance with the provisions of paragraph (i) above.

The provisions of paragraphs (i), (ii) and (iii) above are in all respects subject to the provisions of Section 701 of the Indenture (see “Extension of Maturities or Claims for Interest” above).

Whenever money is to be applied by the Trustee as described under this heading “Pro Rata Application of Funds,” such money shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for such application in the future. The deposit of such money with any paying agent, or otherwise setting aside such money, in trust for the proper purpose shall constitute proper application by the Trustee. The Trustee shall incur no liability to the Authority, to any Bondowner or to any other person for any delay in applying any such money, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the money in accordance with the provisions of the Indenture. Whenever the Trustee exercises discretion in applying money, it shall fix the date (which shall be an interest payment date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice

as it may deem appropriate of the fixing of any such date, and shall not be required to make payment to the Owner of any Bond until such Bond surrendered to the Trustee for appropriate endorsement, or for cancellation if fully paid.

Effect of Discontinuance of Proceedings (Section 707 of the Indenture)

In case any proceeding taken by the Trustee or Bondowners on account of any Event of Default has been discontinued or abandoned for any reason, then and in every such case the Authority, the Trustee and the Bondowners shall be restored to their former positions and rights under the Indenture, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

Owners of Majority in Principal Amount of Bonds May Control Proceedings (Section 708 of the Indenture)

Notwithstanding anything in the Indenture to the contrary, the Owners of a majority in principal amount of the Bonds then Outstanding shall have the right, subject to the provisions of Sections 711 and 802 of the Indenture (see “Limitation on Trustee’s Acquisition of Real Estate” and “Trustee Entitled to Indemnity” below), by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee or exercising any trust or power conferred upon the Trustee, provided that such direction shall not be otherwise than in accordance with law, the provisions of the Indenture and the Act and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of Bondowners not joining in such direction. Nothing in the preceding sentence shall impair the right of the Trustee in its discretion to take any other action under the Indenture which it may deem proper and which is not inconsistent with such direction by Bondowners.

Restrictions Upon Actions by Individual Bondowners (Section 709 of the Indenture)

No Owner of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law on any Bond or to enforce the Indenture or any Series Indenture unless such Owner previously has given to the Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and unless also the Owners of not less than fifteen percent (15%) in aggregate principal amount of the Bonds then Outstanding have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, has accrued, and have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted by the Indenture or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred as a result, and the Trustee has refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of the Indenture or to any other remedy under it. However, notwithstanding the foregoing provision of this paragraph, the Owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding may institute any such suit, action or proceeding in their own names for the benefit of all Owners of Bonds. Except as otherwise above provided, no one or more Owners of the Bonds secured by the Indenture shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Indenture, or to enforce any right under it except in the manner provided in the Indenture. All suits, actions and proceedings at law or in equity shall be instituted and maintained in the manner provided and for the benefit of all Owners of such Outstanding Bonds. Any individual right of action or other right given to one or more of such Owners by law is restricted by the Indenture to the rights and remedies provided.

Notwithstanding the immediately preceding paragraph, nothing in Sections 701 through 716 of the Indenture shall affect or impair the right of any Bondowner to enforce the payment of the principal of and interest on that Owner's Bond, or obligation of the Authority to pay the principal of and interest on each Bond to its Owner.

Actions by Trustee (Section 710 of the Indenture)

All rights of action under the Indenture or under any of the Bonds enforceable by the Trustee may be enforced by it without the possession of any of the Bonds or the production of the Bonds in the trial or other proceeding relative to them, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all of the Owners of such Bonds, subject to the provisions of the Indenture.

Upon the occurrence of an Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondowners under the Indenture, the Trustee shall be entitled as a matter of right to the appointment of a receiver or receivers of the Pledged Property, pending such proceedings with such powers as the court making such appointment shall confer, whether or not any such amounts payable shall be deemed sufficient ultimately to satisfy the Bonds Outstanding.

Limitation on Trustee's Acquisition of Real Estate (Section 711 of the Indenture)

The Trustee shall not acquire possession of or take any other action with respect to any real estate securing any Mortgage Loan, if as a result of any such action, the Trustee would be considered to hold title to, to be a "mortgagee-in-possession of," or to be an "owner" or "operator" of any such real estate within the meaning of the Comprehensive Environmental Responsibility Cleanup and Liability Act of 1980, as amended from time to time, unless the Trustee has previously determined, based on a report prepared by a person who regularly conducts environmental audits, that:

- (i) such real estate is in compliance with applicable environmental laws or, if not, that it would be in the best interest of the Owners of the Bonds to take such actions as are necessary for such real estate to comply with such laws; and
- (ii) there are not circumstances present at such real estate relating to the use, management or disposal of any hazardous wastes for which investigation, testing, monitoring, containment, clean-up or remediation could be required under any federal, state or local law or regulation, or that if any such materials are present for which such action could be required, that it would be in the best economic interest of the Owners of the Bonds to take such actions with respect to such real estate.

The environmental audit report contemplated by this Section shall not be prepared by an employee or affiliate of the Trustee, but shall be prepared by a person who regularly conducts environmental audits for purchasers of commercial property, as determined (and, if applicable, selected) by the Trustee, and the cost of the audit shall be paid by the Authority or paid from the Pledged Property (as Expenses).

No Remedy Exclusive (Section 712 of the Indenture)

No remedy conferred upon or reserved to the Trustee or to the Owners of the Bonds is intended to be exclusive of any other remedy or remedies provided. Each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Indenture or by law.

No Delay or Omission Construed to be a Waiver (Section 713 of the Indenture)

No delay or omission of the Trustee or of any Owner of the Bonds to exercise any right or power shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence in such default. Every power and remedy given by the Indenture to the Trustee and to the Owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Waiver of Defaults (Section 714 of the Indenture)

The Trustee, upon written direction of the Owners of not less than a majority in aggregate principal amount of the Outstanding Bonds, shall waive any Event of Default, which in the opinion of those Owners has been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by them under the provisions of the Indenture or before the completion of the enforcement of any other remedy under the Indenture, but no such waiver shall extend to or affect any other existing or any subsequent Event or Events of Default or impair any rights or remedies consequent to it.

Notice of an Event of Default (Section 715 of the Indenture)

The Trustee shall send to the Authority and to all Bondowners by first class mail, postage prepaid, written notice of the occurrence of any Event of Default within thirty (30) days after the Trustee has received written notice of such Event of Default from the Authority, subject to the provisions of Section 708 of the Indenture (see “Owners of Majority in Principal Amount of Bonds May Control Proceedings” above), that any such Event of Default has occurred. The Trustee shall not, however, be subject to any liability to any Bondowner by reason of a failure to mail any such notice.

Right to Appoint Statutory Trustee Abrogated (Section 715 of the Indenture)

In accordance with the provisions of Section 17 of the Act, Sections 25 and 26 of the Act shall not apply to the Bonds.

Acceptance of Trusts and Duties (Section 801 of the Indenture)

The Trustee accepts the duties and obligations and agrees to execute the trusts imposed upon it by the Indenture but only upon the terms and conditions set forth in this Article and subject to the provisions of the Indenture. Prior to the occurrence of an Event of Default and after the curing of all Events of Default, the Trustee undertakes to perform only those duties as are specifically set forth in the Indenture and to perform such trusts as an ordinarily prudent trustee under a bond indenture. No implied covenants or obligations should be read into the Indenture against the Trustee. If an Event of Default has occurred and is continuing, the Trustee shall, subject to Section 802 of the Indenture, exercise such of the rights and powers vested in it by the Indenture, and shall use the same degree of care a prudent person would exercise in the circumstances in the conduct of such person’s own affairs.

Trustee Entitled to Indemnity (Section 802 of the Indenture)

The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under the Indenture, or to enter any appearance or in any way defend in any suit in which it may be named as a defendant, or to take any steps in the execution of the trusts created or in the enforcement of any rights and powers, until it is indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability (including, but not limited to, any liability arising directly or indirectly under any federal, state or local statute, rule, law or ordinance related

to the protection of the environment or hazardous substances), except liability which is adjudicated to have resulted from its negligence or willful default in connection with any action so taken. The Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity. In such case the Authority shall reimburse, from the Pledged Property (as Expenses), the Trustee for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection with such action.

Limitation of Obligations and Responsibilities of Trustee (Section 803 of the Indenture)

The Trustee shall be under no obligation (a) to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Authority, (b) to report, or make or file claims or proof of loss for, any loss or damage insured against or which may occur or (c) to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. The Trustee shall be under no obligation to record or file the Indenture, or any other security instruments and financing statements, or continuation statements with respect to it, except pursuant to directions from the Authority, in form and substance satisfactory to the Trustee, set forth in an Authority Request. The Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment by the Authority of the Indenture, or in respect of the validity of the Bonds or their due execution or issuance. The Trustee shall be under no obligation to see that any duties imposed upon the Authority or any party other than itself, or any covenants on the part of any party other than itself to be performed, be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed. The Trustee may execute any of the trusts or powers of the Indenture and perform any of its duties by or through attorneys, agents, receivers or employees but shall be answerable for the conduct in accordance with the standard specified above and the Trustee shall be entitled to advice of counsel concerning all matters of trusts and duties under the Indenture, and may pay reasonable compensation to any lawyer or agent retained by it under the Indenture. The Trustee may act upon the opinion or advice of an attorney, surveyor, engineer or accountant selected by it in the exercise of reasonable care or, if selected or retained by the Authority, approved by the Trustee in the exercise of such care. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction based on its good faith reliance upon such opinion or advice.

The permissive right of the Trustee to do things enumerated in the Indenture shall not be construed as a duty. The Trustee shall not be answerable for other than its gross negligence or willful default. The Trustee may (but shall be under no duty to) require of the Authority full information and advice as to the performance of the covenants, conditions and agreements in the Indenture.

At any and all reasonable times, the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect any and all books, papers and records of the Authority pertaining to the Bonds, and to take such memoranda from and in regard to those books, papers and records, as may be desired.

All money received by the Trustee shall, until used or applied or invested as provided in the Indenture or a Series Indenture, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law, by the Indenture or a Series Indenture. The Trustee shall not be under any liability for interest on any money received under the Indenture except such as may be agreed upon with the Authority.

Trustee Not Liable for Failure of Authority to Act (Section 804 of the Indenture)

The Trustee shall not be liable or responsible because of the failure of the Authority or of any of its employees or agents to make any collections or deposits or to perform any act required of the Authority.

The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other money deposited with it and paid out, withdrawn or transferred if such application, payment, withdrawal or transfer is made in accordance with the provisions of the Indenture and Series Indentures. The immunities and exemptions from liability of the Trustee shall extend to its directors, officers, employees, attorneys and agents.

Compensation and Indemnification of Trustee (Section 805 of the Indenture)

Subject to the provisions of any contract between the Authority and the Trustee relating to the compensation of the Trustee, the Authority shall pay, from the Pledged Property (as Expenses), to the Trustee reasonable compensation for all services performed by it and also all its reasonable expenses, charges and other disbursements and those of its attorneys, agents and employees incurred in and about the administration and execution of the trusts created and the performance of its powers and duties, and from such source only, shall indemnify and save the Trustee harmless against any liabilities, losses, damages, costs and expenses (including attorney's fees and expenses of the Trustee), causes of action, suits, claims, demands and judgments of any kind and nature which it may incur in the exercise and performance of its powers and duties. Such indemnification shall survive any resignation or removal of the Trustee.

Monthly Statements from Trustee (Section 806 of the Indenture)

The Trustee shall, on or before the 10th day of each month, file with the Authority a statement setting forth in respect of the preceding calendar month:

- (i) the amount withdrawn or transferred by it and the amount deposited within or to the account of each Fund and Account held by it under the provisions of the Indenture,
- (ii) the amount on deposit with it at the end of such month to the credit of each Fund and Account,
- (iii) a brief description of all Investment Obligations held by it in each such Fund and Account,
- (iv) the amount applied to the purchase or redemption of Bonds and a description of the Bonds or portions of Bonds so purchased or redeemed, and
- (v) any other information which the Authority may reasonably request.

All records and files pertaining to the trusts in the custody of the Trustee shall be open at all reasonable times to the inspection of the Authority and its agents and representatives.

Trustee May Rely on Certificates (Section 807 of the Indenture)

If at any time it is necessary or desirable for the Trustee to make any investigation respecting any fact preparatory to taking or not taking any action or doing or not doing anything as such Trustee, and in any case in which the Indenture provides for permitting or taking any action, the Trustee may rely conclusively upon any certificate, requisitions, opinion or other instrument required or permitted to be filed with it under the provisions of the Indenture. Any such instrument shall be conclusive evidence of such fact to protect the Trustee in any action that it may or may not take or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact. Except as otherwise provided in the Indenture, any request, notice, certificate or other instrument from the Authority to the Trustee shall be deemed to have been signed by the proper party or parties if signed by an Authorized Representative, and

the Trustee may accept and rely upon a certificate signed by an Authorized Representative as to any action taken by the Authority.

Notice of Default (Section 808 of the Indenture)

Except upon the happening of any Event of Default described in clause (i) under “Events of Default” above, the Trustee shall not be obliged to take notice or be deemed to have notice of any Event of Default unless specifically notified in writing of such Event of Default by the Authority or by the Owners of not less than twenty-five percent (25%) in aggregate principal amount of the Outstanding Bonds. Such notice must, in order to be effective, be delivered to a Responsible Officer of the Trustee at the corporate trust office of the Trustee referred to in Section 1202 of the Indenture (see “Manner of Giving Notice” below), and in the absence of such notice so delivered the Trustee may conclusively assume there is no Event of Default.

Trustee May Deal in Bonds (Section 809 of the Indenture)

The bank, trust company or national banking association acting as Trustee under the Indenture, and its directors, officers, employees or agents, may in good faith buy, sell, own, hold and deal in any of the Bonds issued under and secured by the Indenture, may join in any action which any Bondowner may be entitled to take with like effect as if such bank, trust company or national banking association were not the Trustee under the Indenture, may engage or be interested in any financial or other transaction with the Authority and may maintain any and all other general banking and business relations with the Authority as if the Trustee were not a party to the Indenture. No implied covenant shall be read into the Indenture against the Trustee in respect of such matters.

Trustee Not Responsible for Recitals (Section 810 of the Indenture)

The recitals, statements and representations contained in the Indenture and in the Bonds (excluding the certificate of authentication on the Bonds) shall be taken and construed as made by and on the part of the Authority and not by the Trustee, and the Trustee assume and shall be under no responsibility for their correctness.

Trustee Protected in Relying on Certain Documents (Section 811 of the Indenture)

The Trustee or Fiscal Agent shall be protected and shall incur no liabilities in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of the Indenture or any Series Indenture, upon any indenture, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person to have been prepared and furnished pursuant to any of the provisions of the Indenture or any Series Indenture, or upon the written opinion of any attorney, engineer or accountant believed by the Trustee, as applicable, to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry as to any statement contained or matters referred to in such an instrument. The Trustee shall not be under any obligation to see to the recording or filing of the Indenture or any Series Indenture.

Notwithstanding anything to the contrary in the Indenture, the Trustee shall accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to the Indenture and any Series Indenture and complying with the requirements of the Indenture and such Series Indenture but delivered using Electronic Means, rather than in writing and signed by an Authorized Representative; provided, however, that the Trustee may at any time cease (or suspend) accepting Instructions delivered pursuant to Electronic Means with immediate effect by notice to the Authority; and provided further,

however, that the Authority shall provide to the Trustee an incumbency certificate listing Authorized Representative with the authority to provide such Instructions and containing specimen signatures of such Authorized Representatives, which incumbency certificate shall be amended by the Authority whenever a person is to be added or deleted from the listing. Because the Trustee cannot determine the identity of the actual sender of Instructions delivered using Electronic Means, the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Representative listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Representative.

Resignation and Removal of Trustee Subject to Appointment of Successor (Section 812 of the Indenture)

No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to Sections 801 through 816 of the Indenture shall become effective until the acceptance of appointment by the successor Trustee under Section 815 of the Indenture (see “Appointment of Successor Trustee” below).

Resignation of Trustee (Section 813 of the Indenture)

Subject to Section 812 of the Indenture, the Trustee may resign and thereby become discharged from the trusts, by notice in writing to be given to the Authority and mailed, first class, postage prepaid, to all registered Owners of Bonds at their addresses as they appear on the registration books kept by the Trustee, not less than sixty (60) days before such resignation is to take effect, but such resignation shall take effect immediately upon the appointment of a new Trustee, if such new Trustee is appointed before the time limited by such notice and then accepts the trusts. No resignation of the Trustee shall be effective if an Event of Default, or any event which upon the passage of time would be an Event of Default has occurred and is continuing except upon the consent of Owners of a majority in principal amount of the Outstanding Bonds.

Removal of Trustee (Section 814 of the Indenture)

Subject to Section 812 of the Indenture, the Trustee may be removed at any time upon not less than 30 days’ notice by an instrument or concurrent instruments in writing executed by the Owners of not less than a majority in principal amount of the Outstanding Bonds and filed with the Authority. A facsimile copy of each such instrument shall be delivered promptly by the Authority to the Trustee. Subject to Section 812 of the Indenture, the Trustee may also be removed at any time upon not less than 30 days’ notice for reasonable cause by any court of competent jurisdiction upon the application of Owners of not less than ten percent (10%) in aggregate principal amount of the Outstanding Bonds. Subject to Section 812 of the Indenture, the Trustee may be removed at any time by the Authority upon not less than 30 days’ notice if no Event of Default has occurred and is continuing.

Appointment of Successor Trustee (Section 815 of the Indenture)

If at any time the Trustee resigns (subject to Section 812 of the Indenture), is removed (subject to Section 812 of the Indenture), or is dissolved or otherwise becomes incapable of acting, or the bank, trust company or national banking association acting as Trustee is taken over by any governmental official, agency, department or board, the position of Trustee shall become vacant. If the position of Trustee becomes vacant, the Authority shall appoint a successor and shall cause notice of such appointment to be mailed, first class, postage prepaid, to all registered Owners of Bonds at their addresses as they appear on the registration books kept by the Trustee.

If no appointment of a successor Trustee is made pursuant to this Section within ten (10) days after the vacancy has occurred, the Owner of any Outstanding Bond or any retiring Trustee may apply to any

court of competent jurisdiction to appoint a successor Trustee. Such court may, after such notice, if any, as such court may deem proper and prescribed, appoint a successor Trustee.

Any Trustee appointed under the Indenture shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, duly authorized to exercise corporate trust powers and subject to examination by federal or State authority, of good standing, and having at the time of its appointment a combined capital and surplus aggregate not less than Fifty Million Dollars (\$50,000,000), as shown on its most recently published report of its financial condition.

Vesting of Trusts in Successor Trustee (Section 816 of the Indenture)

Every successor Trustee appointed shall execute, acknowledge and deliver to its predecessor and also to the Authority, an instrument in writing accepting such appointment. Each successor Trustee, without any further act, shall become fully vested with all the rights, immunities, powers and trusts, and subject to all the duties and obligations, of its predecessor. Such predecessor shall, nevertheless, on the written request of its successor or of the Authority, and upon payment of the expenses, charges and other disbursements of such predecessor which are payable pursuant to Section 805 of the Indenture, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities, powers and trusts of such predecessor. Every predecessor Trustee shall deliver all property and money held by it under the Indenture to its successor. Should any instrument in writing from the Authority be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers and trusts vested or intended to be vested in the predecessor Trustee, any such instrument in writing shall and will, on request, be executed, acknowledged and delivered by the Authority.

Any bank, trust company or national banking association, having power to perform the duties and execute the trusts of the Indenture and otherwise qualified to act as Trustee, with or into which the bank, trust company or national banking association acting as Trustee may be merged, converted or consolidated, or to which all or substantially all of the corporate trust assets and business of such bank, trust company or national banking association may be sold or transferred, shall be deemed the successor of the Trustee and shall be vested with all of the trusts, powers, discretions, immunities, privileges and other matters as was its predecessor, without the execution or filing of any instrument or further act, deed or conveyance on the part of the Authority, the predecessor Trustee or the successor Trustee.

Execution of Instruments by Bondowners, Proof of Ownership of Bonds and Determination of Concurrence of Bondowners (Article IX of the Indenture)

Any request, direction, consent or other instrument in writing required or permitted by the Indenture to be signed or executed by Bondowners may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Bondowners or their attorneys or legal representatives. Proof of the execution of any such instrument and of the ownership of Bonds shall be sufficient for any purpose of the Indenture and shall be conclusive in favor of the Trustee with regard to any action taken by it under such instrument if made in the following manner:

- (i) The fact and date of the execution by any person of any such instrument may be proved by the verification of any officer in any jurisdiction who has legal power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signor.

(ii) The ownership of Bonds is proved by the registration books kept under the provisions of Section 207 of the Indenture.

Nothing contained in Article IX of the Indenture shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future holder of the same Bond in respect of anything done by the Trustee in pursuance of such request or consent.

Notwithstanding any of these provisions of Article IX of the Indenture, the Trustee shall not be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond is deposited with it.

Bondowners' Consent Not Required (Section 1001 of the Indenture)

The Authority may, from time to time and at any time, execute Supplemental Indentures:

- (i) to cure any ambiguity or defect or omission in the Indenture; or
- (ii) to grant to or confer upon the Trustee for the benefit of the Bondowners any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondowners or the Trustee; or
- (iii) to include as Revenues or Pledged Property any additional amounts, receipts or property; or
- (iv) to cure any ambiguity, to correct or supplement any provision which may be inconsistent with any other provision, or to make any other provisions with respect to matters or questions arising under the Indenture, provided such action shall not materially adversely affect the interest of the Bondowners; or
- (v) to add to the covenants and agreements of the Authority in the Indenture additional covenants and agreements to be observed by the Authority or to surrender any right or power reserved to or conferred upon the Authority; or
- (vi) to modify any of the provisions of the Indenture in any respect whatever not otherwise set forth in this Section 1001, provided (i) such modification shall apply only to Series of Bonds issued after the effective date of the Supplemental Indenture and shall not materially adversely affect the interests of the owners of Bonds of any Series Outstanding on the effective date of the Supplemental Indenture or (ii) (a) such modification shall be, and be expressed to be, effective only after all Bonds of any Series Outstanding at the date of the execution of such Supplemental Indenture shall cease to be Outstanding and (b) such Supplemental Indenture shall be specifically referred to in the text of all Bonds of any Series authenticated and delivered after the date of the execution of such Supplemental Indenture and of Bonds issued in exchange for, or in place of, such Bonds; or
- (vii) to modify, amend or supplement the Indenture or any Supplemental Indenture in such manner as to permit, if presented, the qualification of the Indenture and any Supplemental Indenture under the Trust Indenture Act of 1939 or any similar federal statute then in effect or under any state Blue Sky Law; or

(viii) to surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of the Indenture, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Authority contained in the Indenture or a Series Indenture; or

(ix) to amend in any manner consistent with Section 608 hereof any provisions in a Series Indenture for (i) a Series Reserve Requirement, (ii) the Series Program Determinations, (iii) the payment of Hedge Payments on a Hedge Agreement relating to that Series of Bonds from the Revenue Fund (and the priority of their payment as set forth in Section 212 of the Indenture), or (iv) the extent to which Hedge Payments with respect to that Series of Bonds are to be treated as Revenues; provided that there is filed with the Trustee (a) in each case, a Cash Flow Certificate or a Cash Flow Statement, as appropriate, accompanied by a Rating Certificate, with respect to such amendment and (b) in the case of an amendment pursuant to clause (iii) or (iv), if interest on the Bonds of such Series is intended to be excluded from the gross income of the recipient thereof for federal income tax purposes, a Bond Counsel Opinion to the effect that such amendment, in and of itself, will not adversely affect such exclusion; or

(x) to modify, amend or supplement the Indenture or any Supplemental Indenture in such manner as is necessary or desirable to provide for the issuance of Bonds with a claim for payment from Pledged Property which is subordinate to the claim of other Bonds, including to provide for a trustee with respect to any such subordinate Bonds; or

(xi) to make any other change if either (i) such change, in the judgment of the Trustee, does not materially adversely affect the interests of the Bondowners or (ii) such change relates to the security for the Bonds and there is filed with the Trustee a Rating Certificate with respect to such change.

Supplements and Amendments Requiring Consent (Section 1002 of the Indenture)

The Indenture may be modified, supplemented or amended by a Supplemental Indenture in ways not described in Section 1001 of the Indenture, pursuant to Section 1002 of the Indenture. No such Supplemental Indenture shall be effective except upon the consent of (i) the Owners of greater than fifty percent (50%) in aggregate principal amount of Outstanding Bonds; (ii) if less than all of the Outstanding Bonds are affected, of the Owners of greater than fifty percent (50%) in principal amount of Bonds so affected then Outstanding; and (iii) in case the terms of any Sinking Fund Requirements are changed, of the Owners of greater than fifty percent (50%) in principal amount of the Outstanding Bonds of the particular Series, maturity and interest rate entitled to such Sinking Fund Requirements. However, without the consent of all adversely affected Bondowners, no Supplemental Indenture shall (a) change the terms of redemption or of the maturity of the principal of or the interest on any Bond, or (b) reduce the principal amount of any Bond or the redemption premium (if any) or the rate of interest on it, or (c) create or grant a pledge, assignment, lien or security interest of the Pledged Property, or any part of it, other than as created or permitted by the Indenture without the Supplemental Indenture, or (d) create a preference or priority of any Bond or Bonds over any other Bond or Bonds, except as may be permitted by the Indenture or (e) reduce the aggregate principal amount or classes of the Bonds required for consent to such Supplemental Indenture. If any such modification, supplement or amendment will by its terms, not take effect so long as any Bonds of any specified Series, maturity and interest rate remain Outstanding, the consent of the Owners of those Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. For the purpose of this Section, a Series shall be deemed to be affected by a modification or amendment of the Indenture if it adversely affects or diminishes the rights of the Owners of Bonds of such Series. The Trustee may in its discretion determine whether Bonds of any particular Series, maturity and interest rate would be affected by any modification, supplement

or amendment of the Indenture or a Supplemental Indenture and any such determination shall be binding and conclusive on the Authority and all Owners of Bonds.

The Trustee shall, at the expense of the Authority, cause notice of the proposed execution of such Supplemental Indenture to be mailed, first class mail postage prepaid, to all affected Bondowners at their addresses as they appear on the registration books. Such notices shall summarize the proposed Supplemental Indenture and shall state that copies of it are on file at the principal office of the Trustee for inspection by all Bondowners. The Trustee shall not, however, be subject to any liability to any Bondowners by reason of its failure to mail the notice required by this paragraph, and any such failure shall not affect the validity of such Supplemental Indenture when consented to and approved as described under this heading "Supplements and Amendments Requiring Consent."

Whenever, at any time within one year after the date of the first mailing of such notice, the Authority delivers to the Trustee an instrument or instruments in writing purporting to be executed by the Owners of greater than fifty percent (50%) in aggregate principal amount of the affected Outstanding Bonds, which instrument or instruments shall refer to the proposed Supplemental Indenture described in such notice and shall specifically consent to and approve the execution of it in substantially the form of the copy referred to in such notice, then, but not otherwise, the Trustee may perform its duties under such Supplemental Indenture in substantially such form, without liability or responsibility to any Bondowner, whether or not such Bondowner shall have consented to it.

If the required number of Owners at the time of the execution of such Supplemental Indenture have consented to and approved its execution, no Bondowner shall have any right to object to the execution of such Supplemental Indenture, or to object to any of the terms and provisions contained in it or its operation, or in any manner to question the propriety of its execution, or to enjoin or restrain the Trustee or the Authority from executing it or from taking any action pursuant to its provisions.

Supplements and Amendments Deemed Part of Indenture (Section 1003 of the Indenture)

Any Supplemental Indenture executed in accordance with the provisions of Sections 1001 through 1004 of the Indenture shall form a part of the Indenture. All of the terms and conditions contained in any such Supplemental Indenture shall be deemed to be part of the terms and conditions of the Indenture.

Notation on Bonds (Section 1004 of the Indenture)

Bonds authenticated and delivered after the effective date of any action taken as provided in Sections 1001 through 1004 of the Indenture may, and, if the Trustee or the Authority so determines, shall bear a notation by endorsement or otherwise in form approved by the Authority and the Trustee as to such action, and in that case upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for the purpose at the principal corporate trust office of the Trustee or upon any transfer of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any such transfer by the Trustee as to any such action, if the Authority or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the Authority to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Owner of any Bond then Outstanding, shall be exchanged, without cost to such Bondowner, for Bonds then Outstanding, upon surrender of such Bonds for Bonds of the same Series, maturity and interest rate then Outstanding.

Defeasance (Section 1101 of the Indenture)

If the Authority pays or causes to be paid, or there is otherwise paid, to the registered Owners of the Bonds then Outstanding, the principal, redemption premium, if any, and interest to become due on them,

at the times and in the manner stipulated in the Indenture and in the Series Indentures, then the covenants, agreements and other obligations of the Authority to the registered Owners of the Bonds shall be discharged and satisfied. In such event, the Trustee shall pay over or deliver to the Authority all money or securities held by it pursuant to the Indenture which are no longer required for the payment or redemption of Bonds not already then surrendered for such payment or redemption.

Bonds for the payment or redemption of which money has been set aside and held in trust by the Trustee (through deposit by the Authority of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning of and with the effect expressed in the immediately preceding paragraph. Except as provided in a Series Indenture, all Bonds or any of them shall, prior to their maturity or redemption date, be deemed to have been paid within the meaning of and with the effect expressed in the immediately preceding paragraph if:

(i) there is deposited with the Trustee either money in an amount which is sufficient, or Government Obligations the principal of and interest on which when due will provide money which, without reinvestment, when added to the money, if any, deposited with the Trustee at the same time, is sufficient to pay the principal of those Bonds at maturity, or on sinking fund installment dates for Term Bonds, or the principal, redemption premium, if any, and interest due and to become due on those Bonds on and prior to the redemption date or maturity date (or sinking fund installment dates for Term Bonds) of the Bonds, as the case may be;

(ii) there is deposited with the Trustee a report of an Accountant verifying the sufficiency of the deposit;

(iii) in case any of the Bonds are to be redeemed on any date prior to their maturity, the Authority has given to the Trustee irrevocable instruction to give any required notice of redemption, which instruction the Trustee has accepted in writing; and

(iv) the Authority has received a Bond Counsel Opinion to the effect that the defeasance of the Bonds shall not cause interest on the Bonds to be included in "gross income" of the registered Owners for federal income tax purposes if the Authority has covenanted in the Series Indenture not to take such action.

Upon being defeased as provided in this paragraph, Bonds shall continue to be payable as to principal, interest and redemption premiums, if any, and to be subject to redemption, but shall have a claim for payment only with respect to the money or Governmental Obligations so held by the Trustee. The Authority may enter into an escrow agreement with the Trustee providing for funds to be so held.

Government Obligations, money deposited with the Trustee pursuant to this Section and principal or interest payments of any such Government Obligations shall not be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal (at maturity or upon redemption), redemption premium, if any, and interest on those Bonds, provided that any cash received from such principal or interest payments on such Government Obligations, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Government Obligations maturing at times and in principal amounts sufficient to pay when due the principal, redemption premium, if any, and interest to become due on those Bonds on and prior to such redemption date or maturity date of the Bonds, as the case may be.

Unclaimed Money (Section 1102 of the Indenture)

Anything in the Indenture to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of any of the Bonds which remain unclaimed for two (2) years after the date of deposit of such moneys if deposited with the Trustee after the date when the Bonds became due and payable shall, at the written request of the Authority, be repaid by the Trustee to the Authority, as its absolute property and free from trust, and the Trustee shall then be released and discharged with respect to such amounts and the Owners of the Bonds shall look only to the Authority for the payment of such Bonds.

Successorship of Authority; Effect of Covenants; Construction of Indenture (Section 1201 of the Indenture)

All covenants, stipulations, obligations and agreements of the Authority contained in the Indenture or any Series Indenture shall be deemed to be covenants, stipulations, obligations and agreements of the Authority to the full extent authorized or permitted by law. All such covenants, stipulations, obligations and agreements shall be binding upon the successor or successors of the Authority, and upon any officer, board, body, commission, authority, agency or instrumentality to whom or to which any power or duty affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law.

No covenant, stipulation, obligation or agreement contained in the Indenture or any Series Indenture shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the Authority in his or her individual capacity, and they shall not be liable personally on the Bonds or be subject to any personal liability or responsibility by reason of their issuance.

The laws of the State shall govern the construction of the Indenture and Series Indentures.

Manner of Giving Notice (Section 1202 of the Indenture)

Any notice, demand, direction, request or other instrument authorized or required by the Indenture or any Series Indenture (unless otherwise provided in it) to be given to or filed with the Authority or the Trustee shall be deemed to have been sufficiently given or filed for all purposes of the Indenture and a Series Indenture if and when it is (i) in writing, delivered by hand to, or sent by first class mail, postage prepaid, return receipt requested, or by any delivery service which provides receipt for delivery, addressed to, as the case may be, except as changed by notice from time to time: the Director of the Authority, 111 East Wacker Drive, Suite 1000, Chicago, Illinois 60601, or the corporate trust office of the Trustee in Chicago, Illinois (or, in the case of a successor Trustee, its principal corporate trust office), (ii) in writing, sent by e-mail or facsimile addressed to the e-mail address or facsimile number provided by the Authority or the Trustee, as the case may be, as changed by notice from time to time, and an electronic confirmation of delivery has been obtained by the sender; provided, however, that if such delivery occurs a day that is not a business day or after 4:00 p.m., Central Standard Time on a business day, such delivery shall instead be deemed to have occurred on the next succeeding business day, or (iii) except as described in the second paragraph under "Trustee Protected in Relying on Certain Documents" below, sent to the Trustee by Electronic Means.

The Trustee shall, while Bonds remain Outstanding, retain in its possession all documents received by it under the provisions of the Indenture, subject at all reasonable times to the inspection of the Authority, any agency or officer of the State, any Bondowner, and the agents and representatives of each.

Parties and Bondowners Alone Have Rights Under Indenture (Section 1203 of the Indenture)

Except as otherwise expressly provided, nothing in the Indenture expressed or implied is intended or shall be construed to confer upon any person, firm or corporation other than the Authority, the Trustee, and the Owners of the Bonds any right, remedy or claim, legal or equitable, under or by reason of the Indenture. The Indenture and all its provisions is for the sole and exclusive benefit of the Authority, the Trustee and the Owners from time to time of the Bonds.

Effect of Partial Invalidity (Section 1204 of the Indenture)

In case any one or more of the provisions of the Indenture, or of the Bonds, is for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of the Indenture, any Series Indenture or the Bonds. The Indenture, any Series Indenture and the Bonds shall be construed and enforced as if such illegal or invalid provision had not been contained in them. If any covenant, stipulation, obligation or agreement contained in the Bonds, any Series Indenture or in the Indenture is for any reason be held to be in violation of law, then such covenant stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Authority to the full extent permitted by law.

Substitute for Mailing (Section 1205 of the Indenture)

If, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it is impractical to mail notice of any event to Bondowners when such notice is required to be given pursuant to any provision of the Indenture or any Series Indenture any manner of giving notice as shall be satisfactory to the Trustee and the Authority shall be deemed to be a sufficient giving of such notice.

Payment Due or Acts to be Performed on Weekends and Holidays (Section 1207 of the Indenture)

If the date for making any payment of principal or premium, if any, or interest or the last date for performance of any act or the exercising of any right, as provided in the Indenture, is a legal holiday or a day on which banking institutions in the city where the Trustee is located are authorized by law to remain closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday and not a day on which such banking institutions are authorized by law to remain closed with the same force and effect as if done on the nominal date provided in the Indenture.

Separately-Secured Bonds (Section 1209 of the Indenture)

An indenture entered into by and between the Authority and the Trustee authorizing the issuance of a series of bonds of the Authority may provide that such bonds shall be designated "Illinois Housing Development Authority Revenue Bonds" but shall be subject to Section 1209 of the Indenture (each such indenture and the bonds of such series, a "Separately-Secured Indenture" and "Separately-Secured Bonds," respectively).

Separately-Secured Bonds shall not be considered Bonds for any purpose of the Indenture or any Series Indenture. No Pledged Property under the Indenture, nor any property pledged under any Series Indenture, shall under any circumstances (including, but not limited to, upon the occurrence of an event of default under a Separately-Secured Indenture) be available for the payment of interest on or principal of or the redemption premium, if any, of Separately-Secured Bonds or for the payment of any other obligation under a Separately-Secured Indenture. No person shall have any right under the Indenture or any Series Indenture by reason of ownership of a Separately-Secured Bond.

With respect to each Separately-Secured Indenture and the related Separately-Secured Bonds, except as otherwise provided in such Separately-Secured Indenture, (A) the Bonds shall not be considered such Separately-Secured Bonds for any purpose of such Separately-Secured Indenture, (B) no property pledged under such Separately-Secured Indenture shall under any circumstances (including, but not limited to, upon the occurrence of an Event of Default under the Indenture) be available for the payment of (x) the payment of interest on and principal of and the redemption premium, if any, of Bonds issued under the Indenture and any Series Indenture or (y) any Expenses or Hedge Payments under the Indenture or any Series Indenture, and (C) no person shall have any right under such Separately-Secured Indenture by reason of ownership of a Bond.

GNMA, FANNIE MAE AND FHLMC PROGRAMS

Neither the Authority nor the Underwriters makes any representation as to the accuracy or adequacy of the information contained below relating to GNMA, Fannie Mae or FHLMC and their respective Mortgage-Backed Securities programs.

GNMA and the GNMA Certificates

The summary and explanation of the Government National Mortgage Association (“GNMA” or “Ginnie Mae”), GNMA’s mortgage-backed securities program and the other documents referred to herein do not purport to be complete. Reference should be made to the Ginnie Mae Mortgage-Backed Securities Guide, Handbook 5500.3, Rev. 1 (the “GNMA Guide”) and to said documents for a full and complete statements of their provisions. At the time of printing this Official Statement, the GNMA Guide can be accessed at https://www.ginniemae.gov/issuers/program_guidelines/Pages/mbs_guide.aspx, and general information regarding GNMA can be accessed at <http://www.ginniemae.gov>. The Illinois Housing Development Authority (the “Authority”) makes no representations regarding the content or accuracy of the information provided at either of such websites, and such websites are not part of this Official Statement. Further, the procedures and fees described below and in the GNMA Guide are those currently in effect and are subject to change at any time by GNMA.

GNMA is a wholly-owned corporate instrumentality of the United States within the Department of Housing and Urban Development (“HUD”), with its principal office in Washington, D.C. GNMA’s powers are prescribed generally by Title III of the National Housing Act, as amended (12 U.S.C. § 1716 et seq.).

GNMA is authorized by Section 306(g) of Title III of the National Housing Act, as amended, to guarantee the timely payment of principal of and interest on securities (“GNMA Certificates” or “GNMA Securities”) that are based on and backed by trusts or pools composed of mortgages that are insured or guaranteed by (i) the Federal Housing Administration (“FHA”); (ii) the Department of Veterans Affairs; (iii) the Department of Agriculture under the Rural Development (“RD”) program; or (iv) guaranteed by HUD under Section 184 of the Housing and Community Development Act of 1992, as amended, and administered by the Office of Public and Indian Housing (“PIH”). The GNMA Certificates are issued by approved servicers. Section 306(g) further provides that “the full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guaranty under this subsection.” An opinion, dated December 9, 1969, of an Assistant Attorney General of the United States, states that such guaranties under Section 306(g) of mortgage-backed certificates of the type being delivered to the Trustee on behalf of the Authority (“GNMA Guaranty Agreements”) are authorized to be made by GNMA and “would constitute general obligations of the United States backed by its full faith and credit.” In order to meet its obligations under such guaranties, GNMA, in its corporate capacity under Section 306(d) of Title III of the National Housing Act, may issue its obligations to the United States Treasury Department in an amount outstanding at any one time sufficient to enable GNMA to carry out its functions under Section 306. The Treasury is authorized to purchase any obligations so issued by GNMA and has indicated in a letter dated February 13, 1970 from the Secretary of the Treasury to the Secretary of HUD that the Treasury will make loans to GNMA, if needed, to implement GNMA’s guaranties. Under the terms of its guaranties, GNMA warrants that, in the event it is called upon at any time to make payment on its guaranties, it will, if necessary, in accordance with Section 306(d) of Title III of the National Housing Act, apply to the Treasury Department of the United States for a loan or loans in amounts sufficient to make payments of principal and interest.

GNMA administers two Mortgage-Backed Securities programs: the “Ginnie Mae I MBS Program” and the “Ginnie Mae II MBS Program.” The Ginnie Mae I MBS Program is based on single-issuer pools in which the underlying mortgage loans generally bear the same interest rate. Ginnie Mae I payments are made to holders on the 15th day of each month. The Ginnie Mae II MBS Program permits multiple-issuer as well as single-issuer pools. Loans with different interest rates, within a one percent range, may be included in the same pool or loan package under the Ginnie Mae II MBS Program. Ginnie Mae II MBS payments are made to holders on the 20th day of each month.

To issue GNMA Certificates, the Servicer must apply for and receive from GNMA a Commitment to Guarantee Mortgage-Backed Securities (“GNMA Commitment”). A GNMA Commitment authorizes the Servicer to issue GNMA Certificates up to a stated amount during a one year period following the date thereof. The Servicer is obligated to pay GNMA commitment fees and guaranty fees.

Each GNMA Certificate is to be backed by a mortgage pool consisting of mortgage loans. Each GNMA I Certificate will be a “modified pass-through” security which will require the Servicer to pass through to security holders by the fifteenth day of each month (or, in the case of a depository as security holder of book-entry securities, the next business day, if fifteenth day is not a business day), the regular monthly payments on the mortgage loans (less the GNMA guaranty fee and the Servicer’s servicing fee), whether or not the Servicer receives such payments, plus any prepayments of principal of the mortgage loans received by the Servicer in the previous month. Each GNMA II Certificate will require the Servicer to pass through to a central paying and transfer agent for the GNMA II Program (the “GNMA Paying Agent”), by the nineteenth day of each month, in the case of certificated securities, (or the twentieth day, if such nineteenth day is not a business day, provided that, if neither the nineteenth nor the twentieth day is a business day, then the first business day prior to the nineteenth day of the month), or, in the case of book-entry securities, by the twentieth day of each month (or the next business day, if the twentieth day is not a business day) the regular monthly payments on the mortgage loans (less the GNMA guaranty fee and the Servicer’s servicing fee), whether or not the Servicer receives such payments, plus any prepayments of principal of the mortgage loans received by the Servicer in the previous month. The GNMA Paying Agent is then required to pass through to the security holder the scheduled payments received from the Servicer. GNMA guarantees timely payment of principal of and interest with respect to the GNMA Certificate.

GNMA, upon execution of the GNMA Guaranty Agreement (defined below), issuance of a GNMA Certificate by the Servicer and subsequent sale of such GNMA Certificate to the Trustee, will have guaranteed to the Trustee as holder of such GNMA Certificate the timely payment of principal of and interest on such GNMA Certificate.

Under contractual arrangements to be made between the Servicer and GNMA, and pursuant to the GNMA Guaranty Agreement, the Servicer is responsible for servicing the mortgage loans constituting GNMA Pools in accordance with FHA, RD or VA regulations, as applicable, and GNMA regulations.

It is expected that interest and principal payments on the mortgage loans received by the Servicer will be the source of money for payments on the GNMA Certificates. If such payments are less than the amount then due, the Servicer is obligated to advance its own funds to ensure timely payment of all scheduled payments on the GNMA Certificates. GNMA guarantees such timely payment in the event of the failure of the Servicer to pass through an amount equal to the scheduled payments (whether or not made by the mortgagors). If such payments are not received as scheduled the Trustee has recourse directly to GNMA.

The Servicer is required to advise GNMA in advance of any impending default on scheduled payments so that GNMA as guarantor will be able to continue such payments as scheduled in accordance with the GNMA Guide.

The GNMA guaranty agreement to be entered into by GNMA and the Servicer upon issuance of the GNMA Certificates (the “GNMA Guaranty Agreement”) generally will provide that, upon any default by the Servicer and the payment under its guaranty by GNMA or any failure of the Servicer to comply with the terms of the GNMA guaranty agreement with GNMA, GNMA shall have the right, by letter to the Servicer, to effect and complete the extinguishment of the Servicer’s interest in the related mortgage loans, and the related mortgage loans shall thereupon become the absolute property of GNMA, subject only to the unsatisfied rights of the holder of the GNMA Certificates. In such event, all power and authority of the Servicer with respect to the servicing of such GNMA Pools, including the right to collect the servicing fee, also will terminate and expire. The authority and power of the Servicer under the terms of the GNMA Guide will be required to pass to and be vested in GNMA, and GNMA will be the successor in all respects to the Servicer in its capacity as servicer, and will be subject to all duties placed on the Servicer by the GNMA Guide. At any time, GNMA may enter into an agreement with an institution approved by GNMA under which such institution undertakes and agrees to assume any part or all of such duties, and no such agreement will detract from or diminish the responsibilities, duties or liabilities of GNMA in its capacity as guarantor.

Fannie Mae and the Fannie Mae Certificates

The summary and explanation of the Federal National Mortgage Association (“Fannie Mae”), Fannie Mae’s mortgage-backed securities program and the other documents referred to in this Appendix do not purport to be complete. Reference is made to said documents for full and complete statements of their provisions. Said documents and the MBS Program (defined below) are subject to change at any time by Fannie Mae. At the time of printing this Official Statement, general information regarding Fannie Mae can be accessed at <http://www.fanniemae.com>. The Authority makes no representations regarding the content or accuracy of the information provided at such website, and such website is not part of this Official Statement.

Fannie Mae is a government-sponsored enterprise organized and existing under the Federal National Mortgage Association Charter Act (12 U.S.C. §1716 *et seq.*). Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market. Fannie Mae became a stockholder-owned and privately managed corporation in 1968. Fannie Mae is subject to the supervision and regulation of the FHFA to the extent provided in HERA. The Secretary of HUD also exercises regulatory power over Fannie Mae. Furthermore, Fannie Mae has been under conservatorship since September 6, 2008. The conservator, the FHFA, succeeded to all rights, titles, powers and privileges of Fannie Mae and of any shareholder, officer or director of the company with respect to the company and its assets. The Authority cannot predict the long term consequences of the conservatorship of this entity and the corresponding impact on the participants and the Program.

Fannie Mae provides funds to the mortgage market by purchasing mortgage loans from lenders, thereby replenishing their funds for additional lending. Fannie Mae acquires funds to purchase mortgage loans from many capital market investors that may not ordinarily invest in mortgage loans, thereby expanding the total amount of funds available for housing. Fannie Mae operates a mortgage-backed securities program pursuant to which Fannie Mae issues securities backed by pools of mortgage loans (the “MBS Program”). As of June 3, 2019, the Fannie Mae Certificates are Uniform Mortgage-Backed Securities (“UMBS”).

The obligations of Fannie Mae, including its obligations under the Fannie Mae Certificates and any UMBS issued by Fannie Mae, are obligations solely of Fannie Mae and are not backed by, or entitled to, the full faith and credit of the United States of America.

The terms of the MBS Program are governed by the Fannie Mae Selling and Servicing Guides (the “Fannie Mae Guides”), as modified by the Pool Purchase Contract, and in the case of mortgage loans such as the Mortgage Loans, a Master Trust Agreement (the “Trust Agreement”), and a supplement thereto to be issued by Fannie Mae in connection with each pool. The MBS Program is further described in the MBS Prospectus issued by Fannie Mae (the “Fannie Mae Prospectus”). The Fannie Mae Prospectus is updated and supplemented from time to time.

Copies of the Fannie Mae Prospectus and Fannie Mae’s most recent annual and quarterly reports and proxy statements are available without charge from the Office of Fixed Income Securities Marketing, Fannie Mae, Attention: Fixed-Income Securities Marketing, 1100 15th Street, NW, Washington, DC 20005. At the time of printing this Official Statement, these documents can be accessed at <http://www.fanniemae.com/portal/jsp/mbs/documents/mbs/prospectus/> and <http://www.fanniemae.com/portal/about-fm/investor-relations/annual-reports-proxy-statements.html>. However, information on the Fannie Mae’s website is not part of this Official Statement.

The summary of the MBS Program set forth under this caption does not purport to be comprehensive and is qualified in its entirety by reference to the Fannie Mae Guides, the Fannie Mae Certificates, the Fannie Mae Prospectus and the other documents referred to in this Appendix.

Each Fannie Mae Certificate represents the entire interest in a specified pool of mortgage loans purchased by Fannie Mae and identified in records maintained by Fannie Mae. The Pool Purchase Contract will require that each Fannie Mae Certificate be in a minimum amount of \$250,000. Each Fannie Mae Certificate will bear interest at the pass-through rate specified thereon.

Fannie Mae will guarantee to the registered holder of the Fannie Mae Certificates that it will distribute amounts representing scheduled principal and interest at the applicable pass-through rate on the mortgage loans in the pools represented by such Fannie Mae Certificates, whether or not received, and the full principal balance of any foreclosed or other finally liquidated mortgage loans, whether or not such principal balance is actually received. *The obligations of Fannie Mae under such guarantees are obligations solely of Fannie Mae and are not backed by, nor entitled to the full faith and credit of the United States.* If Fannie Mae were unable to satisfy such obligations, distributions to the Trustee, as the registered holder of the Fannie Mae Certificates, would consist solely of payments and other recoveries on the underlying mortgage loans, and accordingly, monthly distributions to the Trustee, as the holder of the Fannie Mae Certificates, and payments on the Bonds could be adversely affected by prepayments, delinquent payments and defaults on such conventional mortgage loans.

Payments on a Fannie Mae Certificate will be made to the Trustee on the 25th day of each month (beginning with the month following the month such Fannie Mae Certificate is issued), or if such 25th day is not a business day, on the first business day next succeeding such 25th day. With respect to each Fannie Mae Certificate, Fannie Mae will distribute to the Trustee an amount equal to the total of (1) the principal due on the mortgage loans in the related pool underlying such Fannie Mae Certificate during the period beginning on the second day of the month before the month of such distribution and ending on the first day of such month of distribution, (2) the stated principal balance of any mortgage loan that was prepaid in full during the calendar month preceding the month in which the distribution date occurs (including as prepaid for this purpose at Fannie Mae’s election any mortgage loan after it is delinquent, in whole or in part, with respect to four consecutive installments of principal and interest or because of Fannie Mae’s election to repurchase such mortgage loan under certain other circumstances as permitted by the Trust Agreement), (3) the amount of any partial prepayment of a mortgage loan received during the month preceding the month in which the distribution date occurs, and (4) one month’s interest at the pass-through rate on the principal balance of the Fannie Mae Certificate as reported to the Trustee (assuming the Trustee is the registered

holder) prior to the distribution date (or, respecting the first distribution, the principal balance of the Fannie Mae Certificate on its issue date).

For purposes of distributions, a mortgage loan will be considered to have been prepaid in full if, in Fannie Mae's reasonable judgment, the full amount finally recoverable on account of such mortgage loan has been received, whether or not such full amount is equal to the stated principal balance of the mortgage loan.

The Housing and Economic Recovery Act of 2008 ("HERA") established the Federal Housing Finance Agency ("FHFA"), an independent agency of the federal government, as the new supervisory and general regulatory authority for Fannie Mae. Fannie Mae is subject to the supervision and regulation of FHFA to the extent provided in HERA, and the Director of FHFA has general regulatory authority over Fannie Mae to ensure that the purposes of HERA, the authorizing statutes and any other applicable laws are carried out.

FHLMC and the FHLMC Certificates

The following summary of the Federal Home Loan Mortgage Corporation ("FHLMC" or "Freddie Mac"), the Freddie Mac Guarantor Program, the Freddie Mac Certificates and Freddie Mac's mortgage purchase and servicing standards does not purport to be complete and is qualified in its entirety by reference to Freddie Mac's Mortgage Participation Certificates Offering Circular, any applicable Offering Circular Supplements, Freddie Mac's Information Statement, any Information Statement Supplements and any other documents made available by Freddie Mac. Copies of these documents can be obtained by writing, calling or e-mailing Freddie Mac's Investor Inquiry Department at 1551 Park Run Drive, McLean, Virginia 22102 (800-336-3672; e-mail: InvestorInquiry@freddiemac.com). The Authority does not and will not participate in the preparation of Freddie Mac's Mortgage Participation Certificates Offering Circular, Information Statement or Supplements. At the time of printing this Official Statement, general information regarding Freddie Mac can be accessed at <http://www.freddiemac.com>. The Authority makes no representations regarding the content or accuracy of the information provided at such website, and such website is not part of this Official Statement.

Freddie Mac is a shareholder-owned, government-sponsored enterprise created on July 24, 1970, pursuant to the Federal Home Loan Mortgage Corporation Act (Title III of the Emergency Home Finance Act of 1970, as amended (12 U.S.C. §§ 1451-1459)) (the "Freddie Mac Act"). Freddie Mac is also subject to the supervision and regulation of the Federal Housing Finance Authority to the extent provided in HERA. Furthermore, Freddie Mac has operated under conservatorship with the FHFA as Conservator since September 6, 2008. Upon its appointment, FHFA, as Conservator, immediately succeeded to all rights, titles, powers and privileges of Freddie Mac and of any stockholder, officer or director of Freddie Mac with respect to Freddie Mac and its assets. The Authority cannot predict the long term consequences of the conservatorship of this entity and the corresponding impact on the participants and the Program.

Freddie Mac's statutory mission is (i) to provide stability in the secondary market for residential mortgages, (ii) to respond appropriately to the private capital market, (iii) to provide ongoing assistance to the secondary market for residential mortgages (including activities relating to mortgages on housing for low- and moderate-income families involving a reasonable economic return that may be less than the return earned on other activities) by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for residential mortgage financing and (iv) to promote access to mortgage credit throughout the United States (including central cities, rural areas and underserved areas) by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for residential mortgage financing.

The obligations of Freddie Mac, including its obligations under the Freddie Mac Certificates, are obligations solely of Freddie Mac and are not backed by, or entitled to, the full faith and credit of the United States America.

Neither the United States nor any agency or instrumentality of the United States is obligated, either directly or indirectly, to fund the mortgage purchase or financing activities of Freddie Mac.

Freddie Mac has established a mortgage purchase program pursuant to which Freddie Mac purchases a group of mortgages from a single seller in exchange for a Freddie Mac Certificate representing an undivided interest in a pool consisting of those mortgages (the “Guarantor Program”). Freddie Mac approves the institutions that may sell and service mortgages under the Guarantor Program on an individual basis after consideration of factors such as financial condition, operational capability and mortgage origination and/or servicing experience. Most sellers and servicers are HUD-approved mortgagees or FDIC-insured financial institutions.

Freddie Mac Certificates will be mortgage pass-through securities issued and guaranteed by Freddie Mac under its Guarantor Program. Freddie Mac Certificates are issued only in book-entry form through the Federal Reserve Banks’ book-entry system. Each Freddie Mac Certificate represents an undivided interest in a pool of mortgages. Payments by borrowers on the mortgages in the pool are passed through monthly by Freddie Mac to record holders of the Freddie Mac Certificates representing interests in that pool. All of the mortgages are either conventional mortgages or mortgages guaranteed or insured by FHA, the Department of Veterans Affairs, the U.S. Department of Agriculture Rural Development, or HUD (“FHA/VA Mortgages”). Conventional mortgages are pooled separately from FHA/VA mortgages. Freddie Mac issues two types of Freddie Mac Certificates — Gold PCs and ARM PCs. Gold PCs are backed by (i) fixed-rate, level payment, fully amortizing mortgages, (ii) fixed-rate Initial Interest Mortgages, or (iii) Modified Mortgages with or without Step Rate Increases. ARM PCs are backed by adjustable rate mortgages. In connection with its single security initiative, Freddie Mac has ceased issuing new Gold PCs as of June 3, 2019. As of June 3, 2019, the Freddie Mac Certificates are UMBS.

Payments on Freddie Mac Certificates begin on or about the fifteenth day of the first month following issuance for a Gold PC and on or about the 15th day of the second month after issuance for an ARM PC. Each month, Freddie Mac passes through to record holders of Freddie Mac Certificates their proportionate share of principal payments on the mortgages in the related pool and one month’s interest at the applicable PC Coupon rate. The PC Coupon rate for a Freddie Mac ARM PC is based on the weighted average of the interest rates of each Mortgage in the related PC Pool, less the rate equivalent to the servicing fees and guarantee fees applicable to each such Mortgage. In the case of a Gold PC, the PC Coupon is set at the time of issuance and does not change. Historically, the interest rates on the mortgages in a fixed-rate Gold PC pool formed under Freddie Mac’s Guarantor Program fall within a range from the PC Coupon on the Freddie Mac Certificate plus the minimum required servicing fee through the pass-through rate plus any additional amount determined by Freddie Mac. The FHFA has issued a directive to the Enterprises to limit the difference between the interest rate on Mortgages and the PC Coupon.

Freddie Mac guarantees to each holder of a Freddie Mac Gold PC, timely payment of scheduled principal payments on the related mortgages, and interest at the applicable pass-through rate, whether or not received. For ARM PCs, Freddie Mac guarantees timely payment of interest at the applicable rate, whether or not received, and full and final payment of any principal no later than the month following the final payment date. For Gold PCs, the full and final payment on each Freddie Mac Certificate will be made no later than the payment date that occurs in the month in which the last monthly payment on the Freddie Mac Certificate is scheduled to be made.

The obligations of Freddie Mac under its guarantees of the Freddie Mac Certificates, including any UMBS issued by Freddie Mac, are obligations of Freddie Mac only. The Freddie Mac Certificates, including the interest thereon, are not guaranteed by the United States and do not constitute debts or obligations of the United States or any agency or instrumentality of the United States other than Freddie Mac. If Freddie Mac were unable to satisfy its obligations under its guarantees, distributions on the Freddie Mac Certificates would consist solely of payments and other recoveries on the related mortgages; accordingly, prepayments, delinquencies and defaults on the mortgages would affect distributions on the Freddie Mac Certificates and could adversely affect payments on the Bonds.

All mortgages purchased by Freddie Mac must meet certain standards established by the Freddie Mac Act. In addition, Freddie Mac has established its own set of mortgage purchase standards, including credit, appraisal and underwriting guidelines. These guidelines are designed to determine the value of the real property securing a mortgage and the credit worthiness of the borrower. Freddie Mac's administration of its guidelines may vary based on its evaluation of and experience with the seller of the mortgages, the loan-to-value ratio and age of the mortgages, the type of property securing the mortgages and other factors.

Freddie Mac has also established servicing policies and procedures to support the efficient and uniform servicing of the mortgages it purchases. Each servicer must perform diligently all services and duties customary to the servicing of mortgages in a manner consistent with prudent servicing standards. The duties performed by a servicer include collection and remittance of principal and interest to Freddie Mac administration of escrow accounts; collection of insurance or guaranty claims; property inspections; and, if necessary, foreclosure. Freddie Mac monitors servicers' performance through periodic and special reports and inspections.

In the event of an existing or impending delinquency or other default on a mortgage, Freddie Mac may attempt to resolve the default through a variety of measures. In determining which measures to pursue with respect to a given mortgage and when to initiate such measures, Freddie Mac seeks to minimize the costs that may be incurred in servicing the mortgage, as well as Freddie Mac's possible exposure under its guarantees. However, the measures that Freddie Mac may choose to pursue to resolve a default will not affect Freddie Mac's guarantees. Freddie Mac generally repurchases from a pool any mortgage that has remained delinquent for at least 120 consecutive days and makes payment of principal to record holders.

HERA established the FHFA, an independent agency of the federal government, as the new supervisory and general regulatory authority for Freddie Mac. Freddie Mac is subject to the supervision and regulation of FHFA to the extent provided in HERA, and the Director of FHFA has general regulatory authority over Freddie Mac to ensure that the purposes of HERA, the authorizing statutes and any other applicable laws are carried out.

4. The Bonds are legal, valid and binding special limited obligations, and not general or moral obligations, of the Issuer, enforceable in accordance with the terms thereof, are payable from and secured on a parity with the bonds issued under the Indenture by a pledge of certain payments to be received by the Issuer and the Trustee pursuant to the Indenture, and are entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Indenture on a parity with the bonds to be issued under the Indenture.

It is to be understood that the rights of the owners of the Bonds, the Issuer and the Trustee and the enforceability of the Bonds and the Indenture may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in accordance with general principles of equity. ILLINOIS HOUSING DEVELOPMENT AUTHORITY IMPACT FRAMEWORK

Where a family lives determines access to schools, jobs, transportation, healthcare and more. For these reasons, expanding the availability and access to quality housing is one of the most essential actions the Illinois Housing Development Authority (“IHDA”) takes on behalf of Illinois families.

IHDA was created in 1967 by the State of Illinois (the “State”) to assist in the financing of decent, safe, and affordable rental housing for persons and families of low and moderate income in the State, and to assist in the financing of residential mortgages in the State for persons and families of low and moderate income. IHDA believes that affordable housing is a fundamental component of strong communities and serves as the foundation of personal and economic well-being.

To accomplish its mission, IHDA (1) finances homeownership loans through the acquisition of single family home loans from lending institutions throughout the State under IHDA’s Homeownership Program and (2) makes mortgage loans or other loans to developers of affordable housing for the acquisition, construction or rehabilitation of affordable rental housing developments in the State. IHDA financing for its Homeownership Program and its Multifamily Program includes the issuance of bonds pursuant to the Act.

To highlight IHDA’s impact and attract capital to support its mission, IHDA introduced its Social Bonds designation in 2021 for bonds issued to finance homeownership loans. In 2021, IHDA introduced its Sustainability Bonds designation for bonds issued to finance loans to developers of affordable multifamily rental developments. IHDA also periodically uses a Social Bonds designation for certain bonds issued under its Multifamily Program. The following table provides a summary of IHDA’s issuance of Social Bonds and Sustainability Bonds (collectively, “Impact Bonds”) under both its Homeownership and Multifamily Programs.

Illinois Housing Development Authority Impact Bonds		
Homeownership Program	Multifamily Program

\$1,273.5 million IHDA Social Bonds issued from January 1, 2021 to May 31, 2023	\$68.4 million IHDA Sustainability Bonds issued from January 1, 2022 to May 31, 2023	\$23.6 million IHDA multifamily Social Bonds issued from January 1, 2022 to May 31, 2023

IHDA’s Social Bonds are aligned with the four core components of the International Capital Market Association’s* (ICMA) Social Bonds Principles, and its Sustainability Bonds are aligned with the four core components of the ICMA’s Green Bonds Principles, Social Bonds Principles, and Sustainability Bonds Guidelines, and focus on: (1) Use of Proceeds, (2) Process for Project Evaluation and Selection, (3) Management of Proceeds, and (4) Transparency through Ongoing Reporting.

The following table provides a summary of the two components of IHDA’s Impact Framework: its Social Bonds Framework and its Sustainability Bonds Framework.

[†] The IHDA Qualified Allocation Plan is discussed at Section II of this document, and a copy of the QAP can be found on IHDA’s website.

I. IHDA’S SINGLE FAMILY PROGRAM – Social Bonds

Through its homebuyer programs, IHDA’s goal is to achieve the following objectives: (i) the provision of funds to finance, at affordable interest rates and/or other terms more favorable than those otherwise available, residential mortgage loans for low and moderate income persons and families; (ii) the provision of housing to alleviate the shortage of adequate housing in the State for persons and families that are residents of the State; and (iii) the effective participation by mortgage lenders in IHDA’s homebuyer programs. Since 1970, IHDA has provided more than \$9.7 billion to finance 92,500+ units of affordable, single family housing. During fiscal year 2022, IHDA originated \$981.4 million in first mortgage loans and \$53.9 million in down payment assistance to help 6,630 Illinois families purchase their first home.

In furtherance of its mission, IHDA issues bonds to finance its single family housing mortgage loan program, pursuant to the Illinois Housing Development Act, as amended (the “Act”) and a Revenue Bonds General Indenture dated as of March 1, 2016 (the “General Indenture”), between the Authority and The Bank of New York Mellon Trust Company, N.A., as trustee. IHDA established its single family housing program under the General Indenture to provide funds to purchase residential mortgage loans originated throughout the State (or participation interests in such loans) (“Mortgage Loans”) and mortgage-backed securities that are backed by Mortgage Loans and guaranteed by the Government National Mortgage Association (“GNMA”), the Federal National Mortgage Association (“Fannie Mae”) or the Federal Home Loan Mortgage Corporation (“Freddie Mac” or “FHLMC”) (or participation interests in such securities) (the “Mortgage-Backed Securities”). IHDA is authorized by the Act to have up to \$7.2 billion aggregate principal amount of bonds outstanding, excluding those issued to refund its outstanding bonds and notes.

A. Homebuyer Programs

IHDA’s core homebuyer program offers 30-year fixed interest rate mortgage loans to make homeownership affordable for first-time homebuyers and persons who have not owned a home in the last three years. Under the Act, the General Indenture, and Section 103 of the Internal Revenue Code of 1986 (the “Code”), to qualify for an IHDA mortgage loan, applicants must meet income criteria specific to the particular county of the State, and the owner-occupied home they plan to purchase must be within sales price guidelines specific to the area of the State. In areas designated as “Targeted Areas,” or census tracts defined by the IRS as an area of chronic economic distress which could benefit from increased homeownership, income limit and sales price limits may be increased.

In addition, IHDA Single Family Social Bonds finance two additional homebuyer programs that provide families with a further opportunity to increase generational wealth and build homeownership accessibility:

1. Opening Doors

Opening Doors is designed to increase home purchase accessibility for low-and moderate-income homebuyers across Illinois to break the cycle of renting and achieve a path to sustainable homeownership. Opening Doors provides a 30-year fixed rate first mortgage with down payment and/or closing cost assistance in the form of a \$6,000 forgivable second mortgage that is forgiven monthly over five years. Eligible borrowers may be first-time or non-first-time homebuyers who live in any county statewide, including DACA recipients.

2. Smart Buy

This program is designed to increase home purchase accessibility and help build a new generation of wealth, grow the middle class, and increase homeownership opportunity for low to moderate income

Illinois borrowers affected by increasing student loan debt. Smart Buy provides a 30-year fixed rate first mortgage with down payment and/or closing cost assistance in the form of a \$5,000 second mortgage. The repayment of the second mortgage is deferred and becomes due upon sale, payoff, transfer, or refinance of the first mortgage. In addition, IHDA provides 15% of the purchase price (up to \$40,000) in assistance for student loan debt relief. Eligible borrowers must have at least \$1,000 in student loan debt and must pay off their full remaining student loan balance at mortgage loan close.

B. Down Payment Assistance Programs

Designed to increase home purchase accessibility and affordability, IHDA offers the following *Access* down payment assistance programs in conjunction with its 30-year fixed rate first mortgage loans:

1. Access Forgivable – provides a second mortgage loan of 4% of the purchase price (up to \$6,000) in down payment and/or closing cost assistance which is forgiven monthly over ten years.
2. Access Deferred – provides a second mortgage loan of 5% of the purchase price (up to \$7,500) in down payment and/or closing cost assistance, the repayment of which will be deferred for 30 years, unless repaid sooner, or in the event of a refinance or sale of the property, at which time the second mortgage will become due.
3. Access Repayable – provides a second mortgage loan of 10% of the purchase price (up to \$10,000) in down payment and/or closing cost assistance, the repayment of which will amortize monthly over a 10-year period at 0% interest rate.

C. Homebuyer Education and Counseling

To ensure financial preparedness, all IHDA mortgage programs are offered in tandem with free financial education and pre-purchase counseling to ensure new homebuyers have the education and support they need to make sustainable homeownership possible. To satisfy the IHDA mortgage pre-purchase education requirement, homebuyer education courses must (i) meet standards defined by HUD, or the National Industry Standards for Homeownership Education and Counseling; (ii) be completed by all borrowers listed on the transaction; (iii) provide a certificate with the borrower(s) name(s) and completion date; and (iv) be completed prior to closing and no more than one year prior to the closing date. For two-unit properties, Landlord education is required in addition to homebuyer education.

D. Bonds Alignment with the Social Bond Principles

“Social Bonds are use of proceeds bonds that raise funds for new and existing projects with positive social outcomes.”* IHDA Single Family Social Bonds are used to finance affordable, single family housing in the State of Illinois. IHDA’s Social Bonds Framework aligns with the International Capital Market Association’s (ICMA) Social Bonds Principles via the four following components: (1) Use of Proceeds, (2) Process for Project Evaluation and Selection, (3) Management of Proceeds, and (4) Transparency through Ongoing Reporting.

* International Capital Market Association Social Bond Principles at <https://www.icmagroup.org/sustainable-finance/the-principles-guidelines-and-handbooks/social-bond-principles-sbp/> (last accessed January 31, 2023).

1. Use of Proceeds

IHDA designates its single family bonds as Social Bonds based on the intended use of proceeds: to finance the affordable homeownership and down payment assistance programs described above for homebuyers in the State who meet certain income criteria.

The following tables provide summary data describing historical loan origination activity and historical borrower profile for mortgage loans financed by IHDA from January 2018 through September 2022.

[†] Down Payment assistance loans are currently funded with available IHDA funds outside of the General Indenture.

2. Process for Loan Evaluation and Selection

The Code substantially restricts the use of proceeds of tax-exempt obligations used to finance mortgage loans for single-family housing. Under the Code, interest on bonds, the proceeds of which are used to provide mortgage loans on owner-occupied housing, is not excluded from gross income for federal income tax purposes unless the bonds are part of a “qualified mortgage issue.” An issue of bonds constitutes a “qualified mortgage issue” if the requirements described below under “Loan Eligibility Requirements Imposed by the Code” and requirements described below with respect to the use of funds generated by the issuance of such obligations are met.

The Code contains the following loan eligibility requirements that are applicable to mortgage loans financed in whole or in part by Single Family Social Bonds, or otherwise attributable to Single Family Social Bonds, for federal income tax purposes in order that interest not be included in gross income for federal income tax purposes retroactive to the date of issuance thereof. IHDA also issues taxable bonds to finance mortgage loans generally meeting the below loan eligibility requirements:

- Residence Requirement

Each premises financed with proceeds of qualified mortgage bonds must be a one-to-four-family residence, one unit of which can reasonably be expected to become the principal residence of the mortgagor within a reasonable time after the financing is provided. In the case of a two- to-four-family residence (other than two-family residences in targeted areas having borrowers whose family income does not exceed 140% of applicable family median income), the residence must have been occupied as a residence at least five years before the mortgage is executed.

- First-Time Homebuyer Requirement

Subject to certain exceptions, the lendable proceeds of qualified mortgage bonds must be used to provide financing to mortgagors who have not had a present ownership interest in their principal residence (other than the residence being financed) during the three-year period prior to execution of the mortgage loan.

- New Mortgage Requirement

With certain limited exceptions, the lendable proceeds of qualified mortgage bonds must finance new mortgage loans only and no proceeds may be used to acquire or replace an existing mortgage loan, which would include the refinancing of a pre-existing mortgage loan.

- Purchase Price Limitation

The purchase price of the residence financed with the lendable proceeds of qualified mortgage bonds may not exceed 90% of the average area purchase price applicable to such residence or 110% of the applicable average area purchase price in the case of residences located in targeted areas.

- Income Limitations

All mortgage loans made from the lendable proceeds of qualified mortgage bonds must be made only to borrowers whose family income does not exceed 115% (or for mortgage loans made to families with fewer than three members, 100%) of the applicable median family income. An exception is provided for mortgage loans financed with the lendable proceeds of qualified mortgage bonds made with respect to targeted area residences that permits two-thirds in aggregate amount of such mortgage loans to be made with respect to borrowers whose family income does not exceed 140% (for mortgage loans made to families

with fewer than three members, 120%) of the applicable median family income and one-third in aggregate amount of such loans to be made without regard to any income limitation. Family income includes income of all individuals executing both the note and mortgage and occupying the dwelling as their principal residence.

- Requirements as to Assumptions

The Code provides that a mortgage loan may be assumed only if each of the then applicable residence requirement, first-time homebuyer requirement, purchase price limitation, and income limitation is met with respect to such assumption.

3. Management of Proceeds

Net of certain transaction costs, the proceeds of Single Family Social Bonds are deposited in segregated accounts under the General Indenture and invested in investment obligations until disbursed to finance mortgage loans or mortgage-backed securities backed by pools of mortgage loans.

4. Post-Issuance Reporting

IHDA voluntarily provides annual updates regarding the disbursement of the proceeds of Single Family Social Bonds in the form shown below. IHDA provides such voluntary disclosure until the applicable lendable proceeds for a particular issuance have been fully expended. While IHDA posts annual updates on the Electronic Municipal Market Access system (“EMMA”), this reporting is separate from IHDA’s post-issuance continuing disclosure obligation. Failure by IHDA to provide such updates is not a default or event of default under the General Indenture or any continuing disclosure agreement.

E. Bonds Alignment with United Nations Sustainable Development Goals

By reference to the ICMA’s *Green, Social and Sustainability Bonds: A High-Level Mapping to the Sustainable Development Goals (June 2022)*, which links the ICMA Social Bond Principles to the framework provided by the United Nations 17 Sustainable Development Goals (“SDGs”), IHDA’s homebuyer programs and the intended use of proceeds of the Single Family Social Bonds are relevant to the following SDGs:

- *Goal No. 1 (No Poverty)* is focused on ending poverty in all its forms everywhere. Target 1.4 maps to the SDG categories of Affordable Housing, Access to Essential Services and Socioeconomic Advancement and Empowerment.
- *Goal No. 8 (Decent Work and Economic Growth)* is focused on promoting sustainable, and inclusive economic growth. Target 8.10 maps to the SDG category of Access to Essential Services.
- *Goal No. 10 (Reduced Inequalities)* is focused on reducing inequality and promoting social and economic inclusion for all. Target 10.2 maps to the SDG categories of Access to Essential Services and Socioeconomic Advancement and Empowerment, and Target 10.3 maps to the SDG category of Socioeconomic Advancement and Empowerment.
- *Goal No. 11 (Sustainable Cities and Communities)* is focused on making cities and human settlements inclusive, safe, resilient and sustainable. Target 11.1 maps to the SDG category of Affordable Housing.

The SDGs were adopted by the United Nations General Assembly on September 25, 2015, as part of its 2030 Agenda for Sustainable Development.

II. IHDA's MULTIFAMILY PROGRAM

In addition to providing assistance to low and moderate income homebuyers and homeowners, IHDA offers resources to developers that build or preserve affordable and mixed-income rental housing and provide oversight for hundreds of affordable rental communities across the State. IHDA established its multifamily housing program pursuant to the Illinois Housing Development Act, as amended (the "Act") and a Revenue Bonds General Indenture dated as of March 1, 2016 (the "General Indenture"), between the Authority and The Bank of New York Mellon Trust Company, N.A., as trustee.

IHDA accomplishes its goal of financing multifamily affordable housing through a number of funding sources, including Low Income Housing Tax Credits ("LIHTC"). The LIHTC program is a dollar-for-dollar federal tax credit for affordable housing investments created under the Tax Reform Act of 1986. It provides incentives to raise private equity for the development of affordable housing for low income households. Tax credits are claimed through the Internal Revenue Service. Although the U.S. Treasury Department is the final authority on the program, it is administered at the state level by housing finance agencies like IHDA. Additionally, the Illinois Administrative Code provides state rules governing the LIHTC program. In exchange for LIHTCs, developers commit to lease units to low income households, to charge affordable rents, and to maintain the property in good condition.

IHDA's multifamily program uses bond proceeds to finance affordable, multifamily rental housing projects benefiting from either a 4% or 9% LIHTC allocation, as set forth in the State's Qualified Allocation Plan (the "QAP"). The QAP details how IHDA awards LIHTC tax credits and serves as a framework for the development and rehabilitation of affordable rental units. Affordable housing developers apply for tax credits with IHDA, which selects developments to receive LIHTC awards based on competitive application criteria. In addition to providing rental housing for low and moderate income families, multifamily projects financed with Sustainability Bonds finance housing for seniors, persons with special needs, and residents requiring supportive housing. In addition, multifamily affordable housing projects that receive a LIHTC allocation also tend to receive subsidy payments under the federal Housing Assistance Payment Program (or Section 8). LIHTC projects are typically designated for residents at between 30% and 80% AMI.

IHDA has financed more than 150,000 affordable rental homes since 1967. One of every 18 rental units in the State was built or rehabilitated with IHDA resources. IHDA's investments result in quality housing that serve working families, seniors, and persons with special needs.

A. IHDA Green Standards

Applicants seeking IHDA multifamily development financing must show that the project will meet the following IHDA Green Standards.

1. Enterprise Green Communities

Although Enterprise Green Communities ("EGC") certification is not required, projects receiving tax credits must adhere to EGC's 40 mandatory criteria in the eight major sections of the EGC program, unless pursuing certification under one of IHDA's Green Building Standards (discussed below). The eight sections of the EGC criteria are:

- *Integrative Design*: measures to ensure an integrated design process with sustainable building elements.
- *Location and Neighborhood Fabric*: thoughtful site location to connect to existing neighborhood fabric.

- *Site Improvement*: efforts during construction and with landscaping to improve the site.
- *Water*: water conservation measures.
- *Operating Energy*: improving operating energy performance with updated Architectural Standards, appropriately sized HVAC, and energy efficient appliances and lighting.
- *Materials*: healthier material selection and effective moisture control.
- *Healthy Living Environment*: measures to ensure healthy living for residents.
- *Operations, Maintenance, and Resident Engagement*: guidance for property managers, building operators, and residents on how to maximize benefits during operation.

2. Green Building Standards Certification

Projects with architectural design and construction that meet or exceed energy efficiency and green criteria can obtain additional points in the Project Application by certifying to one of the following standards:

- 2020 Enterprise Green Communities – projects that select the scoring criteria 5.5b “Moving to Zero Carbon: All Electric”
- LEED 4.1 Building Design and Construction (BD+C at the Gold or Platinum levels)
- National Green Building Standards (NGBS) at the Emerald Level
- Passive House Institute United States (PHIUS) CORE certification
- International Living Future Institute’s (ILFI) Core Green Building Certification and Living Building Challenge 4.0 (Petals certification program)

3. Net Zero Certification

Criteria and certification process for third-party Net Zero Certifications can be accessed via the respective third-party websites for each standard. Applicant sponsors must provide proof of project registration in the program of their choice at the time the Project Application is submitted. When the Project receives a certificate of occupancy, sponsors must provide documentation to IHDA that they have achieved requisite certification. In lieu of certification, IHDA, in its sole discretion, may accept an alternative verification from a reliable third party qualified to confirm that the Project complies with the certification requirements, despite not receiving the official documentation.

4. Architectural Requirements

In connection with applying for financing from IHDA, an applicant must demonstrate that the project will satisfy IHDA’s Standards for Architectural Planning and Construction (the “Architectural Standards”), which details minimum quality standards for the design and construction of quality affordable housing. The Architectural Standards are used by IHDA to evaluate plans and specifications for proposed affordable housing developments, including new construction, rehabilitation, and the adaptive reuse of buildings. Applicants must include the “Architectural Standards, Universal Design and Amenities

Certification” (found on IHDA’s website), signed by a licensed architect in their capacity as Architect of Record for the project.

5. Architectural Standards

The Architectural Standards impose a number of requirements, including the following mandatory requirements:

- All minimum green design requirements
- All applicable federal and state accessibility laws and/or as specified in Section 9.00 of the Architectural Standards, including:
 - At least 10% of the total units in the Project are designed for persons with mobility impairments;
 - At least 20.0% of the total dwelling units must comply with the Requirements for Adaptable Dwelling Units (Section 233.6.5 of the Illinois Accessibility Code);
 - At least 2% of the total units in the Project are designed for persons with sensory impairments (not less than one unit)
- All units must be provided with broadband internet infrastructure.

Rehabilitation projects are required to meet these minimum accessibility requirements. However, IHDA understands the challenges sometimes presented by rehabilitation projects. An applicant may submit a written request specifying project-related challenges as a result of acceptable definitions within the Illinois Accessibility Code (such as elements technical feasibility, structurally impracticability, etc.). The written request must specify the following items:

- The applicable section of the Accessibility Code
- The specific exemption being sought, and the applicable Accessibility Code section allowing the exemption
- A description explaining why the exemption applies
- Narrative and cost analysis of any alternatives explored to provide code required elements

6. Universal Design

Universal Design, as defined by the Center of Universal Design, is “the design of products and environments to be usable by all people, to the greatest extent possible, without the need for adaptation or specialization.” IHDA recognizes the need to create housing including Universal Design features while maintaining aesthetics and affordability. Universal Design is not a safe harbor from other required accessibility codes, but is utilized as a supplement to any code requirements.

To award projects willing to provide Universal Design elements above the code, IHDA requires that each project include ten additional items not required by code in 100% of the units. As such, the application must identify any and all Universal Design principles to be integrated into the unit design.

Applications seeking an exception to this requirement must provide a detailed narrative explaining the reason Universal design features cannot be provided.

7. Amenities

Applications must include preliminary architectural plans and specifications that include all of the following:

1. Cover sheet with development title, development team, drawing index, building areas and code information;
2. Dimensioned floor plans, including square footage, for all unit and building types, with room designations and proposed finishes;
3. Typical wall sections;
4. Exterior elevations for all building types with material notations matching those defined within the scoping document discussed below;
5. A site plan showing the placement and orientation of buildings, parking areas, sidewalks, easements, setbacks, trash dumpsters, buffers, storm water detention, required site amenities, and significant natural features;
6. Preliminary landscape plan;
7. Certification of Project Scope, signed by the architect and sponsor. The Certification must include a written description of the full project scope. Items to be included, but not limited to, in this document are:
 - Specifications indicating all materials selected and/or defined performance criteria (e.g., windows, doors, hardware, drywall, exterior materials, floor and wall finishes);
 - Definition of structural systems to be modified/installed as part of the project;
 - Programmatic description of the proposed furniture, fixtures, and equipment items;
 - Definition of the project’s sustainability strategy in the form of a certification checklist, energy model or detailed description of elements provided and their expected impact consistent with the level of points requested in the Project Application;
 - Written description of HVAC system to be installed; and
 - Definition of any/all other unique items included in the Project.

8. Rehabilitation and Adaptive Reuse Projects

Projects involving the rehabilitation of existing buildings require a Physical Needs Assessment (“PNA”), completed according to IHDA’s Standards for Property Needs Assessments and based on the

existing condition of the property. Projects requesting LIHTC must include a minimum budgeted amount of hard construction costs per unit and minimum project scope, including but not limited to the following:

- Replacement of all plumbing fixtures within the entire project with fixtures meeting the fixture criteria identified in Standards for Architectural Planning and Construction.
- Replacement of all light fixtures throughout the project with high efficacy light sources – 65 lumens per watt, or luminaires with an efficacy of not less than 45 lumens per watt.
- Replacement of all flooring throughout the project with FloorScore certified flooring.
- Repair/Replacement of one additional major system beyond 90% of its useful life (furnaces, water heaters, central boilers, air conditioning equipment, elevator, windows, roofing, tuckpointing of exterior masonry, etc.) throughout the entire building.
- Painting of all units and common areas.

IHDA may waive any of the above items based on the PNA.

9. IHDA Standards for Environmental Reviews and Professionals

All applicants for multifamily financing from IHDA must submit a Phase I Environmental Report from a professional firm experienced in providing environmental reports. Phase I assessments must be completed within one year prior to the QAP application deadline, consistent with the requirements of IHDA's Standards for Environmental Reviews and Professionals (the "Standards for Environmental Reviews").

The Standards for Environmental Reviews provide firm guidance as to the minimum criteria that should be considered when selecting an environmental firm, and requires that the environmental assessment and report exceed the basic scope of a standard Phase I report. In addition to detailing whether the site contains hazardous substances such as lead-based paint, mercury, PCBs, hazardous liquids or gases, elevated radon levels or asbestos, IHDA requires that the Phase I report address the following:

- If the project is located in a flood zone, the developer must include a Federal Emergency Management Agency ("FEMA") floodplain map for the Project area with boundaries of the Project site clearly defined. Projects proposing rehabilitation of existing buildings must submit a site plan that clearly indicates (i) the FEMA determined elevation of the floodplain or floodway; (ii) the elevation of the lowest floor level in the existing buildings; and (iii) the location of the existing buildings;
- The developer must submit a Historic Preservation Checklist to IHDA, which then submits the checklist to the Illinois Department of Natural Resources ("IDNR"). If the property is listed, or is eligible to be listed, in the Federal Register of Historic Places, the developer must submit additional reports for the IDNR;
- Whether the project is located in or near wetlands and, if so, whether any hydrophilic plants are present;
- Whether the project is located in close proximity to a railroad, major road, highway, freeway, airport, or any other noise generating source such as an industrial plant;

- Whether the site is located near a coastal zone, an area designated as being supported by a sole source aquifer, or a designated wild and scenic river;
- Whether the project will impact federally-listed or proposed threatened and endangered species, or designated or proposed critical habitats; and
- Whether there is any indication that the project may raise issues related to environmental justice.

These heightened standards of environmental review and reporting furthers IHDA’s mission to finance the creation and preservation of affordable housing that increases the supply of decent and safe places for people of low or moderate means to live.

B. Bonds Alignment with Green Bond Principles, Social Bond Principles, and Sustainability Bond Guidelines

“Sustainability Bonds are bonds where the proceeds will be exclusively applied to finance or re-finance a combination of both green and social projects.”* IHDA designates certain series of multifamily housing bonds as Sustainability Bonds based on the intended use of proceeds: to finance affordable multifamily rental housing that includes energy efficiency standards and features. IHDA believes the intended use of proceeds of Sustainability Bonds, and the manner of expenditure of such funds, are consistent with the four core components described by the ICMA in *Green Bond Principles*, *Social Bond Principles*, and *Sustainability Bond Guidelines*: (1) Use of Proceeds, (2) Process for Evaluation and Selection, (3) Management of Proceeds and (4) Reporting.

1. Use of Proceeds

IHDA Sustainability Bonds are used to finance affordable, multifamily rental housing projects benefiting from 4% or 9% LIHTC allocation and which design specifications are consistent with the State’s energy efficiency and conservation requirements as set forth in the QAP, which is updated annually.

2. Project Evaluation and Selection

The QAP details how IHDA awards LIHTC tax credits and serves as a framework for the development and rehabilitation of affordable rental units. Affordable housing developers apply for tax credits with IHDA, which selects developments to receive LIHTC awards based on competitive application criteria. The application process begins with the developer submitting a Preliminary Project Assessment (“PPA”) to IHDA prior to submitting a Project Application. Only upon receipt of an approval notice of the PPA may an applicant submit a full Project Application. Project Applications must include a Phase I environmental site assessment completed within one year prior to the application deadline.

In addition, Section 42(m) of the Code requires IHDA to include the following selection criteria in the QAP:

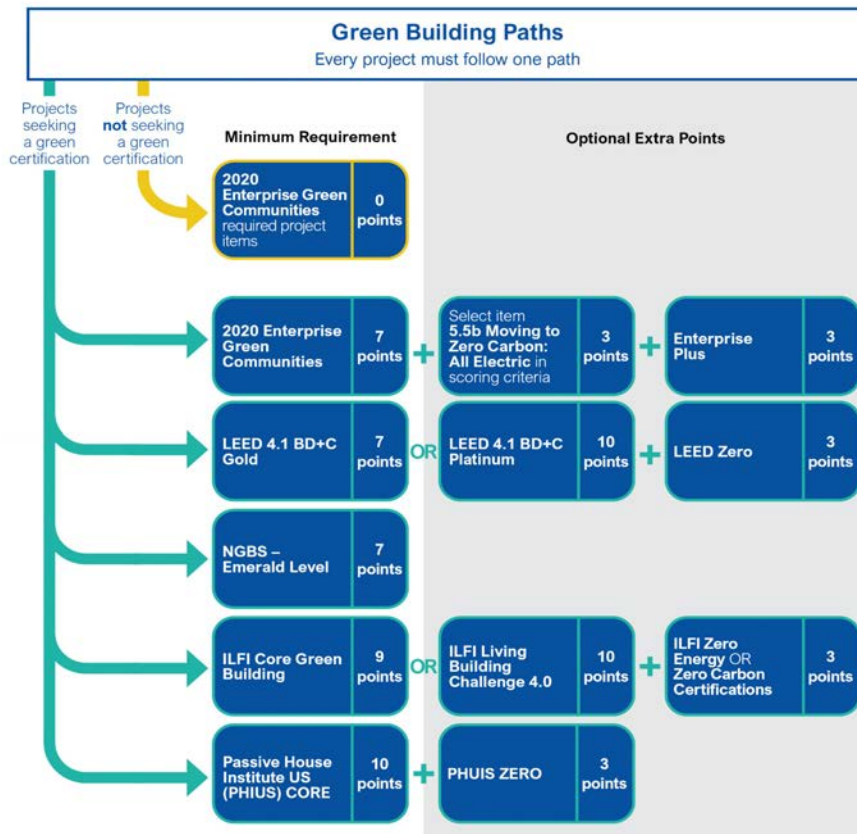

- Project location
- Housing need characteristics

* International Capital Market Association Sustainable Bond Guidelines at <https://www.icmagroup.org/sustainable-finance/the-principles-guidelines-and-handbooks/sustainability-bond-guidelines-sbg/> (last accessed January 31, 2023).

- Project characteristics, including whether the Project involves the use of existing housing as part of a concerted Revitalization Plan
- Sponsor characteristics
- Tenant populations with special housing needs
- Public housing waiting lists
- Tenant populations of individuals with children
- Projects intended for eventual tenant ownership
- Energy efficiency of the project
- Historic nature of the project

In addition to the criteria set forth in the Code, IHDA reviews whether a project is expected to provide safe, quality housing at rent levels which low and moderate income individuals and families can afford. Updated income and rent limits for multifamily affordable housing financed by IHDA can be found on its website. Financial feasibility and documentation requirements under IHDA’s Underwriting Standards Guide, which is incorporated into the QAP.

In selecting the winning application for a LIHTC project, IHDA utilizes a point system that awards a maximum of 13 points (or 13%) to applicants incorporating sustainability standards. Projects must adhere, at minimum, to EGC mandatory criteria. Projects may obtain additional points by obtaining EGC Certification or, in the alternative, obtaining Green Building Standards Certification and Net Zero Certification. IHDA’s Green Building Paths illustrates the allocation of sustainability points:

The QAP incorporates, by reference, the mandatory EGC criteria, Green Building Standards Certification, and Net Zero Certification, each of which is discussed above in Subsection A.

3. Management of Proceeds

Net of certain transaction costs, the proceeds of Sustainability Bonds are deposited in segregated accounts under the General Indenture and invested in investment obligations until disbursed to finance multifamily projects.

4. Post-Issuance Reporting

IHDA will provide voluntary, annual updates regarding the disbursement of the proceeds of Sustainability Bonds substantially in the form shown below. IHDA will provide such disclosure until the applicable lendable proceeds for a particular issuance have been fully expended. In respect to the disbursement of proceeds of Sustainability Bonds for the refunding of IHDA multifamily bonds, IHDA posts one-time updates for such issuances. While IHDA posts updates on the MSRB’s EMMA system, this reporting is separate from IHDA’s post-issuance continuing disclosure obligation. Failure by IHDA to provide such updates is not a default or event of default under the General Indenture or any continuing disclosure agreement.

FORM OF SUSTAINABILITY BONDS ANNUAL REPORTING

Development Name (New Construction/ Rehabilitation)	Development Location	____% LIHTC Allocation	Anticipated Population Served or Elected % AMI	Environmental Attributes	Bond Proceeds Disbursed (\$) as of [November] __, ____	Bond Proceeds Disbursed (%) as of [November] __, ____

C. Bonds Alignment with United Nations Sustainable Development Goals

By reference to the ICMA *Green and Social Bonds: A High-Level Mapping to the Sustainable Development Goals*, IHDA has determined that its Sustainability Bonds designation reflects the use of the proceeds of its multifamily housing bonds in a manner that is consistent with the following United Nations SDGs:

- *Goal No. 1 (No Poverty)* is focused on ending poverty in all its forms everywhere. Target 1.4 maps to the SDG categories of Affordable Housing, Access to Essential Services, and Socioeconomic Advancement and Empowerment.
- *Goal No. 7 (Affordable and Clean Energy)* is focused on ensuring access to affordable, reliable, sustainable, and modern energy for all. Target 7.3 maps to the SDG category of Energy Efficiency.

- *Goal No. 11 (Sustainable Cities and Communities)* is focused on making cities and human settlements inclusive, safe, resilient and sustainable. Target 11.1 maps to the SDG category of Affordable Housing and Affordable Basic Infrastructure.

III. IHDA's MULTIFAMILY PROGRAM – Social Bonds

From time to time, IHDA will issue Multifamily Social Bonds, the proceeds of which are used to refinance affordable, multifamily rental housing projects benefiting from LIHTC allocation.

A. Bonds Alignment with Social Bond Principles

IHDA Multifamily Social Bonds are aligned with the four core components of the Social Bonds Principles: (1) Use of Proceeds, (2) Process for Project Evaluation and Selection, (3) Management of Proceeds, and (4) Transparency through Ongoing Reporting.

1. Use of Proceeds

As discussed at length in Section II, IHDA's Multifamily Social Bonds issuances are used to finance or refinance the construction, preservation, and redevelopment of affordable, multifamily rental housing developments containing conservation and energy efficiency standards for qualified low-income residents, as addressed in IHDA's QAP and LIHTC manual.

2. Project Evaluation and Selection

Section 42(m) of the Code requires IHDA to give preference in allocating LIHTC tax credits to projects that, among other requirements, serve the lowest income tenants for the longest periods, and which are located in qualified census tracts. Moreover, in order to qualify as LIHTC eligible, units must be leased at affordable rents. Qualified rents are defined by a maximum gross rent calculation designed to be no more than 30% of maximum household income, adjusted by unit size, and updated annually to reflect changes in AMI, as addressed in IHDA's LIHTC manual. The units themselves must be in good condition, available to the general public, and leased on a non-transient basis. Among the considerations of a developer's LIHTC application is the population served by the project. Owners of projects financed with LIHTC commit to providing certain proportions of qualified affordable units in a minimum set aside election.

3. Management of Proceeds

Net of certain transaction costs, the proceeds of Multifamily Social Bonds are deposited in segregated accounts under the General Indenture and invested in permitted investments until disbursed. Such disbursements are tracked by IHDA.

4. Post-Issuance Reporting

IHDA provides annual updates regarding the disbursement of the proceeds of Multifamily Social Bonds until the applicable lendable proceeds for a particular issuance have been fully expended. IHDA posts one-time updates for the disbursement of proceeds of Multifamily Social Bonds used to refund IHDA multifamily bonds.

While IHDA posts updates on EMMA, this reporting is separate from IHDA's post-issuance continuing disclosure obligation. Failure by IHDA to provide such updates is not a default or event of default under the General Indenture or any continuing disclosure agreement.

B. Bonds Alignment with United Nations Sustainable Development Goals

By reference to the ICMA’s *Green and Social Bonds: A High-Level Mapping to the Sustainable Development Goals*, IHDA has determined that its Multifamily Social Bonds designation reflects the use of the proceeds in a manner that is consistent with the following United Nations SDGs:

- *Goal No. 1 (No Poverty)* is focused on ending poverty in all its forms everywhere. Target 1.4 maps to the SDG categories of Affordable Housing, Access to Essential Services and Socioeconomic Advancement and Empowerment.
- *Goal No. 11 (Sustainable Cities and Communities)* is focused on making cities and human settlements inclusive, safe, resilient and sustainable. Target 11.1 maps to the SDG category of Affordable Housing.
